SACRAMENTO STATE ANNUAL SECURITY REPORT

Message from the Vice President of Administration and Business Affairs/CFO

At Sacramento State, we are committed to fostering an environment that promotes the well-being of all individuals within our campus community. Providing a safe, welcoming environment conducive to learning, teaching, living, and working is a vital part of that commitment. Safety is embedded into the core function and operations of our university. Upholding the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics (the Clery Act) is one of the many health and safety initiatives Sacramento State prioritizes each day to ensure a safe, inclusive, and supportive space for all members of our campus community. I encourage you to review the Annual Security Report, which contains important information **specific to Sacramento State**, including, but not limited to, available resources, security procedures and practices, crime prevention programs, and reporting options for survivors.

Campus safety is a shared responsibility; working together we will maintain a safe and secure environment for all to learn, work, live, and visit.

Jonathan Bowman
Vice President for Administration and Business Affairs/ Chief Financial Officer

Preparing the Annual Security Report (ASR)

The Clery Director prepares, publishes, distributes and maintains an Annual Security Report (ASR) containing security-and safety-related policy statements; crime prevention, sexual assault, drug, and alcohol prevention programming; and statistics of Clery Act crimes for the Sacramento State campus.

The ASR is not combined with the Annual Fire Safety Report. The Annual Fire Safety Report is compiled and published by the Executive Director of University Housing Services.

Compilation Statistics for the ASR

The Clery Director, in coordination with the Sacramento State Police Department, is responsible for the collection and compilation of crime statistics for Clery-qualifying crimes, including hate crimes, through working relationships with Campus Security Authorities (CSAs) and the cross-departmental Clery Compliance team. The Clery Compliance team also provides policy related information and educational efforts and programs for Clery Act reportable crimes, hate crimes, and violations of state and local drug, liquor, and weapons laws occurring within Clery Geography where arrests or referrals for discipline were made. The Sacramento State Police Department is responsible for conducting documented outreach efforts to law enforcement agencies to request Clery-reportable crime statistics from the Clery Act geography that the department does not patrol or provide primary law enforcement response.

Distribution of Annual Security Report (ASR)

The Annual Security Report will be posted online at the campus homepage and that of the Sacramento State Police Department; hard copies are available upon request. The Clery Director, in coordination with the appropriate departments, will disseminate a notice by email to all current students and employees that the Annual Security Report is published and available.

The Clery Director, in coordination with the Division of Human Resources, Division of Student Affairs, and other appropriate departments, will ensure that the Annual Security Report is posted within appropriate campus employment websites and materials, campus application materials, campus course catalogs, and other locations to ensure notice is provided to all prospective employees and students that the ASR is available upon request.

For more information regarding the ASR, please contact the Office of Clery Compliance and Training at clery@csus.edu.

Clery Crime Statistics

Clery Act Geographical Areas

Crime statistics are reported pursuant to the guidelines specified in the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Disclosure Act, which use the definitions under the FBI Uniformed Crime Reporting procedures and separated by the following geographical areas:

- **On-Campus:** any building or property owned or controlled by the University within the same reasonably contiguous geographic area.
- **On-Campus Residential:** on-campus residential facilities for students (American River Courtyard, Desmond Hall, Draper Hall, Jenkins Hall, Sierra Hall, Sutter Hall, Riverview Hall, Hornet Commons, and the Upper Eastside Lofts). Please note that the statistics reported in this category are a subset of those reported in the “On-Campus” category (i.e., a crime that occurred at an on-campus residential facility for students is reported in **both** the “On-Campus” and “On-Campus Residential” categories).
- **Non-Campus:** any building or property owned or controlled by a student organization that is officially recognized by the institution; or any building or property owned or controlled by the University that is used in direct support of, or in relation to, the University’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the University.
- **Public Property:** all public property—including parks, thoroughfares, streets, sidewalks, and parking facilities—that is within the campus or immediately adjacent to and accessible from the campus.

Crime Categories

The Clery Act requires Sacramento State to include four general categories of crime statistics:

1. Criminal and Sex Offenses

The definitions used for the criminal offenses of Murder, Rape, Robbery, Aggravated Assault, Burglary, Motor Vehicle Theft, and Arson are consistent with those in the FBI's Uniform Crime Reporting (UCR) Summary Reporting System (SRS) User Manual. The definitions used for the sex offenses of Fondling, Incest, and Statutory Rape are consistent with those in the FBI's National Incident-Based Reporting System (NIBRS) Data Collection Guidelines edition of the UCR.

2. Violence Against Women Act (VAWA) Offenses

The definitions used for the VAWA offenses of Domestic Violence, Dating Violence, and Stalking are consistent with those provided by the Violence Against Women Act (VAWA) of 1994 and repeated in the Department of Education's Clery Act regulations.

3. Hate Crimes

The definition used for Hate Crimes, a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim, is consistent with the definition provided by the FBI's Uniform Crime Reporting Hate Crime Data Collection Guidelines and Training Manual.

4. Clery Arrests and Referrals for Disciplinary Action

As required by the Clery Act, the University also reports arrests and referrals for disciplinary action for Liquor Law, Drug Law, and Weapons Law violations. The definitions used for Liquor Law, Drug Law, and Weapons Law violations are consistent with those in the FBI's Uniform Crime Reporting (UCR) Summary Reporting System (SRS) User Manual. For Clery Act purposes, an arrest occurs when a person is processed by arrest, citation, or summons, and a referral for disciplinary action means the referral of any person to any official who initiates a disciplinary action of which a record is established and which may result in the imposition of a sanction.

More information on the Clery Act definitions used for the above categories of crimes can be found at

<https://www.csus.edu/campus-safety/internal/documents/crime-categories-and-geography.pdf>.

NOTE: Clery statistics represent the number of reported crimes counted when they are reported, not when they occurred. Clery statistics do not represent the findings of an investigation, court proceeding, judge, jury or commissioner, but simply represent reports of alleged crimes that meet the definition of Clery crimes that reportedly took place within Clery geography.

¹ The increase in the number of reported incidents of Fondling over the previous year can be attributed to the return to in-person classes for faculty and students, and a significant return to the office for staff. This does not suggest that students, faculty, or staff are committing this crime but accounts for the increase in reported incidents of Fondling occurring on campus.

² The increase in the number of reported incidents of Burglary over the previous year is attributed, in part, to the return to in-person classes for faculty and students, and a significant return to the office for staff. This does not suggest that students, faculty, or staff are committing this crime but accounts for the increase in reported incidents of Burglary occurring on campus.

³ Per CSU, Chancellor’s Office recommendation, all dating violence incidents have been included under Domestic Violence incidents since we must use state law in evaluating whether a protected relationship exists between the parties, and California’s Domestic Violence law includes persons in a social relationship of a romantic or intimate nature.

⁴ The number of reported instances of dating violence increased over the previous year due, in part, to reports by two persons reporting multiple instances of mutual dating violence over an extended time period.

⁵ Per CSU, Chancellor’s Office recommendation, all dating violence incidents have been included under Domestic Violence incidents since we must use state law in evaluating whether a protected relationship exists between the parties, and California’s Domestic Violence law includes persons in a social relationship of a romantic or intimate nature.

Unfounded Crimes

There were no unfounded crimes in 2020, 2021, or 2022.

⁷ The significant increase in referrals to disciplinary action for drug law violations over the previous year can be attributed to the full-time return of students to the residence halls for the full 2022 calendar year as opposed to 50% occupancy in spring 2021 and return to full occupancy only in fall 2021.

Hate Crimes

There were no reported hate crimes in 2020, 2021, or 2022.

A Hate Crime is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Hate crimes includes any offense in the following group: murder and nonnegligent manslaughter, sexual assault including rape, fondling, incest and statutory rape, robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property.

Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, gender identity, religion, disability, sexual orientation, ethnicity, or national origin.

Hate crime reporting is considered for all Clery geography including on campus, residential facilities, noncampus buildings or property, and public property.

Procedures for Students and Others to Report Criminal Actions or Other Emergencies on Campus

For accurate and prompt reporting, Sacramento State strongly encourages all members of the campus community to contact the Sacramento State Police Department or the appropriate police agency where the crime occurred when they have been the victim of a crime or have witnessed criminal actions.

All members of the campus community are encouraged to contact campus police or appropriate law enforcement agencies on the victim's behalf when the victim of a crime elects to or is unable to make such a report. Bystander intervention is a powerful concept that is highly valued at Sacramento State.

Reporting of Criminal Offenses

Criminal actions or other emergencies occurring on campus should be immediately reported to any member of the Sacramento State Police Department personnel, including but not limited to, dispatch, police officers, community service specialists and community service officers, for the purposes of response to reported crimes and emergencies, making Timely Warning Notifications (TWN) and for annual statistical disclosure.

Report to the Sacramento State Police Department, if known:

- The crime that was reported and the information provided
- The exact location where the crime occurred
- The date and time the crime occurred
- Any witness and perpetrator information
- Victim information, unless the victim requests confidentiality

Daily Crime Log

The Sacramento State Police Department maintains a publicly available "Daily Crime Log." The Daily Crime Log is accessible through the crime mapping link <https://csus.crimegraphics.com/>.

Voluntary and Confidential Reporting

Victims or witnesses may report crimes on an anonymous voluntary, confidential basis to the Sacramento State Police Department by calling the Anonymous phone line at 916-278-7245.

Sacramento State encourages our professional and pastoral counselors and confidential advocate to inform individuals they are counseling about the voluntary, confidential reporting options available to them. The Student Health and Counseling Service (SHCS) also has a policy and procedure in place that encourages these confidential reporters to submit reports to the AVP of SHCS for reporting of anonymous Clery reports for inclusion in the ASR.

Note: All publicly available record keeping will be maintained without the inclusion of personally identifiable information about the victim.

Crime of Violence Disclosures

The institution will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such a crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such a victim shall be treated as the alleged victim.

California Education Code section 67380(a)(6)(A)

Pursuant to California Education Code section 67380(a)(6)(A), Campus Security Authorities (CSAs) who receive reports from employees or students of a Part I violent crime, sexual assault or hate crime that occurred in an on or noncampus location as defined by the Clery Act, may not disclose to UPD or local law enforcement agencies the names of the victims or the alleged assailant, unless the victim consents to disclosing their name after being informed of their right to have their personally identifying information withheld. The name of the alleged assailant may be disclosed, however, if all of the following conditions are met:

- The alleged assailant represents a serious or ongoing threat to the safety of students, employees, or the institution; and
- The immediate assistance of the local law enforcement agency is necessary to contact or detain the alleged assailant.

Timely Warning Policy

This policy describes the procedures that will be used to provide members of the community with information to aid in preventing them from becoming victims of crimes posing a serious or ongoing threat to the Campus communities. It is intended to provide faculty, staff, and students with timely information about Clery reportable crimes occurring within the defined Clery Geography of their Campuses, and to comply with the Timely Warning requirements of the Jeanne Clery Act.

As required by the Clery Act, CSU Campuses will keep their Campus communities informed by providing a timely warning when appropriate.

- Upon receipt of a Campus Security Authority (CSA) report of a Clery crime on Clery Geography, a Timely Warning analysis shall be completed and documented by the Clery Director. The Clery Director shall have authority to delegate this responsibility as appropriate. It is not necessary to document the completed Timely Warning analysis for referrals to disciplinary action.
- If it is determined that the report includes a Clery crime on Clery Geography, the Clery Director and Chief of Police (or management designee) will confer to analyze the known pertinent facts to determine whether they constitute a serious or ongoing threat to the Campus community. The unavailability of the Clery Director shall not unduly delay the issuance of a Timely Warning.
- If a CSA report includes 1) a Clery crime 2) on Clery Geography and 3) a discernible serious or ongoing threat, a timely warning as described below shall be issued expeditiously.
- In the absence of any of these three elements, no timely warning will be issued.
- The Chief of Police (or the management designee) shall have ultimate authority and responsibility for determining whether to issue a Timely Warning.

