## SUBSTITUTE FACULTY APPOINTMENTS

Substitute Faculty Appointments are temporary replacement assignments intended to cover short-term faculty absences. Use this form for paid assignments only - do not fill out if informal arrangements have been made. Faculty employees considering an informal voluntary (unpaid) substitute arrangement of short duration with a Sac State colleague need to consult with their department chair for approval.

### Duration

- Up to 20 CALENDAR days (e.g., emergency leaves, jury duty, bereavement leaves). Contact OFA for additional appointment information or if the assignment will exceed 20 days.

### Offer of Work

- Substitute assignments should be offered first to current qualified part-time faculty using the Preference for Available Temporary Work procedures specified in CBA Article 12.29.
  - Substitute assignments do not increase the lecturer's entitlement.
  - Substitute assignments are conditional.
  - Substitute assignments may not put a lecturer's workload over 15 WTUs.
- Tenure-track/tenured faculty CANNOT be paid as substitute faculty.

### Pay

- Substitute faculty are paid for actual hours worked in the classroom (i.e., contact hours with students).<sup>1</sup> The hourly rates for Substitute faculty assignments include compensation for normal office hours, grading time, and prep time in relation to the course taught.<sup>2</sup>
