TO: All Head Coaches & Student-Athletes

FROM: Student-Athlete Resource Center – Athletic Academic Services

RE: Spring 2016 Advising Weeks

The following is a list of sports and their assigned week(s) for academic advising. All student-athletes must see an athletic advisor for academics, NCAA progress-towards-degree, and schedule advising. PLEASE HAVE YOUR STUDENTS SEE THEIR MAJOR ADVISORS PRIOR TO THEIR TEAM’S ADVISING WEEK.

- February 15-19 Women’s Soccer & Gymnastics
- February 22-26 Men’s Soccer & Rowing
- Feb 29- Mar 4 Rowing
- March 7-11 Women’s Track/CC
- March 14-18 Men’s Track/CC
- **March 21-25 Spring Break – NO Advising**
- March 28 – April 1 (3/31 – holiday) Men’s & Women’s Golf
- April 4-8 Men’s & Women’s Tennis & Volleyball
- April 11-15 Baseball
- April 11-29 Football & Men’s Basketball
- April 18-22 Softball & Women’s Basketball
- April 25-29 Drop-in advising

**NOTE:** Football & Men’s Basketball student-athletes must schedule their appointments with Coach Shook for advising meetings April 11th – 29th. (278-2306 or in-person in LSN 3002)

- Fall 2016 MySacState registration for continuing students: May 2nd – 20th
- Athletic Priority Registration Day: May 2nd OR May 3rd (tentative)
- Spring Break: March 21st – 25th
- Cesar Chavez Holiday: Thursday, March 31st (campus closed)
- Spring 16 Final Exams: May 16th-20th
- Fall 2016 classes begin: Monday, August 29th

As a convenience to coaches and athletes, we will provide coaches with our appointment schedule to allow for an easy sign-up process. If athletes miss the sign-up with their team/coaches, they should make appointments in the Student-Athlete Resource Center – Lassen 3002.

**Only students who appear on the Athletic Academic Team rosters are allowed to use our advising services during the above weeks and only these students are eligible for priority. NO EXCEPTIONS.**

Graduating senior student-athletes or those finishing their last season of eligibility are encouraged to see us for APR and/or graduation questions; however they are not required to attend a mandatory session. These students are also welcome to come in during our drop-in period in late April or early May.

**NOTE:** Continuing student-athletes who do not attend their advising appointment will lose priority registration in an upcoming semester. Waiting until drop-in advising times does not fulfill the advising requirement.