Each reported incident must be analyzed on a case-by-case basis. All known factors shall be considered in the case-by-case analysis to determine whether a timely warning should be issued. No single factor should govern the decision regarding the issuance of a timely warning. Campuses are prohibited from circumventing a case-by-case analysis by issuing a blanket rule that timely warnings will be issued for all reports of any given Clery reportable crime. Requests from an outside law enforcement agency to refrain from issuing a timely warning is insufficient grounds on its own for not issuing or delaying the issuing of a timely warning, unless the Chief of Police concurs that by issuing a timely warning, an identified risk can be articulated that would compromise the law enforcement efforts of the outside agency investigating the crime to gather evidence and/or apprehend suspect(s).

The case-by-case analysis will involve reviewing relevant factors including, but not limited to, the following, if known:

- The timing of the report: shortly after the occurrence of the crime vs. days or weeks after the occurrence of the crime, i.e., a "cold report"
- Physical injury to the victim
- Use of weapons
- Forced entry used and/or tools used in commission of the crime
- A suspect arrested or incapacitated by injury
- A suspect that is identified or otherwise can be located by law enforcement

- A suspect that is out of the area
- A victim who fears for their safety from the suspect
- A clear modus operandi and/or pre-planning indicated
- Multiple suspect(s) involved
- A pattern of similar crimes established
- The possible risk of compromising law enforcement efforts, such as to gather evidence and/or apprehend suspect(s), if a warning was issued

Additional Considerations

The Clery Director (or management designee) shall notify the Campus president, as soon as practicable, that a timely warning will be or has been issued.

The Chief of Police (or management designee) is responsible for collaborating with surrounding law enforcement agencies to encourage them to share information with University Police Department (UPD) about crimes reported to local law enforcement that occur in Clery Geography.

Nothing in this policy precludes Campuses from maintaining a Campus policy about informing, re-publicizing and/or sharing with the Campus community crimes or other informational notices, (e.g., traffic advisories, events, prevention information) the Campus deems may be of interest to the Campus community. Such a policy is separate and distinct from the Timely Warning Policy. Such notices must differ in appearance or be distributed in a manner that assures that members of the community understand such notices are different from a timely warning notification required by the Clery Act; members of the Campus community should not be misled to believe such notices are timely warnings.

Contents of a Timely Warning

When a timely warning is issued it shall be entitled "Timely Warning Crime Bulletin" and contain the following:

- A statement that reads, "This Timely Warning Bulletin is being issued in compliance with the Jeanne Clery Act and the purpose is to provide preventative information to the Campus community to aid members from becoming the victim of a similar crime."
- Identify the Clery reportable crime that occurred (i.e., rape, burglary, motor vehicle theft, arson, etc.)
- The date, time, and location the crime occurred
- The date the Timely Warning Bulletin is issued
- Description of the suspect when deemed appropriate, and if there is sufficient detail. Only include a description of the suspect when the descriptors provided by the reporting party could reasonably lead to conclusive identification of the perpetrator(s)
- At least three preventative tips or points of information specifically related to the circumstances of the crime which occurred that could help others from becoming the victim of a similar crime
- The phone number of UPD and a statement encouraging community members to report all information about crimes to UPD
- If appropriate, the phone number of support services

The Timely Warning shall not include, under any circumstances, the name of the victim, or information so specific (i.e., specific address or dorm room number or floor) that would or likely could identify the victim of the crimes of Sexual Violence, Rape, Dating Violence, Domestic

Violence, or Stalking. Timely Warning Bulletins should use gender-inclusive and culturally appropriate language and avoid victim blaming and bias language.

Methods of Distribution

Timely warnings will be distributed as quickly as possible in a manner that will likely reach the entire Campus community. Distribution methods vary from Campus to Campus and include, but are not limited to, any of the following:

- All employee and student email distribution
- University website
- Public area video display monitors
- Hard copies posted on Campus building entrance doors
- Press Release

This list is not intended to be exhaustive or intended to prioritize the method of distribution. The Chief of Police will confer with the Clery Director (or management designee), if available, to determine the most appropriate method(s) to distribute a Timely Warning. In the absence of the Clery Director (or management designee), the Chief of Police will determine the appropriate method of distribution. Campuses are required to maintain a list of the methods of distribution for timely warnings and include said list in the Campus's Annual Security Report.

Emergency Notification Policy

This policy describes the procedures that will be used to immediately notify the Campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students and/or employees occurring on the Campus, as required by the Clery Act.

Any member of the Campus community with information believed to constitute a significant emergency or a dangerous situation that poses an imminent or immediate threat shall report the information to University Police Department (UPD) and/or by calling "911." Examples include, but are not limited to, the following types of incidents:

- Severe weather warning (e.g., flash flooding, tsunami, hurricane, etc.)
- Environmental emergency within an on-campus facility (e.g., hazardous chemical spill, fire, earthquake, building collapse)
- Criminal activity with an imminent threat to Campus community (e.g., active shooter, murder, fleeing suspect with a weapon)
- Public Health Emergency (e.g., measles outbreak, swine flu outbreak, etc.)

Once UPD has received the report, the Chief of Police (or management designee) will, without delay and taking into account the safety of the community, confer with any appropriate public official (e.g., fire chief, health department) and any Campus officials responsible for managing the on-campus emergency, if available, to confirm both: 1) a legitimate emergency or dangerous situation exists impacting on-Campus geography; and 2) the emergency or dangerous situation poses an immediate or imminent threat to members of the on-campus community. This confirmation process may include, but is not limited to, visual observation, officer investigation, the assistance of key Campus administrators, local or Campus first responders, and/or official government reporting through agencies such as the National Weather Service.

If both of the above factors are not met, no emergency notification is required. If it is determined that both of the above factors are met, then an emergency notification as described below shall be issued. The Chief of Police (or management designee) will confer with the Clery Director, if available, to prepare the content of the notification and determine which members of the Campus community are threatened and need to be notified. The content of the message will be developed based on a careful but swift analysis of the most critical facts.

Once the notification is prepared, the Chief of Police and/or the Clery Director (or their management designees) will, without delay and taking into account the safety of the community, transmit the emergency notification unless doing so would delay the ability to mitigate and/or contain the emergency, including the ability to provide immediate, life saving measures. If an emergency notification is issued, a timely warning is not required for the same incident.

Contents of the Emergency Notification

The emergency notification shall contain the following information:

- A statement as to what the emergency or dangerous situation is, in specific terms (e.g., chemical spill, active shooter, building fire)
- A statement providing direction as to what actions the receiver of the message should take to ensure their own safety
- A statement as to where or when additional information may be obtained

The Chief of Police and/or Clery Director (or management designees) will provide updates to the emergency notification with pertinent updates or direction to persons for their safety when new information becomes available. Updates will be provided in regular intervals until the emergency has been mitigated or no longer poses an imminent threat, e.g., fire is out, and building has re-opened.

Methods of Distribution

Emergency Notifications will be distributed as quickly as possible in a manner that will likely reach the segment(s) of the on-campus community threatened by the emergency. Segmentation will be considered by the Chief of Police (or management designee) by evaluating which persons are likely to be at risk based on the circumstances at the time and notifying those persons. Segmentation should not be considered if making this determination would delay issuing the emergency notification. The Chief will determine if notification to the larger community is appropriate. Distribution methods, including distribution to the larger community, vary from Campus to Campus and depending on the nature of the emergency, may include:

- A Campus mass notification system, including but not limited to phone, Campus email, or text messaging. Systems should provide currently enrolled students, faculty and staff the ability to adjust their subscription preferences to select multiple contact methods from text messages, emails and phone calls, or if desired, to 'opt out' of the service and not receive any notifications
- Audio/visual message boards
- Audible alarms/sirens
- Campus public address systems
- In person or door-to-door notifications in a building or residence halls
- Local media
- Social media

- Other means appropriate under the circumstances, which campuses shall disclose in their ASRs as applicable.

Testing and Evacuation System

Testing of the Emergency Notification System and evacuation will be done at least once annually. The Tests may be announced or unannounced. Tests must be scheduled, contain drills, exercises and appropriate follow-through activities, and be designed for assessment and evaluations of emergency plans and capabilities. However, the campus emergency response and evacuation procedures will be publicized in conjunction with at least one test per calendar year. Each Test will be documented to include a description of the exercise, the date of the Test, the start and end times of the Test, and whether the Test was announced or unannounced. The California State University Emergency Management policy describes these Tests and defines responsibility for their completion. A copy of the documentation will be provided to the Clery Director.

Students and employees who need information on how to add contact information to be included for emergency notification or to remove information and “opt out” of notifications should visit <https://www.csus.edu/campus-safety/police-department/news-alerts/emergency-notification-system-ens.html> or call the IRT Service Desk Team at (916) 278-7337 for assistance. Sacramento State students are automatically signed up for the Emergency Notification System (ENS). Since the focus is presently on those who would be immediately affected by an emergency, only current students, faculty, and staff may participate in the ENS. However, notification of third parties, such as parents and spouses, can be obtained by signing up for the Sacramento State Police Department’s Facebook and/or Twitter feed.

Security of and Access to Campus Facilities, and Security Considerations for the Maintenance of Campus Facilities

Statement of Policy for Addressing Facility Access and Security

It is the practice of Sacramento State that all buildings be opened prior to the beginning of the business day and locked nightly after the conclusion of the last scheduled event. Space Management provides a daily schedule to Facilities Management; buildings are locked based on that schedule. Custodial Services and Community Service Specialists are responsible for the unlocking of buildings on a daily basis for scheduled classes and other approved activities. After a building is locked, only employees with offices inside, security personnel, and personnel with maintenance responsibilities have access to the building.

Access to University residential facilities is limited to residents, their guests, and selected staff. The University’s Residence Hall policy requires that exterior doors be locked at all times, including holidays and semester breaks. All residents have been issued a key fob for personal access to exterior doors, interior areas, and restroom facilities. All guests must be accompanied by residents or staff. The residential community is patrolled cooperatively by the Sacramento State Police Department and on-duty Residential Life personnel, which includes Residential Life Advisors and Coordinators.

Security and Maintenance of Campus Facilities

Security considerations are used in the maintenance of campus facilities. The Sacramento State Police Department has personnel on duty 24/7 throughout the year who conduct regular patrols of all campus facilities. The campus employs both video and intrusion alarm systems at crucial areas throughout the campus to strengthen its security capabilities.

Facilities Management maintains the University's buildings and grounds with a concern for security and safety. Campus facilities and grounds are inspected on a regular basis to ensure that repairs (for example, to broken windows and locks) are made in an expeditious manner. The Sacramento State Police Department also receives information from the campus community regarding damaged roadways, overgrowth of shrubbery, and other areas in need of repair. This information is forwarded to Facilities Management in a timely manner.

Lighting surveys are conducted twice annually so that improvements or repairs can be made to various locations on campus. Annually, all emergency "blue-light" telephones are checked by the Sacramento State Police Department and logged. A log is kept reflecting the date the phones were tested and repaired, if applicable.

The campus community is encouraged to report safety concerns, exterior lighting, or emergency telephone malfunctions to Facilities Management at 916-278-6242 or the Sacramento State Police Department at 916-278-6000 so repairs can be made promptly.

Systemwide Law Enforcement Policy, Law Enforcement Authority

Persons employed and compensated as members of a California State University police department, when so appointed and duly sworn, are peace officers. However, such peace officers shall not exercise their powers or authority⁸ except (a) at the headquarters or upon any campus of the California State University and in an area within one mile of the exterior boundaries of each campus or the headquarters, and in or about other grounds or properties owned, operated, controlled, or administered by the California State University, or by trustees or the state on behalf of the California State University, and (b) as provided in Section 830.2 of the Penal Code.

The arrest authority outside the jurisdiction of the CSU Police Department includes (Penal Code § 830.2(c); Penal Code § 836):

- a. When the officer has probable cause to believe the person committed a felony.
- b. When the officer has probable cause to believe the person has committed a misdemeanor in the presence of the officer and the officer reasonably believes there is immediate danger to person or property or of escape.
- c. When the officer has probable cause to believe the person has committed a misdemeanor for which an arrest is authorized even if not committed in the presence of the officer such as certain domestic violence offenses and there is immediate danger to person or property or of escape or the arrest is mandated by statute.
- d. When authorized by a cross jurisdictional agreement with the jurisdiction in which the arrest is made.
- e. In compliance with an arrest warrant.

On duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot or fresh pursuit, while following up on crimes committed within the State, or while assisting another agency.

