TO REPORT CHILD ABUSE AND NEGLECT
[USE FOR LIMITED REPORTERS ONLY]

INSTRUCTION FOR HUMAN RESOURCES: Provide this form, as well as Attachments A and B of Executive Order 1083 Revised July 21, 2017, to employees who are identified as Limited Reporters*. Retain the completed form in the employee's official personnel file.

***Exception:** Non-Management Personnel Plan employees hired prior to January 1, 1985

California law **requires** certain people, known as "Mandated Reporters," to report known or suspected child abuse or neglect. You have been identified as a certain type of Mandated Reporter: a Limited Reporter under Penal Code § 11165.7(a)(41). As a Mandated Reporter, you are required by the law to sign this statement acknowledging your legal reporting obligations.

A copy of the relevant provisions of the law explaining the definition of "Mandated Reporter" (Penal Code § 11165.7), the reporting obligations (Penal Code § 11166), penalty for failure to report abuse or impeding report (Penal Code § 11166.01), the contents of the reports, and the confidentiality of the Mandated Reporter's identity (Penal Code § 11167) is attached.

Online training is available to you at <https://ds.calstate.edu/?svc=skillsoft> (under keyword search "Mandated Reporter").

While it is not required, we strongly encourage you to take the training.

WHEN REPORTING ABUSE IS REQUIRED

As a Limited Reporter, whenever in your professional capacity or within the scope of your employment you have knowledge of or observe a person under the age of 18 years whom you know or reasonably suspect has been the victim of child abuse or neglect ***on CSU premises or at an official activity of, or program conducted by, the CSU***, you must report the suspected incident (Penal Code §§ 11166(a) and 11165.7(a)(41)).

PROCEDURE FOR REPORTING

To make a report, you **must** do the following:

- ***Immediately, or as soon as practically possible***, contact by phone one of the following: police or sheriff's department (including campus police but not including a school district police or security department); a county probation department (if designated by the county to receive mandated reports); or the county welfare department (Child Protective Services or CPS).
- ***Within 36 hours of receiving the information concerning the incident***: complete Form SS 8572 (available online at http://ag.ca.gov/childabuse/pdf/ss_8572.pdf) per the instructions (available online at http://ag.ca.gov/childabuse/pdf/8572_instruct.pdf); and send, fax or electronically transmit it to the agency that was contacted by phone (Penal Code § 11166(a)).

Names and contact information for agencies that can accept reports are available online at the following websites:

California State University Police Departments (by campus):
<http://calstate.edu/strategicinitiatives/UPD/contacts.shtml>

Child Protective Services (by county):
http://www.hwcws.cahwnet.gov/countyinfo/county_contacts/hotline_numbers.asp

For Sheriffs' Departments (by county):
<http://www.calsheriffs.org/sheriffs-offices.html>

Note: Reporting to a supervisor, a coworker, or other person is not a substitute for making a mandated report to one of the agencies listed above.

ABUSE AND NEGLECT THAT MUST BE REPORTED

Physical abuse, meaning physical injury other than by accidental means inflicted on a child (Penal Code § 11165.6).

Sexual assault, including sex acts with a child, intentional masturbation in the presence of a child, child molestation, and lewd or lascivious acts with a child under 14 years of age or with a child under 16 years of age if the other person is at least ten years older than the child (Penal Code § 11165.1(a)(b)).

Sexual exploitation, including acts relating to child pornography, child prostitution, or performances involving obscene sexual conduct by a child (Penal Code § 11165.1(c)).

Statutory rape involving sexual intercourse between a child under 16 years of age and a person 21 years of age or older, which is also a form of "sexual assault" (Penal Code § 11165.1(a)).

Neglect, meaning the negligent treatment or maltreatment of a child by a parent, guardian or caretaker under circumstances indicating harm or threatened harm to the child's health or welfare (Penal Code § 11165.2).

Willful harming or injuring or endangering a child, meaning a situation in which any person inflicts, or willfully causes or permits a child to suffer, unjustifiable physical pain or mental suffering, or causes or permits a child to be placed in a situation in which the child or child's health is endangered (Penal Code § 11165.3).

Unlawful corporal punishment, meaning a situation in which any person willfully inflicts upon a child cruel or inhuman corporal punishment or a physical injury (Penal Code § 11165.4).

WHAT IS NOT CHILD ABUSE OR NEGLECT?

The law does **not** consider the following child abuse or neglect for reporting purposes:

- Injuries caused by two children fighting during a mutual altercation (Penal Code § 11165.6)
- An injury caused by reasonable and necessary force used by a peace officer acting within the course and scope of his or her employment (Penal Code § 11165.6)
- Reasonable and necessary force used by public school officials to quell a disturbance threatening physical injury to person or damage to property, for self-defense, or to obtain possession of weapons or other dangerous objects under a child's control (Penal Code § 11165.4)

- Corporal punishment, unless it is cruel or inhumane or willfully inflicts a physical injury (Penal Code § 11165.4)
- Not receiving medical treatment for religious reasons (Penal Code § 11165.2(b))
- Acts performed for a valid medical purpose (Penal Code § 11165.1(b)(3))
- An informed and appropriate medical decision made by a parent or parent, guardian or caretaker after consultation with a physician who has examined the child (Penal Code § 11165.2(b))

IMMUNITY AND CONFIDENTIALITY OF REPORTER

Mandated Reporters cannot be held civilly or criminally liable for their reports. Instead, they enjoy immunity from prosecution for their reporting of suspected child abuse (Penal Code § 11172(a)). Both the identity of the person who reports and the report itself are confidential and disclosed only among appropriate agencies (Penal Code § 11167(d)).

