Reviewer Comments:

Ian Harvey (iharvey) (Thu, 19 Sep 2024 18:23:22 GMT): Dear Carolyn, This is Ian Harvey on behalf of the ALS Curriculum Committee. Your course change proposal has been approved pending the following suggestions/revisions: ARCH 110A: Inter Architecture Design Studio Option A Course description: Omit the extra "in" found in the second line. Assessment strategies: The suggestion of the committee is to simplify all of them. One approach would be to omit what comes before "Project Phase 1". The first assessment would simply read: Project Phase 1: Visual and written research and analysis documents Syllabus: The prerequisites need to match those on the course change proposal in the Course Information at the top of the syllabus. The prerequisites can be removed from the Catalog Description that follows.

Jacqueline Irwin (irwin) (Thu, 19 Sep 2024 22:38:51 GMT): Rollback: Dear Carolyn, Please see suggestions for revision from Ian. Once your proposal has been revised as per their recommendations, please resubmit and send me an email so I know that your proposal is ready to move forward. Thank you, Jacqueline, ALS Curriculum Chair