⁸ Including the authority to make arrests

On duty officers who discover criminal activity outside the jurisdiction of the State should when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

California State University encourages accurate and prompt reporting of crime. All members of the Campus community are encouraged to promptly contact the UPD and/or other appropriate police agencies when they have been the victim of, or have witnessed criminal actions, including when the victim of crime elects to or is unable to make such a report.

Sacramento State Police Department Role and Authority

The University Police Department has statewide law enforcement authority to enforce federal and state laws under Penal Code §830.2, and primary concurrent jurisdiction within a mile of campus under the California Education code §89560.

The Sacramento State Police Department has the responsibility to provide police services to the Sacramento State campus and all properties owned, leased, or controlled by California State University, Sacramento. Sacramento State Police Officers are sworn State Peace Officers who are vested with full arrest authority in the State of California, pursuant to California Penal Code section §830.2(c) and Education Code section §89560. The Police Officers' arrest authority extends to any place within the State of California, and they maintain primary law enforcement jurisdiction for all crimes occurring on University properties. The primary jurisdiction of Sacramento State Police Officers is defined in California Education Code section §89560 as follows: (a) upon the campuses of the University and an area within one mile of the exterior boundaries of each thereof; (b) in or about other grounds or property owned, operated, controlled, or administered by the University; and (c) as provided in section §830.2(c) of the Penal Code.

The Sacramento State Police Department maintains a cooperative relationship with state, local, and surrounding law enforcement agencies. The Sacramento State Police Department shares concurrent law enforcement jurisdiction with federal, state, and local law enforcement agencies on all adjacent public streets and areas and in communities surrounding University properties. The Sacramento State Police Department cooperates fully and regularly communicates with its law enforcement partner agencies.

The Sacramento State Police Department maintains a memorandum of understanding with the City of Sacramento Police Department concerning jurisdiction and operational responsibility, consistent with Kristin Smart Campus Safety Act and Higher Education Opportunity Act requirements. The MOU clarifies that the Sacramento State Police Department is the primary law enforcement agency for all crimes occurring on Sacramento State main campus properties and outlines the Sacramento State Police Department's administrative, geographic, and operational responsibilities, including the investigation of alleged criminal offenses.

Security Awareness and Crime Prevention Programs

In an effort to promote safety awareness, the Sacramento State Police Department participates in a variety of programs and offers various brochures to educate and inform students, employees, and the community at-large on a variety of security issues, and campus security procedures and practices. A common theme of the University's security awareness programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others. Monitoring and Recording Crime Activity at Noncampus Locations of Student Organizations

Sacramento State Police Department does not formally record and monitor through local law enforcement agencies, all criminal activity by students at non-campus locations of student organizations officially recognized by the campus, including student organizations with non-campus housing facilities (e.g., fraternity and sorority houses); therefore, no policy exists.

The Sacramento State Police Department requests, on an annual basis, crime reports and statistics about crimes occurring at the non-campus location of student organizations from the local police department. The Sacramento State Police Department may also respond to crimes in progress at non-campus locations of student organizations, depending upon the nature of the crime and the proximity to the campus. Crime reports and statistics for these locations are maintained by the local police department; however, they are included in the Annual Security Report. When a local law enforcement agency notifies the Sacramento State Police Department of criminal conduct by a campus-affiliated group recognized by Sacramento State, University officers may gather information and refer the incident to Student Affairs for further investigation.

Possession, Use, Sale and Enforcement of Federal and State Alcohol and Drug laws

At Sacramento State, we recognize that the misuse and abuse of alcohol and other drugs is a threat to the mission of the University, and negatively impacts the health, safety, and welfare of our campus community. We believe that students, faculty, staff, and the larger community have a shared responsibility in educating one another about the potential negative health outcomes and legal consequences associated with alcohol and other drug use, allowing them to make thoughtful and informed choices regarding their use.

Except as expressly permitted by law or University regulations, the use, possession, manufacturing, and/or distribution of alcoholic beverages is prohibited while on campus or at a Sacramento State sponsored activity (including off-campus activities). The use, possession, manufacturing, and/or distribution of illicit drugs and drug-related paraphernalia and/or the misuse of legal pharmaceutical drugs, is prohibited. In compliance with the Drug-Free Schools and

Communities Act (DFSCA) and the Drug- Free Workplace Act, Cannabis (commonly referred to as “marijuana”) is considered an illicit drug. Public intoxication while on campus or at a University-related activity is prohibited. Public intoxication, also known legally as “drunk and disorderly,” occurs when a person is visibly drunk or under the influence of drugs in public. The [Alcohol Beverage and Drug Policy](#) applies to all students, staff, faculty, and visitors of the University.

All applicable laws and University regulations will be enforced by the Sacramento State Police Department. In addition to criminal prosecution, Sacramento State may impose sanctions on students, faculty, and staff found in violation of this policy. Students may receive educational and/or remedial sanctions, be placed on probation, suspended, or expelled from Sacramento State as a result of their actions. Additionally, students living in the residence halls may be removed from campus housing.

Faculty and staff may be counseled, issued a letter of reprimand, referred to and required to participate satisfactorily in an approved drug abuse assistance or rehabilitation program, suspended without pay, or terminated (UMD 03350).

University policy regarding alcohol and other drugs is consistent with all applicable Federal and California state laws, and county and city ordinances. The following are regulations on alcoholic beverage consumption and sale that are specific to Sacramento State:

- The consumption of alcoholic beverages by individuals 21 years of age and older is permitted on University premises, subject to the limitations contained in this policy and within enforcement provisions provided by state law, rules, and regulations;
- Consumption by and furnishing of alcoholic beverages to individuals 20 years of age and younger is not permitted, per California state drinking laws;
- Alcoholic beverages may not be sold or consumed in generally accessible open areas;
- Alcoholic beverages will not be sold or consumed at events which do not permit complete control in accordance with University policy, the Department of Alcoholic Beverage Control rules, and state laws;
- Alcoholic beverages sold in conjunction with any athletic event are governed by the [Sale of Alcohol at Intercollegiate Athletic Events](#) policy; and
- Alcohol may be sold and consumed in permanently licensed campus facilities and only as a part of University Enterprises, Inc. operations. University Enterprises, Inc. is responsible for establishing and administering procedures that comply with campus policy and rules set forth by the Department of Alcoholic Beverage Control. Other campus facilities may be licensed on a temporary basis for the sale and/or consumption of alcoholic beverages. University Enterprises, Inc. shall provide service for such events in a manner consistent with University policy and Department of Alcoholic Beverage Control regulations.

Under federal law, the manufacture, sale or distribution of all Schedule I and II illicit drugs (e.g., cocaine, methamphetamines, heroin, PCP, LSD, and all mixtures containing such substances) is a felony. A first offense incurs a prison sentence of five years to life (20 years to life if death or serious injury is involved), and fines of up to \$4 million for offenses by individuals (\$10 million for other than individuals). Federal law also prohibits trafficking in marijuana, hashish and mixtures containing such substances. A first offense for these offenses may incur a maximum penalty of five years to life (20 years to life if death or serious injury is involved) and fines up to \$4 million for offense by individuals (\$10 million for other than individuals). Penalties vary depending upon the quantity of drugs involved. A second offense in marijuana or related trafficking may result in penalties ranging from 10 years to life (not less than life if death or serious injury is involved), and fines up to \$8 million for individuals (\$20 million for other than

individuals). The trafficking of medically useful drugs (e.g., prescription and over the counter drugs) is illegal. A first offense may result in prison sentence up to five years, while a second offense may incur a prison sentence up to ten years.

A first offense for possession of illicit drugs may incur prison sentences up to one year and fines up to \$100,000. A second offense may incur prison sentences up to two years and fines up to \$250,000. Special sentencing provisions apply for possession of crack cocaine, including imprisonment of 5 to 20 years and fines up to \$250,000 for first offenses, depending upon the quantity possessed.

Sacramento State's protocol is to distribute information related to alcohol and drug misuse and abuse to students, faculty, and staff on an annual basis. This information is disseminated via email and includes information on the health effects of alcohol and other drugs, as well as University, State, and Federal policies. The notification may also be requested for print, distributed by mail, and/or included during orientation for all new students, faculty, and staff, as required by the DFSCA. A list of annual notifications can be found on the Student Affairs [Annual Notifications & Communications](#) webpage, where the notification is listed as the "**Alcohol and Drug Use Policy.**"

For the most current University alcohol beverage and drug policy, please visit:

<http://www.csus.edu/umanual/student/stu-0103.html>. The policy includes a full description of University, State, and Federal alcohol and drug policies (and related sanctions); facts about the risks and health impacts of alcohol/drug abuse; University and community resources; and other applicable University policies. Some campus departments have additional alcohol and/or drug policies that are tailored to their specialized needs (i.e. Athletics, Housing), and can be accessed on each individual department's webpage(s). For additional insight into how Sacramento State is adhering to the DFSCA, please refer to the "[2018-20 Biennial Review](#)."

Drug and Alcohol Abuse Education Programs

Sacramento State provides informative and engaging health education programs, events, and activities throughout the year in an effort to prevent drug and alcohol abuse and misuse. Along with the majority of campus programs returning back to campus, our in-person program returned in Spring of 2022. Examples of programming are included below.

Alternative Evening Programming: Sacramento State has a long history of offering alcohol and drug-free alternative programming for the campus community. Many events such as "Hornet Nights" and "Mingling Over Mocktails," are scheduled in the evenings, when alcohol and drug abuse and misuse are most likely to take place. Other event examples include monthly virtual trivia and Stress-Less events during high-stress times for students.

Health Education Workshops: In-person and virtual educational workshops are available for request through the Health and Wellness Promotion Department. Any faculty, staff, student club, and campus organization representative may request these workshops for their students, faculty, and/or staff. A current list of workshops is available [HERE](#).

Virtual Community Outreach: With the virtual platform, a lot of emphasis has been placed on providing education and outreach using social media. The Student Health & Counseling Service Instagram page (@shcssacstate) regularly features health education on substances and is used as a platform to hold discussion about substance topics (e.g., Instagram Live, Instagram Stories). Also, SHCS regularly hosts virtual and in-person events for our community to discuss and explore

intersectionality of health topics with substance use, including consent, healthy relationships, mental health, and nutrition.

Greek New Member & New Student Athlete Education: New Greek Life members and new Student Athletes are required to participate in an educational program addressing alcohol issues, including alcohol poisoning, driving under the influence, and sexual assault. This program also includes information regarding prescription drug abuse and identification.

Health Education Sanctioning: For minor substance infractions, specifically within Campus Housing and Athletics, students are sanctioned to a health education consult with the Wellness Promotion Department. Wellness Promotion is equipped to provide peer-to-peer consults for alcohol and/or cannabis, which are run by student interns known as Peer Health Educators (PHEs). Consults encourage students to consider laws and regulations related to use, be familiar with the impact substance use may have on their lives, and encourages them to make healthy decisions about use.

In addition to the programming listed above, a variety of other University departments and entities sponsor workshops and events related to alcohol and drug abuse and misuse prevention. These include:

- Sacramento State Police Department: 916-278-6000
- Associated Students, Incorporated: 916-278-6784
- Division of Student Affairs: 916-278-6060
- Office of Housing and Residential Life: 916-278-6655
- The WELL (Campus Recreation): 916-278-9355
- Student Health and Counseling Services: 916-278-6461
- Alcohol Advisory Council: 916-278-5422

Sexual Violence Prevention

The California State University (CSU) promotes a safe living, learning, and working environment through systemwide policies and through a variety of campus educational programs provided to students, faculty, and staff. The CSU prohibits dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, and provides programs to prevent, educate, and promote awareness of these topics, in accordance with the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation (“Nondiscrimination Policy”). These prohibited behaviors are also crimes as defined by 34 C.F.R. §668.46, and California criminal definitions.

The CSU provides comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to stop dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking before they occur through the promotion of behaviors that foster healthy relationships, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

The CSU’s prevention programs and initiatives are sustained over time and focus on increasing awareness and understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, using a range of strategies with audiences throughout the CSU community. This includes both

community-wide or audience-specific programming, initiatives, and strategies that increase audience knowledge and share information and resources to prevent violence, reduce perpetration, promote safety and a culture of respect.

