EDC - Education - Counselor Education

Catalog Number: (course number)

170

Course ID: (For administrative use only.)

TBD

Units:

3

Is the only purpose of this change to update the term typically offered or the enforcement of existing prerequisites at registration?

No

In what term(s) will this course typically be offered?

Fall, Spring

Does this course require a room for its final exam?

No, final exam does not require a room

Does this course replace an existing experimental course?

No

This course complies with the credit hour policy:

Yes

Justification for course proposal:

This is one of twelve Form A course proposals being submitted by the Counselor Education program as part of a new 48-unit Bachelor of Science degree major in Substance Use and Abuse Studies. The Form B for this proposed degree major will be submitted concurrently. This has been in consultation with Psychology and Social Work departments. This behavioral course aligns with the nationally recognized competency-based addiction counseling curriculum (Center for Substance Abuse Treatment, 2017a; SAMHSA, 2021).

Course Description: (Not to exceed 90 words and language should conform to catalog copy.)

Students gain experience working with clients in a substance use disorder treatment setting under site supervision; demonstrate the professional conduct necessary for effective, ethical counseling; apply basic counseling competencies recognized in addictions counseling. Students complete 125 hours of field experience per semester, 250 hours total as this is cumulative and includes Field Study & Seminar I; Students also attend and participate in 3-hours of classroom instruction per week/45 hours per semester, 90 hours total).

Are one or more field trips required with this course?

No

Fee Course?

No

Is this course designated as Service Learning?

No
