Therefore, the School of Nursing applied to have a DNP program added to the campus master plan and received approval spring 2024. This course proposal is for one of the required courses in this new program.

In addition to meeting CSU requirements for doctoral education and postsecondary faculty preparation, this course will be part of a program accredited by the Commission on Collegiate Nursing Education (CCNE). CCNE standard include 29 "Essentials" for curriculum and requires 1,000 practicum hours and that students become eligible for an advanced certification (Certified Nurse Leader (CNL©), Nursing Professional Development (NPDTM), or Certified Nurse Educator (CNE©)).