Campus programs must include primary prevention and awareness training: (1) for all new Students⁹; and new Employees; (2) refresher programs at least annually for all Students; (3) twice a year for all Students who serve as advisors in residence halls; (4) annually for all Student members of fraternities and sororities; (5) annually for all Student athletes and coaches; and (6) annually for all Employees consistent with their role in responding to and reporting incidents. Ongoing prevention and awareness campaigns for all Students and Employees will also be conducted. The CSU system will provide online training for all Employees and each campus will provide online training for all Students. All training must be consistent with the applicable CSU policy and state and federal regulations.

Each campus must assess which student organizations participate in activities that may place Students at risk and ensure that they receive annual supplemental training focused on situations the group's members may encounter.

To ensure that all Students receive the necessary information and training enumerated above on dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, campuses should impose consequences such as registration holds on those Students who do not participate in and complete such mandatory training.

Training for Employees

Training will be mandatory for all employees within six months of their initial hiring, and on an annual basis thereafter. Such training will include, but not be limited to: what constitutes discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking under applicable law; the rights and responsibilities of each Employee relating to discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking including the duty to report and exceptions; the protection against retaliation for Employees who report discrimination, harassment, retaliation, sexual misconduct, dating and domestic violence, sexual exploitation and stalking; the procedures provided under the CSU Nondiscrimination Policy for filing, investigating and resolving a complaint; and the option and method for filing complaints with external government agencies such as the Department of Fair Employment and Housing (DFEH) and the Equal Employment Opportunity Commission (EEOC).

Under Cal. Govt. Code § 12950.1, each campus shall provide supervisory Employees at least two hours of interactive sexual harassment training within six months of the Employee's assignment to a supervisory position and every two years thereafter. Each campus shall maintain documentation of the delivery and completion of these trainings. For detailed guidance regarding the definition of "supervisor" and the implementation of this training, campuses shall consult Coded Memoranda HR 2005-35 and other applicable policies.

Information About Campus Reporting, Adjudication, and Discipline Procedures

Campus training programs will reference the procedures outlined in the CSU Nondiscrimination Policy that victims/survivors may follow if an incident of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking has occurred. Training programs will also reference information about preserving evidence, reporting to the appropriate authorities, confidentiality options, available protective and supportive measures.

Campuses apply the relevant CSU policy and procedures when responding to all reports of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking. Campuses shall establish processes to provide a print and/or digital copy of the "Rights and Options for Victims" as outlined in the CSU Nondiscrimination Policy to any community member who reports experiencing such harm, regardless of whether the incident occurred on or off campus.

Campus training programs regarding the procedures for reporting and addressing reports of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking will include the following:

- A statement explaining that the campus' primary concern is the safety of members of the campus community; that the use of alcohol or drugs never makes the victim/survivor at fault for sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking; that Students who experience or witness sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking should not be deterred from reporting incidents out of a concern that they might be disciplined for related violations of drug, alcohol, or other CSU policies; and that Students who experience or witness sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking shall not be subject to discipline for related violations of conduct policies at or near the time of the misconduct unless the violation is egregious (including actions that place the health or safety of any other person at risk or involves plagiarism, cheating, or academic dishonesty.)
- A statement that "CSU policy prohibits retaliation against a person who: reports sex discrimination, sexual harassment, sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking; assists someone with a report of such conduct; or participates in any manner in a related investigation or resolution.
 - Retaliation means that a substantial motivating reason for an Adverse Action taken against a person was because the person has or is believed to have:
 - Exercised their rights under this policy,
 - Reported or opposed conduct which was reasonably and in good faith believed to be in violation of this policy,
 - Assisted or participated in an investigation/proceeding under this policy, regardless of whether the Complaint was substantiated,
 - Assisted someone in reporting or opposing a violation of this policy or assisted someone in reporting or opposing Retaliation under this policy.
 - Adverse Action means an action engaged in by the Respondent that has a substantial and material adverse effect on the Complainant's ability to participate in a university program, activity, or employment. Minor or trivial actions or conduct not reasonably likely to do more than anger or upset a Complainant does not constitute an Adverse Action.
 - Retaliation may occur whether or not there is a power or authority differential between the individuals involved.
- What someone should do if they have experienced or witnessed sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.
- Individuals to whom incidents may be reported along with information regarding what degree of confidentiality may be maintained by those individuals.

- A description of campus and systemwide policies and disciplinary procedures available for addressing alleged violations and the consequences of violating these policies, including the fact that such proceedings shall:
 - Provide a prompt, fair, and impartial investigation and resolution; and,

- How the campus will protect the confidentiality of Complainants, including how publicly available recordkeeping (e.g., campus Clery reports) will be accomplished without the inclusion of identifying information about the Complainant to the extent permissible by law.
- That all students and employees must receive written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims/survivors, both on campus and in the community.¹⁰

¹⁰ California State University, Sacramento, complies with this requirement by providing this information to the campus community in writing each year through CSU Learn assignment.

- Procedures victims/survivors are recommended to follow if sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking has occurred, as well as the fact that the following written information must be provided to victims:

 - Where applicable, the rights of victims/survivors and the campus' responsibilities regarding orders of protection, no contact directives, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court.

Risk Reduction

The CSU provides community members with information and strategies for risk reduction designed to decrease perpetration, promote bystander intervention and healthy relationships, empower marginalized voices, and support victims/survivors. Information and strategies for risk reduction help promote safety and help individuals and communities address conditions that facilitate violence.

Sexual Misconduct/Sexual Assault

The CSU is committed to maintaining a safe campus for all members of the CSU community. Risk reduction strategies are focused on creating a culture of respect, reducing the risk for perpetration and for victimization. It is important to emphasize that only those who engage in sexual misconduct/sexual assault, dating violence, domestic violence, sexual exploitation, and stalking are responsible for those actions. With this in mind, the following tips provide some possible strategies to help promote a caring community and mitigate personal risk.

- Communication is key to healthy relationships and healthy sexual interactions. Obtain Affirmative Consent from your partner for all sexual activity.
 - Affirmative Consent means an informed, affirmative, conscious, voluntary, and mutual agreement to engage in sexual activity.
 - Engaging in any sexual activity without first obtaining Affirmative Consent to the specific activity is Sexual Misconduct, whether or not the conduct violates any civil or criminal law.
 - Affirmative Consent can be withdrawn or revoked at any time.
 - Affirmative Consent to sexual activity in the past does not mean consent in future – there must be voluntary consent for all sexual activity.
 - Lack of protest, resistance, or mere silence does not equal Affirmative Consent.
 - Sexual activity between a minor (a person younger than 18 years old) and a person who is at least 18 and two years older than the minor always constitutes Sexual Misconduct, even if there is Affirmative Consent to all sexual activity.

- Do not engage in sexual activity with someone who is incapacitated.
 - A person who is incapacitated by alcohol or drugs cannot give Affirmative Consent.
 - A person who is unconscious or asleep cannot give Affirmative Consent.
 - A person’s own intoxication or incapacitation does not diminish their responsibility to obtain Affirmative Consent from any person with whom they engage in sexual activity.
- Signs that someone does not respect the importance of consent:
 - They pressure or guilt you into doing things you may not want to do.
 - They suggest you “owe” them something (including sexual acts) because you’re dating or because they have done or claim to have done something for you.
 - They react negatively with sadness, anger, or resentment if you don’t consent to something or don’t do so immediately

Dating/Domestic Violence

Common signs of abusive behavior in a relationship

According to the National Domestic Violence Hotline, one feature shared by most abusive relationships is that an abusive partner tries to establish or gain power and control through many different methods, at different moments. Even one or two of the following behaviors is a red flag that a partner may be abusive.

- Showing extreme jealousy of friends or time spent away from a partner.
- Preventing or discouraging one’s partner from spending time with friends, family members, or peers.
- Insulting, demeaning, or shaming a partner, especially in front of other people.
- Preventing one’s partner from making their own decisions about working or attending school.
- Controlling finances in the household without discussion, including taking a partner’s money or refusing to provide money for necessary expenses.
- Pressuring one’s partner to have sex or perform sexual acts they are not comfortable with.
- Pressuring a partner to use drugs or alcohol.
- Threatening to harm or take away a partner’s children or pets.
- Intimidating one’s partner with weapons
- Destroying a partner’s belongings or home

If you notice warning signs in your relationship or that of someone you care about, remember there are support resources available on your campus, including individuals with whom you can speak confidentially and who can assist you with making a safety plan. A good starting place for a list of resources is your campus Title IX webpage. You can also contact the National Domestic Violence Hotline at 1.800.799.SAFE (7233), which is free and confidential.

Abusive behaviors can be difficult to recognize in a relationship, even if you are the one engaging in them. In addition to some of the common signs of abusive behavior outlined above, ask yourself if your partner:

- Seems nervous around you,
- Seems afraid of you,
- Flinches, cringes, or retreats when you are emotional,
- Seems scared, or unable to contradict you or speak up around you, and/or
- Restricts their own interactions with friends, family, coworkers, or others in order to avoid upsetting you

If you recognize the behaviors above in yourself, or in how your partner reacts, these could be signs that you are hurting them. This can be a difficult realization to come to but it's vital that you do so if you want to change and stop harming your partner. By acknowledging that your actions are harmful and taking responsibility for them, you can continue to progress on the path toward correcting them.

You could consider contacting the psychological counseling center on your campus to speak with a counselor confidentially, or you could contact the National Domestic Violence Hotline at 1.800.799.SAFE (7233), which is free and confidential.

Stalking

Respecting boundaries

If someone tells you that they do not want you to contact them or do something like visit their home or send them gifts, or if they have stopped interacting with you, respect their choice. Everyone has the right to set boundaries.

Recognizing stalking behaviors

A person who engages in stalking may:

- Repeatedly call or send other unwanted communication such as text messages, emails, social media messages, letters, etc.
- Follow the person and seem to “show up” wherever they are.
- Send unwanted gifts.
- Damage home, car, or other property.
- Monitor phone calls or computer use.
- Drive or linger near the home, school, or work of the person they are stalking.
- Use other people to try and communicate with the person they are stalking, like children, family, or friends.

[Source: [Victim Connect Resource Center](#)]

Below are some tips from the Stalking Prevention Awareness and Resource Center (SPARC) regarding steps one can take if they are experiencing stalking

- Trust your instincts – if you/someone feels they are in immediate danger or fear a threat of harm, call 911

- Keep a record or log of each contact with the stalker
- Save evidence when possible, such as emails, text messages, postings on social media, etc.

Know that there are support resources available on each CSU campus, including individuals with whom individuals can speak confidentially and who can assist in making a safety plan and/or seeking a protective order. A good starting place for a list of resources is your campus Title IX webpage.

Bystander Intervention

The California State University and the campuses provide training on safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene. Information about bystander intervention is included in a variety of prevention, outreach, and awareness programs across the CSU.

This training encourages employees and students to:

- Notice the Event
- Interpret the Event as a Problem
- Assume Personal Responsibility
- Learn How to Help
- And Step Up by utilizing the “4 Ds” – Direct, Distract, Delegate, and Delay
 - Direct – Directly addressing the situation.
 - Distract – Making a simple (or elaborate) distraction to diffuse the situation.
 - Delegate – Finding someone else to address the concern.
 - Delay – Checking in with the person after to see if you can do anything to support them.

Sacramento State includes this information about bystander intervention in a variety of prevention, outreach, and awareness programs. Sacramento State also offers an in-depth training focused entirely on this subject, Hornets Help.

Hornets Help: The “Hornets Help” training addresses bystander interventions as described above. The training is based on the nationally recognized “Step Up!” program and walks campus community members through in-depth hypothetical scenarios designed to increase their ability to effectively apply “direct, divert, and delegate” strategies. *Offered by:* Student Org & Leadership, Housing & Residential Life, Student Health & Counseling Services, and Women’s Resource Center.

Ongoing Prevention and Awareness Campaigns

Sacramento State also provides programming, initiatives, and strategies that are sustained over time and focus on increasing understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual assault, and stalking, using a range of strategies with audiences throughout the institution.

Outreach Events: Special events are conducted throughout Sacramento State at different times of the year on an ongoing basis to educate students on health and safety strategies and resources.

