I. Introductions – All

II. Regulated Tools and Equipment – Chief Madison

- i. The Sacramento State Police Department utilizes Kinetic energy munitions (less lethal bean bags)
- ii. The department does not have any cases involving the use of kinetic energy munitions

III. Presidential Taskforce Update – Chief Madison

- i. Chief Madison is the chair of the Physical Safety Subcommittee which will then share recommendations to the President regarding safety on campus, which is a part of the President's new directive in keeping the campus safe.

IV. Cadet Leslie Fernandez – Chief Madison – Deputy Chief Lofthouse

- i. Fourth CSO that was Made at Sac State to transition into a Police Officer Cadet.
- ii. The academy consists of 42 learning domains surrounding academics, community engagement, procedural justice, and physical components
- iii. After graduating from the academy, cadets are required to complete a 16-week Field Training Officer program with the Police Department

V. Open Townhall / Open Forum Recommendations

- i. Different events where students may learn more about the Police Department and have a safe space to ask questions regarding procedures and weapons and get to know the Police Officers on a more personal level.