PENALTY FOR FAILURE TO REPORT ABUSE OR IMPEDING REPORT

A Mandated Reporter who fails to make a required report of abuse, or any administrator or supervisor who impedes or inhibits a report, is guilty of a misdemeanor punishable by up to six months in jail, a fine of \$1,000, or both (Penal Code Section 11166(c) and Section 11166.01(a)). Where the abuse results in death or great bodily injury, the Mandated Reporter who fails to make a required report or administrator or supervisor who impeded or inhibited the report is subject to punishment of up to one year in jail, a fine of \$5,000, or both (Penal Code Section 11166.01(b)).

ACKNOWLEDGMENT

I acknowledge being provided with copies of Penal Code Sections 11165.7, 11166, 11166.01, and 11167. I acknowledge and understand my responsibility and legal obligation to report known or suspected child abuse or neglect in compliance with Penal Code Section 11166.

6.12 Appointment of Adjunct Faculty

A. When it has been demonstrated that an individual in the community has particular competencies which will enhance and benefit the education program of the university, such a person may be made a volunteer employee with the title of adjunct faculty.

B. Adjunct appointments may be made for persons fulfilling the following roles:

1. Collaborators in Research or Teaching or Both:

The university recognizes that there may be professional scientists, scholars, creative artists, emeritus faculty, teachers, etc., in the community, who have a close working relationship with the faculty of the university, and that in certain instances it would be valuable to the university to formalize that relationship by an appointment as an adjunct instructor or adjunct professor. When such appointments are made in connection with grant-supported research, the principal investigator for the project shall be a full-time or part-time faculty member.

2. Assistants to Instructors:

Adjunct appointments may be made to provide uncompensated assistance to a full-time faculty member in the execution of a teaching assignment. In such cases the assistant shall not become the instructor of record and shall not assume instructional responsibilities such as planning, determining requirements, and assigning grades that define the course or courses in which the assistance is to be provided.

3. Field Work Supervisors:

Although neither field work supervisors nor project supervisors are generally considered eligible for adjunct professorships, it may be desirable occasionally to recognize certain professionals in the community agencies who assist in critical ways to place or supervise students with an appointment as an adjunct instructor or adjunct professor, as appropriate. When such an appointment is contemplated, the college dean shall investigate thoroughly and certify both the qualifications of the appointee and the value that the arrangement will have for the institution. Such supervisors shall possess qualifications equivalent to those required for an appointment to a full-time or part-time faculty position.

4. Instructor of Record: Please see Section C. 1.-7 immediately below.

C. Adjunct faculty may serve as instructors of record in selected circumstances. Adjunct faculty may possess special and unique expertise not possessed by currently or recently employed part-time and full-time temporary faculty or currently employed full-time probationary and permanent faculty. Adjunct faculty may be appointed as instructors of record using the following guidelines:

1. Appointees shall possess special and unique expertise directly and immediately related to the topics defining the course to be taught.

2. Each appointment shall in general be limited to a single class per semester during the year of appointment.

3. Each recommendation for an appointment shall be considered and adopted by the appropriate department committee, if any, and/or the Chair of the Primary unit in which the appointee will serve.

4. Prior to reappointment an evaluation of performance shall be conducted and the results reviewed by the pertinent primary unit under the standards and procedures that the primary unit applies to the evaluation of part-time temporary faculty.

5. The recommendations to appoint or reappoint written statement of reasons, including an evaluation of performance in the case of subsequent appointment.

6. The authority to appoint shall not be exercised in a way that results in the appointment as volunteers of persons whose qualifications are ordinarily available among those seeking currently in the part-time or full-time employment applicant pool.

7. Appointments or reappointments shall not be made to any but those persons who cannot or will not accept a compensated appointment.

D. Such appointees shall be granted certain faculty privileges such as the issuance of a faculty identification card, use of the library, and eligibility to purchase a faculty parking sticker, and workers' compensation coverage.

The use of laboratory facilities may be authorized when appropriate, and office space may be assigned when available. However, the use of campus facilities by such appointees shall not interfere in any way with the instructional program or the teaching and research of faculty holding full-time or part-time appointments.

E. The following guidelines shall apply to the appointment of adjunct faculty:

1. Each appointment shall be to the mutual benefit of the appointee and the university.
 2. Recommendations for appointment shall originate in the departments and receive the same review of qualifications as required for a full-time or part-time faculty appointment.
 - a. A person appointed shall have qualifications equal to those of full-time or part-time faculty or shall possess special and unique qualifications germane to the assignment. The appointment title shall be appropriate to the individual's qualifications (e.g., Adjunct Professor, Adjunct Associate Professor, etc.).
 - b. A request for an adjunct appointment shall include a resumé, a full explanation of duties to be performed during the time of appointment, and an explanation of the mutual benefit of the appointment.
 3. Authority to appoint adjunct faculty has been delegated to the deans of the colleges by the President. Adjunct appointments shall be carefully considered and shall be fully justified in writing by the college dean concerned. General supervision of such appointees shall be the responsibility of the college dean.
 4. Except for appointments made pursuant to Section 6.12 C, appointments may be for terms ranging from one semester to a maximum of two years. Appointments shall be renewed only after review and by mutual consent.
- F. For purposes of keeping records, copies of all adjunct faculty appointment letters shall be sent to the Provost and Vice President for Academic Affairs and the Vice President for Human Resources.