Consent (Affirmative Consent) training, Healthy Relationships Faire, Dating and Domestic Violence Month programming, Sex Week, and various other presentations on dating violence, domestic violence, sexual assault, and stalking. Presentations on these topics are provided to the campus community and/or varying student and employee groups each year as well as upon request by student organizations, staff/academic departments, and auxiliaries.

Supplemental Programming for Specific Groups: The campus provides regular, targeted in-person or virtual training to specific student and employee groups with on-point hypotheticals relating to dating violence, domestic violence, sexual assault, and stalking as well as tips for responding to disclosures. Targeted trainings include annual training for, but not limited to, Housing & Residential Life employees/student employees and residents, new member training for fraternities and sororities, and annual training for athletes. Offered by: The Office for Equal Opportunity in collaboration with Housing & Residential Life, Athletics, and Student Organizations and Leadership.

Primary Prevention Programs

As noted above, Sacramento State provides programming, initiatives, and strategies informed by research or assessed for value, effectiveness, or outcome that are intended to stop dating violence, domestic violence, sexual assault, and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

Regardless of whether a victim/survivor decides to maintain confidentiality, these individuals will still assist victims/survivors in receiving other necessary protection and support, such as victim advocacy, medical, mental health services, and/or legal services. However, these individuals may have limited ability to assist a victim/survivor with university academic support or accommodations, or changes to university-based living or working schedules, as such accommodations likely require the involvement of other University officials.

Reporting Options

Reporting to University Administration

Complaints of discrimination, harassment, sexual misconduct and sexual assault, dating and domestic violence, sexual exploitation, and stalking may be addressed through the University administrative process¹¹. A complainant or reporting party can report an incident to the University by contacting the Title IX Coordinator on their campus. A complainant has the right to have a support person present with them while making a complaint.

The University will protect the privacy of everyone involved in a report to the greatest degree possible under applicable law and University policy. Personally identifiable information about the involved parties will be shared only on a need-to-know basis, e.g., to those who are investigating/adjudicating the report or those involved in providing support services. By only sharing personally identifiable information with individuals on a need-to-know basis, the University will maintain as confidential any supportive measures and remedies provided to the parties, to the extent that maintaining such confidentiality would not impair the ability of the University to provide supportive measures and remedies.

The CSU does not publish the name of victims/survivors or other identifiable information regarding victims/survivors in the Daily Crime Log or in the crime statistics that are disclosed in the *Annual Security or Fire Safety Reports*. Furthermore, if a Timely Warning is issued on the basis of a report of sexual assault, dating violence, domestic violence, sexual exploitation, or stalking, the name of and other personally identifiable information about the victim/survivor will be withheld.

The importance of preserving evidence

Victims/survivors are encouraged to preserve all physical evidence, including but not limited to: clothing worn during the assault, bed sheets, and/or photos of any injuries. This evidence may be helpful in proving that a crime occurred, in the event the victim/survivor chooses to report now or in the future. It may also be helpful in obtaining a court-ordered protective or restraining order. If a victim/survivor does not have any evidence preserved, they still have an option to report the crime and request a medical evidentiary examination.

Victims/survivors of sexual misconduct, sexual assault, sexual exploitation, stalking, dating violence and domestic violence are also encouraged to preserve evidence by saving text messages, instant messages, social networking pages, other communications, pictures, logs or other copies of documents that may be useful to University investigators or police should the victim/survivor decide to report now or in the future.

¹¹ See page #45

Reporting to law enforcement and making a criminal report

Some forms of misconduct prohibited under the Nondiscrimination Policy may also be prohibited by law. You have a right to be informed of law enforcement options and information regarding the availability of a criminal or civil prosecution for victims of crime.

It is a victim's/survivor's choice to report a crime. You have the right to report or decline to report an incident to law enforcement. You have the right to not be forced, coerced, or pressured into reporting to law enforcement.

A victim/survivor may report an incident to law enforcement at any time. In the event of an emergency where immediate assistance is required, a victim/survivor should dial 9-1-1 to be connected with the nearest police department. If there is no emergency, victims/survivors can file a police report at any time in the jurisdiction where the assault occurred. A confidential victim advocate can assist the victim/survivor in filing the report if requested.

Victims/survivors of crimes such as sexual assault, sexual exploitation, stalking, dating violence, domestic violence, abuse, threats of abuse and/or serious harassment all have a right to petition the court in the appropriate jurisdiction for a protective order (also referred to as a restraining order).

Your Campus Advocate, University Police Department and Title IX Coordinator are all able to provide you with more information about pursuing criminal prosecution, civil prosecution and/or protective orders.

A victim/survivor of specific offenses [enumerated in California Government Code section California Government Code [7923.615\(b\)\(1\)](#)] has the right to request to be listed as a confidential victim in a law enforcement agency's report. Being listed as a confidential victim in a law enforcement agency's report prevents the law enforcement agency from disclosing the confidential victim's name and address as a matter of public record. However, the confidential victim's information can be released to the prosecutor, parole officers of the Department of Corrections and Rehabilitation, hearing officers of the parole authority, probation officers of county probation departments, or other persons or public agencies where authorized or required by law. Please see California Penal Code section 293 for more information.

Protective Orders

Civil reporting options & protective orders

A victim/survivor may choose to file a civil lawsuit against the alleged offender, whether or not criminal charges have been filed. A civil lawsuit provides an opportunity to recover actual money damages, which may include compensation for medical expenses, lost wages, pain, suffering and emotional distress. An Advocate can assist a victim/survivor with identifying the necessary steps and processes for filing a lawsuit if requested.

Court-Ordered Restraining Orders

A victim/survivor may choose to obtain a restraining order (such as a domestic violence restraining order or a civil harassment restraining order). Restraining orders must be obtained from a court in the jurisdiction where the incident occurred. Restraining orders can help protect a victim/survivor who has experienced or is reasonably in fear of physical violence, sexual violence, domestic violence, dating violence and stalking.

Emergency Protective Order (EPO)

An Emergency Protective Order (EPO) is a type of restraining order that only law enforcement can ask for by calling a judge. Typically, this is done by an officer responding to the scene of a domestic violence incident. Judges are available to issue EPOs 24 hours a day. The EPO takes effect immediately and can last up to seven calendar days. The judge can order the alleged abuser to leave the domicile and stay away from the victim and their children for up to a week. This provides the victim with time to go to court to request a temporary restraining order.

Temporary Domestic Violence Restraining Order (TRO)

A TRO is a type of protective order. In order to obtain one, the victim/survivor must fill out paperwork explaining the facts and why a protective order is needed. If a judge agrees that protection is needed, the judge will issue a temporary restraining order. Temporary restraining orders usually last until the court hearing date, typically 20 to 25 days after the petition is filed.

Criminal Protective Order (CPO)

When there is a claim that a domestic violence incident occurred, a criminal charge (or charges) may be filed by a prosecutor (such as the City Attorney or District Attorney) against the person who allegedly committed the criminal act. The prosecutor commonly asks a judge to issue a Criminal Protective Order while the criminal case proceeds. A CPO typically requires the defendant (the person who allegedly committed the criminal act) to stay away from and not to hurt, threaten, or communicate with the victim/accuser. If the defendant is convicted of or pleads guilty to the criminal charge(s), the CPO may last for up to ten years after the case is over.

Civil Harassment Restraining Order

This type of court order is available to individuals who have been harassed by any of the following: a neighbor, roommate (as long as no dating/romantic relationship existed or exists), friend, family member more than two degrees removed (e.g., an aunt/uncle, niece/nephew, cousin, or more distant relative), stranger, or another person not closely related to the victim of the harassment.

An individual who has been civilly harassed by a current or former spouse/partner, or someone with whom a dating/romantic relationship existed, or a close relative (parent, child, brother, sister, grandmother, grandfather, in-law) may qualify for a domestic violence restraining order but would not qualify for a civil harassment restraining order.

The CSU, Restraining Orders and Protective Orders

The CSU complies with California law in recognizing restraining orders and protective orders. If you obtain a restraining order a copy should be provided to your campus Police Department. In order to comply with the restraining order, Title IX Coordinators, DHR Administrators, Advocates and/or the University Police Department on your campus may assist with setting up escorts, establishing special parking arrangements, changing classroom or employment locations, or additional measures as needed. Victim/Survivor Advocates on your campus can offer assistance with obtaining a restraining order.

Disciplinary Procedures

Disciplinary procedures for sexual misconduct/sexual assault, sexual exploitation, dating and domestic violence, and stalking will provide a prompt, fair, and impartial process and resolution, outlined in the following excerpts from the [CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation \("the Policy"\)](#). As required by law, the excerpts in this Annual Security Report capture the steps, decisionmakers, and anticipated timelines for both formal and informal resolution processes, as applicable. Complaints against a Chancellor's Office employee, or a campus Title IX Coordinator/ Discrimination, Harassment, and Retaliation Administrator ("DHR Administrator") will be made to the Chancellor's Office at eo-wbappeals@calstate.edu.¹²

The campus will respond in a timely and appropriate manner to all Complaints and will take appropriate action to prevent continuation of and correct Policy violations.

After receiving a report, the Title IX Coordinator will assess the report and provide outreach to the possible Complainant named in the report. This outreach will include the following:

- a. A statement that the campus has received a report of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, or Retaliation.
- b. A description of the role of the Title IX Coordinator/DHR Administrator.
- c. Information regarding counseling and other support resources.
- d. A statement regarding the importance of preserving evidence.
- e. A statement that the Complainant may, but is not required to, report to law enforcement any allegations that could constitute criminal behavior.
- f. A request for the Complainant to meet with the Title IX Coordinator/DHR Administrator, or other designated employee, to discuss the Complainant's options and next steps.
- g. A statement that the Complainant can be accompanied by an Advisor of their choice during any meeting relating to the report and any subsequent Complaint process.
- h. Information regarding potential Supportive Measures, where applicable.
- i. A brief summary of the investigation procedures.
- j. An explanation of how the campus responds to reports of Nondiscrimination Policy violations and a description of potential disciplinary consequences.
- k. A statement that retaliation for making a Complaint or participating in a Complaint process is prohibited by the Nondiscrimination Policy.

Along with the information provided in the outreach communication, the Title IX Coordinator will provide Complainants alleging Sexual Misconduct, Sexual Exploitation Dating Violence, Domestic Violence or Stalking, with the information in Attachment D - Rights and Options for Victims of Sexual Misconduct/Sexual Assault, Sexual Exploitation, Dating And Domestic Violence, And Stalking. The Title IX Coordinator will describe and offer Supportive Measures to Complainants during the initial assessment (even if the Complaint is ultimately not investigated).

¹² Complaints against a President should be made to the Chancellor's Office, but only if it is alleged that the president directly engaged in conduct that violates the Policy. Any other Complaints against a president (for example, that the president had no substantial involvement other than to rely on or approve a recommendation made by another administrator) will be made to and addressed by the campus.

The Title IX Coordinator will make reasonable efforts to ensure that anyone involved in conducting investigations, finding facts, and making disciplinary decisions in a matter will be impartial, neutral, and free from actual Conflicts of Interest.

All persons involved in implementing these procedures (e.g., the campus Title IX Coordinator and any Deputy Title IX Coordinator(s), Investigators, Human Resource Directors and Hearing Officers presiding over hearings) shall have relevant annual training on issues related to Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking. Such annual training shall include the CSU complaint processes, as well as the handling, investigation, and analysis of complaints of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking. The annual training shall also address applicable confidentiality issues, especially with respect to the Title IX Coordinator's duty to weigh any victim's request for confidentiality against the duty to provide a safe and nondiscriminatory environment for all members of the campus community. For matters involving Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking, the training shall also include how to conduct an investigation and hearing process that protects the safety of the person(s) involved and promotes accountability.

The Complainant and Respondent may choose to be accompanied by an Advisor of their choice during meetings or any stage of the Complaint process. The Parties also have the right to consult with an attorney, at their own expense, or a union representative at any stage of the process if they wish to do so. An attorney or union representative may serve as a Party's chosen Advisor. The unavailability of a specific Advisor will not unduly interfere with prompt scheduling.

