Suggestion

Encourage presenters to explain acronym the first time they use them

Response

Will do!

Suggestion

Encourage presenters to use the first and last names of campus colleagues

Response

We have had this feedback before, but it is a good reminder and something we fell out of the habit of doing.

Feedback

Loved the quiz! I know it's extra work, and a lot of paper just to pull one winner of swag, but it's a great way to reinforce what's covered in the meeting.

Response

We are so glad you liked it! We can absolutely keep doing it.

Suggestion

It would be fun to have a fun social gathering, like a half-day retreat.

Response

Agreed. It would be great. We can consider doing something like this in the future when our budget situation improves

Business Partners Round Table

About the Business Partners Round Table

Financial Services is committed to the delivery of the highest quality service in support of University goals. We know that the key to our success is partnering with campus service clients. Working with our University partners, we hope to make the business environment easy to navigate by clearly communicating requirements, simplifying procedures, learning about your needs, and working to design mutually satisfactory work processes.

One of the ways in which we are doing so is through the Business Partners Round Table and Business Matters at Sac State. Launched in the fall of 2005, Business Matters is a repository of the most up-to-date information to assist campus partners in their roles as public stewards. The website contains simple guidelines for conducting various business transactions with Sac State. The first Business Partners Round Table was also held in 2005 and continues to be a well-attended quarterly event for campus partners, where updates on topics ranging from audit and insurance to travel, budget and purchasing are shared.

Through the Business Partners Round Table, we hope to provide the most current information to help campus business partners succeed in their jobs.