Applicable Procedures

The campus will investigate or otherwise respond to reports of alleged misconduct committed by a student in accordance with the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation Made Against a Student ("Student Respondent Procedures")¹³ if the alleged misconduct violates the Policy and:

- occurred on campus; or
- involved or impacted a campus program or activity (including campus employment); or
- affected a student's or Employee's ability to participate in a program, activity, or employment; AND
- The alleged misconduct was committed by a person who at the time of the alleged misconduct was a student.

The campus will investigate or otherwise respond to reports of alleged misconduct committed by an Employee or Third-Party in accordance with the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence,

¹³ A Complaint against a Student-Employee where the alleged conduct arose out of the Respondent's status as an Employee and not their status as a student, should be made using the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation Made Against an Employee or Third-Party.

Stalking, and Retaliation Made Against an Employee or Third-Party (“Employee or Third-Party Respondent Procedures”) if the alleged misconduct violates the Policy and:

- occurred on campus; or
- involved or impacted a campus program or activity (including campus employment); or
- affected a student's or Employee's ability to participate in a program, activity, or employment; AND
- The alleged misconduct was committed against a person who at the time of the alleged misconduct was a student, or the alleged misconduct was committed by or against an Employee.

Depending on the circumstances, the campus response may or may not include a formal investigation. When a Complainant requests that no investigation occur, the Title IX Coordinator will balance the request against the campus' duty to provide a safe and nondiscriminatory environment for all members of the campus community.

The Track System

There are three possible sets of procedures ("tracks") for formal resolution of Complaints against a Student (Track 1, Track 2, Track 3) as required by federal and state law. There are two sets of procedures ("Tracks") for formal resolution of Complaints against an Employee or a Third-Party (Track 1 or Track 3) as required by federal and state law. The remaining track, track 2: State Mandated Hearing Process, is not applicable to Complaints against Employees or Third-Parties, as it applies only to certain Complaints against Students. Which procedure applies to any given Complaint will depend on a variety of factors described below. Questions about which procedures apply to any specific case should be directed to the campus Title IX Coordinator and/or the Discrimination, Harassment, and Retaliation Administrator ("DHR Administrator").

Prior to a Notice of Investigation being sent to the Complainant and the Respondent, the Title IX Coordinator/DHR Administrator will determine which Track applies.

- Track 1 applies when the alleged conduct:
 - Meets the definition of Sexual Harassment as defined in Article VII.C of the Policy; and
 - Occurred in the United States; and
 - Occurred in an education program or activity at the university, as defined in Track 1
- Track 2 applies when:
 - The Complaint is against a student; and
 - The Complaint is one of Sexual Misconduct, Dating Violence, or Domestic Violence; and
 - The credibility of one (or both) of the Complainant and the Respondent ("the Parties"), or any witness is central to the determination as to whether the student violated the policy; and
 - The student is facing a severe disciplinary sanction (expulsion or suspension) if found to be in violation of university Policy.
- Track 3 applies to all other Complaints under these procedures that allege a Policy violation.

Under Track 1 or 2, the campus will conduct an investigation, and the Complaint will proceed to a hearing unless otherwise resolved. An Investigator will first interview the Complainant, the Respondent, and any witnesses, and gather any documentary evidence. The hearing will occur once an investigation has finished. During the hearing, a hearing officer listens to the witnesses, including the Complainant and the Respondent, and analyzes the evidence, before deciding whether or not the Respondent violated the Policy.

Under Track 3, an Investigator interviews the Complainant, the Respondent, and any witnesses, gathers any documentary evidence, analyzes the evidence, and decides whether or not the Respondent violated the Policy. There is no hearing in Track 3 cases.

Standard of Evidence

The Preponderance of the Evidence based on the facts available at the time of the decision is the standard for demonstrating facts and reaching conclusions in an investigation and hearing that uses the Procedures. Preponderance of the Evidence means the greater weight of the evidence; i.e., that the evidence on one side outweighs, preponderates over, or is more than, the evidence on the other side.

Dismissal/Referral

When the Title IX Coordinator receives a Formal Complaint under Track 1, or where new information or events arise under this Track, the Title IX Coordinator will assess whether the Formal Complaint meets the requirements of the Federal Regulations to move forward under the process under Track 1. A determination that allegations in a Formal Complaint do not meet the requirements of the Federal Regulations will result in a mandatory dismissal of the allegations in the Formal Complaint that do not meet the requirements and, in some cases, a referral of the allegations to another process as the campus may have an obligation to address the matter under other laws and policies. The Title IX Coordinator will determine whether allegations in a Formal Complaint must be dismissed for purposes of the Federal Regulations. If a Formal Complaint is dismissed it may still be referred, if appropriate, to be addressed under the processes in Track 2 or Track 3, CSU Executive Order 1098, or other applicable policies.

At any time after a Complaint has been accepted for investigation, it is within the discretion of the Title IX Coordinator/DHR Administrator to dismiss a Complaint, or any part of a Complaint, if the Complainant notifies the Title IX Coordinator/DHR Administrator in writing that they would like to withdraw the Complaint or any part of it, or if the specific circumstances prevent the campus from gathering evidence necessary to reach a determination as to the Complaint or part of the Complaint.¹⁴

Written notice of dismissal (mandatory or discretionary) and reason(s) for the dismissal will be sent simultaneously to the Parties when a Title IX Coordinator dismisses any Complaint. The notice will inform the Parties of their right to appeal the dismissal, whether the matter will be referred to another process, and the process for submitting an appeal.

Either Party may appeal from a dismissal of a Complaint or any part of the Complaint. The appeal must be filed within 10 Working Days from the date of the notice of dismissal.

¹⁴ Formal complaints under track 1 may be discretionarily dismissed for the additional reason that the Respondent is no longer a student or Employee.

Appeals against a dismissal under Track 1 will be filed with the Chancellor's Office (CO) and will be addressed to:

Systemwide Title IX Unit
Systemwide Human Resources
Office of the Chancellor
TIX-Dismissal-Appeals@calstate.edu

Appeals against a dismissal under Track 2 or Track 3 will be submitted to the Chancellor's Office and will be addressed to:

Equal Opportunity and Whistleblower Compliance Unit
Systemwide Human Resources
Office of the Chancellor
401 Golden Shore
Long Beach, California 90802
eo-wbappeals@calstate.edu

If a Party is unable to file an appeal or a response to an appeal electronically, they should contact the campus Title IX Office for assistance. When an appeal is submitted, the other Party as well as the campus Title IX Coordinator will be notified in writing. In response to the appeal, the other Party will be given 5 Working Days from their receipt of notice of the appeal to submit a written statement in support of or challenging the dismissal. Within 10 Working Days of the CO's receipt of the appeal, the Parties will simultaneously receive (via email) a written decision with explanation.

Informal resolution

The CSU recognizes some Parties may desire resolution of their matter through an Informal Resolution process ("Informal Resolution"), instead of through the formal resolution process (described below). Accordingly, Parties may mutually agree, with the agreement of the Title IX Coordinator, to resolve a Complaint through an Informal Resolution process, instead of undergoing the formal resolution process¹⁵. The Informal Resolution process is entirely voluntary and will not occur unless both Parties agree in writing to participate in an Informal Resolution process.

The Title IX Coordinator/DHR Administrator will oversee the Informal Resolution process, conduct an initial and on-going assessment as to whether the Informal Resolution process should continue, and make the final determination on all Informal Resolutions facilitated by the Title IX Coordinator or designee regarding whether the terms agreed to by the Parties are appropriate in light of all of the circumstances of the Complaint. In some circumstances, depending on the nature and/or severity of the allegations, an Informal Resolution may not be appropriate, and the Title IX Coordinator/DHR Administrator will not approve an Informal Resolution. Prior to approving an Informal Resolution, the Title IX Coordinator/DHR Administrator will consult with the appropriate administrator in human resources or faculty affairs¹⁶.

¹⁵ Track 1, a Formal Complaint must be filed before the informal resolution process may take place and that under Track 1, informal resolution cannot be used to resolve allegations that an employee sexually harassed a student.

¹⁶ For matters involving students, this consultation will be with the student conduct administrator.

Prior to engaging in an informal resolution process, the campus will obtain the Parties' voluntary, written consent. Parties who choose to participate in the voluntary Informal Resolution process will be sent a notice of agreement to engage in Informal Resolution. The notice will include the following:

- An explanation that at any time prior to agreeing to a resolution, any Party has the right to withdraw from the Informal Resolution process and resume the investigation process.
- The Parties' right to consult with an Advisor.
- Any resolution must be in writing and signed by both Parties and the Title IX Coordinator/DHR Administrator.
- Once the Informal Resolution process is finalized, neither Party is permitted to file another Complaint arising from the same allegations.

The Informal Resolution process may take place at any time before a determination of responsibility is made, but no later than 60 Working Days after both Parties provide voluntary, written consent to participate in the Informal Resolution process

Any agreed-upon Remedies and disciplinary sanctions agreed to in an Informal Resolution have the same effect as Remedies given and sanctions imposed following an investigation (and/or hearing), consistent with any applicable collective bargaining agreements.

The terms of any Informal Resolution must be put in writing and signed by the Parties, and the Title IX Coordinator. The resolution will be final and not appealable by either Party.

Investigation and Hearing for Track 1

Supportive Measures

After receiving a report of Sexual Harassment, the Title IX Coordinator will contact the Complainant promptly to discuss the availability of Supportive Measures. The Title IX Coordinator will conduct an intake meeting with any Complainant who responds to outreach communication, or otherwise makes a report of a potential Policy violation to discuss the Complainant's options, explain the process, and provide information about Supportive Measures. During the discussion, the Title IX Coordinator will consider the Complainant's wishes with respect to Supportive Measures, inform the Complainant of the availability of Supportive Measures with or without the filing of a Formal Complaint¹⁷, and explain the process for filing a Formal Complaint.

Notice of Allegations

When the Title IX Coordinator receives a Formal Complaint, the Title IX Coordinator will Simultaneously provide both Parties a written notice of allegations. If new allegations are raised during the investigation that were not included in the notice of allegations, a revised notice of allegations will be issued Simultaneously to the Parties. If the notice of allegations also serves as notice of a Respondent's expected attendance at an interview, it will include details of the date, time, location, participants, and purpose of that interview. The notice of allegations must be

¹⁷ Formal Complaint means a document or electronic submission filed by a Complainant that contains the Complainant's physical or digital signature or a document signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting an investigation of the allegation of Sexual Harassment. At the time that the Formal Complaint is filed, a Complainant must be participating in or attempting to participate in an Education Program or Activity of the CSU.

provided to a Respondent at least 5 Working Days prior to the interview. If a Respondent requests to meet sooner than 5 Working Days after receipt of the notice of allegations, they should verbally confirm at the start of the meeting that they are aware that they were provided notice of at least 5 Working Days and this confirmation should be documented by the Title IX Coordinator or Investigator.

Investigation of a Formal Complaint

The Title IX Coordinator will either promptly investigate the Formal Complaint or assign this task to another Investigator. If assigned to another Investigator, the Title IX Coordinator will monitor, supervise, and oversee all such delegated tasks, including reviewing all investigation draft reports before they are final to ensure that the investigation is sufficient, appropriate, impartial, and in compliance with Track 1.

The investigator will take reasonable steps to gather all relevant evidence from the Parties, other witnesses, or other sources. The investigator will document the steps taken to gather evidence, even when those efforts are not successful.

The Complainant and the Respondent may each elect to be accompanied by an Advisor to any meeting, interview, or proceeding regarding the allegations that are the subject of a Formal Complaint. The advisor may be anyone, including a union representative from the Complainant's or Respondent's collective bargaining unit, an attorney, or, in the case of the Complainant, a Sexual Assault Victim's Advocate.

Parties will be provided written notice of the date, time, location, names of participants, and purpose of all meetings and investigative interviews at which their participation is expected. This written notice should be provided with at least 3 Working Days for the Party to prepare to participate in the meeting or interview. This requirement will not apply where a Party themselves requests to meet with the Title IX Coordinator or Investigator or as addressed in Article VI of Track 1.

If a Party requests to meet with the Title IX Coordinator sooner than 3 Working Days after receipt of written notice of an investigative interview or meeting, they should verbally confirm at the start of the interview or meeting that they are aware that they were provided notice of at least 3 Working Days and this confirmation should be documented by the Title IX Coordinator or Investigator.

Review of Evidence

Before issuing a final investigation report, the investigator will send to the Complainant and Respondent, and their respective advisors, if any, all evidence (including evidence upon which the campus does not intend to rely) obtained as part of the investigation that is Directly Related to the allegations raised in the Formal Complaint (preliminary investigation report).

Each Party will be given a minimum of 10 Working Days for the initial review of evidence to respond to the list of disputed facts and evidence and submit additional questions for the other Party and witnesses. This timeframe may be extended at the discretion of the Title IX Coordinator (either on their own or in response to a Party's request). The extension must be made available to both Parties, who must be notified as such. During the review of evidence, each Party may:

- Meet again with the investigator to further discuss the allegations.
- Identify additional disputed facts.
- Respond to the evidence in writing.
- Request that the investigator ask additional specific questions to the other Party and other witnesses.
- Identify additional relevant witnesses.
- Request that the investigator gather additional evidence.

The investigator will share with the Parties the answers to questions posed during the review of evidence. If additional disputed material facts are identified or evidence is gathered, it will be included in the preliminary investigation report (or in a separate addendum) and shared with all Parties, who will be given a reasonable opportunity to respond to the new evidence and submit additional questions to the other Party and other witnesses about the new evidence only. The investigator determines when it is appropriate to conclude the review of evidence.

Final Investigation Report

After the review of evidence phase is concluded, the Parties will receive a final investigation report that will summarize all Relevant evidence (inculpatory and exculpatory), including additional Relevant evidence received during the review of evidence. Any Relevant documentary or other tangible evidence provided by the Parties or witnesses, or otherwise gathered by the Investigator will be attached to the final investigation report as exhibits. The final investigation report shall be sent to the Parties and their respective advisors, if any, in electronic format (which may include use of a file sharing platform that restricts the Parties and any Advisors from downloading or copying the evidence) or hard copy. The Parties and their advisors will be provided 10 Working Days to review and provide a written response to the final investigation report.

Timeframe

Absent a determination of good cause made by the investigator or Title IX Coordinator (of which the Parties will receive written notice): (i) the investigation should be concluded within 100 Working Days from the date that the notice of allegations is provided to the Parties; and (ii) the final investigation report should be completed and provided to the Parties within 10 Working Days after the review of evidence has concluded. Extensions may be granted for good cause as determined by the Title IX Coordinator. The Parties will receive written notice from the Title IX Coordinator or designee if an extension is necessary and why. The notice will indicate if the extension alters the timeframes for the major stages of the Formal Complaint process.

Within 10 Working Days after the Parties have been provided the final investigation report, the Parties will be informed of the timelines that will apply to the pre-hearing and hearing processes described below. The Parties will be required to provide the name and contact information for their hearing advisor within 5 Working Days after notice of the hearing timeline.

Track 1 Hearing

The Parties will be given written notice of the date, time, location, participants, and purpose of the hearing, as well as the identity of the hearing officer. Notification of the hearing will be sent to the

designated CSU campus email address, unless the recipient has specifically requested in writing to the hearing coordinator that notice be given to a different email address. Communications from the hearing coordinator will be deemed received on the date sent. The hearing will not be set sooner than 20 Working Days after the date of notice of hearing. Any objections to an appointed hearing officer must be made in writing to the hearing Coordinator within 5 Working Days after notice of the identity of the hearing officer has been communicated to the Parties.

No later than 15 Working Days before the hearing, each Party may provide to the hearing coordinator a proposed witness list that includes the names of, and current contact information for, that Party's proposed witnesses as well as an explanation of the relevance of each proposed witness's testimony and the disputed issue to which the witness's testimony relates. The hearing officer may also identify witnesses from the final investigation report.

No later than 10 Working Days before the hearing, the hearing coordinator will share a final witness list with the Parties, and notify each witness of the date, time, and location of the hearing. Witnesses will be directed to attend the hearing and to promptly direct any questions or concerns about their attendance at the hearing to the hearing coordinator.

No later than 5 Working Days prior to the hearing, the Parties may submit a list of proposed questions to the hearing coordinator. The questions will be provided to the hearing officer. Parties are strongly encouraged to provide questions in advance of the hearing in order to streamline the hearing process and provide the hearing officer an opportunity to resolve relevancy concerns prior to the hearing. The proposed questions will not be shared with the other Party.

The hearing will begin with an overview of the hearing process given by the hearing officer, after which the Parties will be given an opportunity to ask questions about the hearing process. Each Party will be given an opportunity to make an opening statement that may not last longer than 10 minutes. Only the Parties themselves will be permitted to make opening statements. The hearing advisor and any advisor are not permitted to make the opening statement. The advisor may not speak during the hearing. Closing arguments will not be made.

Generally, the hearing officer will start the questioning of witnesses and Parties. The Investigator or the Title IX Coordinator (if not the Investigator) will be the first witness and will describe the Formal Complaint, investigation process, and summarize the evidence. Hearing advisors will be permitted to ask Relevant questions once the hearing officer has concluded their questioning of the other Party and each witness. The hearing officer may ask questions of any Party or witness who participates in the hearing.

Determination and notification Regarding Responsibility Under Track 1

After the hearing, the hearing officer will make written findings of fact and conclusions about whether the Respondent violated the Policy with respect to the definition of Sexual Harassment¹⁸. The hearing coordinator will Simultaneously send the hearing officer's report promptly to the Parties, the Title IX Coordinator, and the appropriate campus administrator, usually within 15 Working Days of the close of the hearing.

¹⁸ See definition of Sexual Harassment in the [CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation](#)

If no violation of the Policy is found, the president (or designee) will be notified along with the Parties. The notification will include the outcome of the hearing, a copy of the hearing officer's report (redacted as appropriate or as otherwise required by law) and notice of the Complainant's and Respondent's right to appeal to the Chancellor's Office.

If a violation of the Policy is found, within 5 Working Days of receiving such finding the Parties may submit to the hearing coordinator an impact statement or other statement regarding discipline that is no more than 2000 words in length. The document is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the hearing officer to consider. The student conduct administrator and/or appropriate campus administrator responsible for discipline and Title IX Coordinator may also submit a written statement regarding aggravating and mitigating factors that provides a recommendation regarding the disciplinary outcome, including information regarding prior disciplinary outcomes for similar conduct and whether the Respondent was previously found to have violated university policy.

Within 5 Working Days after receiving and considering any impact or other statements submitted by the Parties and other statements described above, the hearing officer will submit the hearing officer's report to the president (or designee). The hearing officer's report will be amended to include a statement of, and rationale for, any recommended disciplinary sanctions to be imposed on the Respondent ("final hearing officer's report"). The final hearing officer's report will attach the final investigation report.

In cases where the hearing officer has found a violation of the Policy, the president (or designee) will review the final investigation report and the final hearing officer's report and issue a decision ("decision letter") concerning the appropriate sanction or discipline within 10 Working Days of receipt of the final hearing officer's report.

The president (or designee) will simultaneously send the decision letter electronically to the Respondent and Complainant at the campus-assigned or other primary email address linked to their campus accounts.¹⁹ The decision letter will include:

- The outcome of the hearing, including any sanction imposed, and the name of the Respondent(s).
- Information regarding the procedures and permissible bases for the Complainant and Respondent to appeal to the Chancellor's Office.
- If a finding of responsibility is made against the Respondent, a statement as to whether Remedies will be provided to the Complainant that are designed to restore or preserve equal access to the campus's education program or activity. The specifics of any such Remedies may be discussed separately between the Complainant and the Title IX Coordinator and need not be included in the decision letter.
- A copy of the final hearing officer's report will be attached to the decision letter, redacted as appropriate or as otherwise required by law.

The determination regarding responsibility and any sanctions become final either on the date that the Chancellor's Office provides the Parties with the written determination of the result of the

appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely (11 Working Days after the date of the decision letter).

Investigation and Hearing (if applicable) for Tracks 2 and 3

At the onset of the investigation, the Title IX Coordinator/DHR Administrator will simultaneously provide both Parties a notice of investigation.

In the notice of investigation, the Title IX Coordinator/DHR Administrator will schedule an initial meeting with the Respondent. At this meeting, the Title IX Coordinator/DHR Administrator will explain the allegations against the Respondent, as well as the investigation process, and the Respondent's rights during the process. The Title IX Coordinator/DHR Administrator will also explain that during the investigation, the Respondent and the Complainant will have the opportunity to present evidence, identify witnesses, and review evidence.

During the investigation, the Investigator will take reasonable steps to gather all relevant evidence from the Parties, other witnesses, or other sources. The Investigator will document the steps taken to gather evidence, even when those efforts are not successful. Before finalizing the investigation, the Investigator will share with the Complainant and Respondent a preliminary investigation report, along with all relevant evidence gathered. Each Party will be given a reasonable opportunity to respond to the preliminary investigation report and any attached evidence and ask questions.

In matters where a hearing is not required (Track 3 cases)²⁰, a final investigation report will be provided to the Parties along with a notice of investigation outcome. The final investigation report will include a summary of the allegations, the investigation process, the Preponderance of the Evidence standard, a detailed description of the evidence considered, analysis of the evidence including relevant credibility evaluations, and appropriate findings. Relevant exhibits and documents will be attached to the written report. The final investigation report will be attached to a notice of investigation outcome and include the following: a summary of the allegations and the investigative process, that the Preponderance of the Evidence standard was employed, a summary of the findings of fact, a determination as to whether the Nondiscrimination Policy was violated, and if so, any Remedies to be afforded to the Complainant, and notice of Parties' right to appeal under these procedures. The notice may be delivered to the Parties electronically. If the notice includes a determination that the Policy was violated, the Title IX Coordinator/DHR Administrator will notify the campus student conduct administrator (where the Respondent is a student)/appropriate campus administrator (where the Respondent is an employee) of the investigation outcome and provide a copy of the final investigation report.

The Title IX Coordinator/DHR Administrator or designee will send the Final Investigation Report to the Parties within 100 Working Days from the date that the Notice of Investigation is provided to the Parties. Extensions may be granted for good cause as determined by the Title IX

²⁰ Under Track 2, the process will proceed to a hearing, as outlined below, and the final investigation report will include all of the information included in the preliminary investigation report as well as additional relevant evidence received during the review of evidence. Any relevant evidence provided by the Parties or witnesses, or otherwise gathered by the Investigator, will be attached to the final investigation report, or made available for review by the Parties. Evidence offered by the Parties or any other witnesses that the Investigator concluded is not relevant will be noted but not included in the final investigation report and should be available at the time of the hearing such that it can be provided to the hearing officer if requested.

Coordinator/DHR Administrator. The Parties will receive written notice from the Title IX Coordinator/DHR Administrator or designee if an extension is necessary and why. The notice will indicate if the extension alters the timeframes for the major stages of the Complaint process.

Any communications relating to the outcome of an investigation or hearing, including any changes to the outcome or when the outcome becomes final, will be provided in writing simultaneously to the Complainant and the Respondent.

Track 2 Hearing process

As stated above in the explanation of Track 2, a hearing will be required (unless the case is resolved by way of Informal Resolution). Below are the steps, decision-makers, and anticipated timelines for a Track 2 hearing process that commences after the issuance of the final Investigative report.

Prior to a hearing:

Parties will be given written notice of the date, time, location, and purpose of the hearing as well as the identity of the hearing officer. The Parties will be sent a notice of the hearing at least 20 Working Days before the hearing. Objections to an appointed hearing officer will be made in writing to the hearing coordinator no later than 5 Working Days after notice of hearing has been sent to the Parties.

No later than 15 Working Days before the hearing, each Party will provide to the hearing coordinator a proposed witness list that includes the names of, and current contact information for, that Party's proposed witnesses as well as an explanation of the relevance of each proposed witness' testimony. The hearing officer may also identify witnesses from the Final Investigation Report.

Where there is more than one Respondent or Complainant in connection with a single occurrence or related multiple occurrences, the hearing officer and the Parties may agree to a single hearing. A Party may request consolidation with other cases, or the Title IX Coordinator, may initiate the consolidation (subject to FERPA and other applicable privacy laws). Request for consolidation will be made no later than 15 Working Days before the hearing. The hearing officer makes consolidation decisions.

Parties must provide the name of, and contact information for, the Party's Advisor and Support Person (if any) to the hearing coordinator 15 Working Days before the hearing.

No later than 10 Working Days before the hearing, the hearing coordinator will share a final witness list with the Parties, and notify each witness of the date, time, and location of the hearing. Witnesses will be instructed to attend the hearing and to promptly direct any questions or concerns about their attendance at the hearing to the hearing coordinator. No later than 5 Working Days before the hearing, the Parties will submit to the hearing coordinator any objections to, or questions about, the witness list.

At the hearing:

Each Party will be given an opportunity to make an opening statement that will last no longer than 10 minutes. The Parties will not make closing statements. An opening statement is intended to give the Parties the opportunity to share their perspective regarding the facts and discuss the core disputes in the investigation. It should focus on the facts of the matter and not be argumentative.

Parties will have the opportunity to submit written questions to the hearing officer in advance of the hearing. The Parties may also submit written follow-up questions to the hearing officer during the hearing, at appropriate times designated by the hearing officer. The hearing officer will ask the questions proposed by the Parties except for questions that:

1. Seek information about the Complainant's sexual history with anyone other than the Respondent (unless such evidence about the Complainant's sexual behavior is offered to prove that someone other than the Respondent committed the alleged misconduct).
2. Seek information about the Respondent's sexual history with anyone other than the Complainant, unless such information is used to prove motive or pattern of conduct.
3. Seek information that is unreasonably duplicative of evidence in the hearing officer's possession.
4. The hearing officer determines are not relevant to material disputed issues, are argumentative or harassing or unduly intrude on a witness' privacy.

At the hearing, each Party will have an opportunity to ask questions, submit concerns, or note an objection to questions posed. All such questions, concerns, or objections will be submitted in writing to the hearing officer. The hearing officer is not required to respond to an objection, other than to include it in the record.

The hearing officer has the authority and duty to decline or rephrase any question that the hearing officer deems to be repetitive, irrelevant, or harassing. Formal rules of evidence applied in courtroom proceedings (e.g., California Evidence Code) do not apply in the hearing. However, the hearing officer may take guidance from the formal rules of evidence.

After the hearing:

After the hearing, the hearing officer will make written findings of facts and conclusions about whether the Respondent violated the Policy. The Title IX Coordinator will review the hearing officer's report to ensure compliance with the Policy. The hearing coordinator will forward the hearing officer's report promptly to the Parties, the Title IX Coordinator, and the student conduct administrator, usually within 15 Working Days of the close of the hearing.

If no violation is found, the hearing coordinator will notify the Parties of their appeal rights. The campus president (or designee) will also be notified.

If a violation is found, the Parties may submit to the hearing coordinator an impact statement or other statement regarding discipline. The statement may not be more than 2000 words in length and will be submitted no later than 5 Working Days after the hearing officer's report is sent to the Parties. The statement is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the hearing officer to consider. The student conduct administrator and the Title IX Coordinator may also submit a written statement regarding aggravating and mitigating factors no later than 5 Working Days after the hearing officer's report is sent to the Parties.

Within 5 Working Days after receiving and considering the statements described above, the hearing officer will submit the hearing officer's report to the president (or designee), including recommended sanctions (as defined in Executive Order 1098 Student Conduct Procedures²¹) if a Respondent has been determined to have violated university Policy.

²¹ See Sanctions, below

Within 10 Working Days of receipt of the hearing officer's report, the president (or designee) will review the Investigation Report and the hearing officer's report and issue a decision concerning the appropriate sanction. The president may impose the recommended sanctions, adopt a different sanction or sanctions, or reject sanctions altogether. If the president adopts a sanction other than what is recommended by the hearing officer, the president must set forth the reasons in the Decision Letter. The president will simultaneously send the decision letter electronically to the Respondent and Complainant. The decision letter will include: the outcome of the hearing, including any sanction imposed, and the name of the Respondent(s) , a copy of the hearing officer's Report, and notice of the Complainant's and Respondent's right to appeal. The decision will also be sent to the student conduct administrator and the hearing officer. Unless the campus and Parties are notified that an appeal has been filed, the president's (or designee's) sanction decision becomes final 11 Working Days after the date of the decision letter.

Sanctions

Discipline for Employees includes, but is not limited to, suspension, demotion, and termination of employment.

Employees disciplined by the university may be entitled to additional processes as required by law and/or collective bargaining agreements, including in some cases the right to a hearing before an independent arbitrator or a state agency where the employee may contest the discipline.

The following sanctions may be imposed for violation of the Student Conduct Code:²²

- **Restitution.** Compensation for loss, damages or injury. This may include appropriate service and/or monetary material replacement.
- **Loss of Financial Aid.** Scholarships, loans, grants, fellowships and any other types of state financial aid given or guaranteed for the purposes of academic assistance can be conditioned, limited, canceled or denied.⁸
- **Educational and Remedial Sanctions.** Assignments, such as work, research, essays, service to the University or the community, training, counseling, removal from participation in recognized student clubs and organizations (e.g., fraternities and sororities), and/or University events, or other remedies intended to discourage similar misconduct or as deemed appropriate based upon the nature of the violation.
- **Denial of Access to Campus or Persons.** A designated period of time during which the Student is not permitted: (i) on University Property or specified areas of Campus,⁹ or (ii) to have contact (physical or otherwise) with the Complainant, witnesses or other specified persons.
- **Disciplinary Probation.** A designated period of time during which privileges of continuing in Student status are conditioned upon future behavior. Conditions may include the potential loss of specified privileges to which a current Student would otherwise be entitled, or the probability of more severe disciplinary sanctions if the student is found to violate the Student Conduct Code or any University policy during the probationary period.
- **Suspension.** Temporary separation of the student from active Student status or Student status.

²² Found in Article V, Executive Order 1098 Student Conduct Procedures

- A Student who is suspended for less than one academic year shall be placed on inactive Student (or equivalent) status (subject to individual Campus policies) and remains eligible to re-enroll at the University (subject to individual Campus enrollment policies) once the suspension has been served. Conditions for re-enrollment may be specified.
- A Student who is suspended for one academic year or more shall be separated from Student status but remains eligible to reapply to the University (subject to individual Campus application policies) once the suspension has been served. Conditions for readmission may be specified.
- Suspension of one academic year or more, withdrawals in lieu of suspension, and withdrawals with pending misconduct investigations or disciplinary proceedings shall be entered on the student's transcript permanently without exception; this requirement shall not be waived in connection with a resolution agreement.
- **Expulsion.** Permanent separation of the Student from Student status from the California State University system. Expulsion, withdrawal in lieu of expulsion, and withdrawal with pending misconduct investigation or disciplinary proceeding shall be entered on the student's transcript permanently, without exception; this requirement shall not be waived in connection with a resolution agreement.

Appeals

A written appeal may be submitted to the Chancellor's Office no later than 10 Working Days after the date of the decision letter (Tracks 1& 2) or notice of investigation outcome (Track 3). All arguments and/or evidence supporting the appeal must be submitted by the deadline to file the appeal. Evidence/arguments submitted after the appeal submission deadline will not be considered by the Chancellor's Office. A written appeal may not exceed 3,500 words, excluding exhibits. Appeals will be submitted to:

Equal Opportunity and Whistleblower Compliance Unit
 Systemwide Human Resources
 Office of the Chancellor
 401 Golden Shore
 Long Beach, California 90802
eo-wbappeals@calstate.edu

The Chancellor's Office will provide prompt written acknowledgement of the receipt of the appeal to the appealing Party, and will provide written notification of the appeal, including a copy of the appeal, to the non-appealing Party and the campus Title IX Coordinator/DHR Administrator. The notice will include the right of the non-appealing Party and the campus to provide a response to the appeal within 10 Working Days of the date of the notice. The appeal response will be limited to 3,500 words, excluding exhibits. Any response to the appeal received by the Chancellor's Office will be provided to the appealing Party for informational purposes only.

The Chancellor's Office will not conduct a new investigation; however, the Chancellor's Office may make reasonable inquiries to determine if the new evidence could have affected the investigation or hearing determination. A copy of the final Chancellor's Office appeal response will be forwarded to the Complainant, the Respondent, and the Title IX Coordinator/DHR Administrator.

If the Chancellor's Office review determines that an issue raised on appeal would have affected the investigation outcome or hearing outcome, the investigation or hearing will be remanded back to the campus and the investigation or hearing reopened at the campus level. The Chancellor's Office will return the matter to the campus and will specify in writing the timeline by which a reopened investigation or hearing must be completed. The Chancellor's Office will notify the Parties of the reopening of the investigation or hearing and the timeline for completion of the reopened investigation or hearing. The campus will complete the reopened investigation or hearing and provide the Chancellor's Office with an amended final investigation report/final decision. The campus will also provide the Parties with amended notices of investigation outcome/final decision, and such notices will provide the non-prevailing Party the opportunity to appeal. Upon receipt of the amended final investigation report/final decision, if the outcome remains unchanged, the Chancellor's Office will contact the original appealing Party to determine whether that Party wishes to continue with the appeal. If the outcome is reversed by the campus, the non-prevailing Party will be given an opportunity to appeal.

If the Chancellor's Office determines that no reasonable fact finder (Investigator or hearing officer) could have made the findings as determined by the Investigator or hearing officer, the Chancellor's Office may vacate and reverse the investigation or hearing outcome, but only with respect to whether the Policy was violated (and not with respect to factual findings). If the Chancellor's Office vacates and reverses the investigation or hearing outcome, it will notify the Parties simultaneously in writing, as well as the Title IX Coordinator/DHR Administrator. Following a reversal of an investigation or hearing outcome by the Chancellor's Office, the Chancellor's Office decision is final and is not subject to further appeal.

The Chancellor's Office will respond to the appealing Party no later than 30 Working Days after receipt of the written appeal unless the timeline has been extended²³

Registered Sex Offenders

California's sex offender registration laws require convicted sex offenders to register their status with the University police department if they are enrolled, residing, attending, carrying on a vocation (i.e., contractor or vendor on campus for more than 30 days in the year), or working with or without compensation for the institution. All public information available in California about registered sex offenders, to include the ability to look-up offenders by name, residence address, and zip code, is on the California Department of Justice Megan's law web site at <http://www.meganslaw.ca.gov/>

Missing Student Notification Procedures for On-campus Student Housing Facilities

Federal law requires that the University report both to local law enforcement and, if applicable, to the student's designated confidential contact person when a campus resident is determined to be

²³ The Chancellor's Office has discretion to extend the timelines for the appeal process for good cause or for any reasons deemed to be legitimate by the Chancellor's Office. This includes the time for filing an appeal, the time for a reopened investigation or hearing to be completed, and the time for the Chancellor's Office to respond to the appeal. The Chancellor's Office will notify the Parties and the Title IX Coordinator of any extensions of time granted pertaining to any portion of the appeal process.

missing for 24 hours (i.e., no one can identify where they are). Campus residents are notified of the missing student notification procedures when providing emergency contact information and are given the opportunity to provide a confidential contact person during initial building meetings with the Residential Life staff during move-in week. This information is maintained by the Office of Housing and Residential Life and is treated as strictly confidential and only utilized by law enforcement and University officials in the event an investigation determines the resident is missing. If the missing student is less than 18 years of age and not emancipated, the University is required to notify their parent or guardian in addition to the designated confidential contact. Typically, such notification is done within 24 hours of receiving the report. Law enforcement will always be notified if a student has been determined to be missing for over 24 hours, regardless of whether the student has provided a confidential contact.

When a campus resident is believed missing, the situation must be reported immediately to any member of the Residential Life or Housing Services staff, who then must report it to the Sacramento State Police Department. In addition, any member of the campus community who receives an initial report of a missing person should report the information directly to the Sacramento State Police Department. After investigation of the missing person report, and if the person is determined to be missing for 24 hours, the Office of Housing and Residential Life and/or the Vice President of Student Affairs will notify the student's confidential contact person, if one was provided. The Sacramento State Police Department will notify Sacramento City and County law enforcement agencies via the California Law Enforcement Telecommunications System (CLETS) and make an entry into the Missing and Unidentified Persons System (MUPS) no later than 24 hours after the student is determined to be missing.

Appendix A: Jurisdictional Definitions²⁴

Rape (CA Penal Code Chapter 1 Section 261)

(a) Rape is an act of sexual intercourse accomplished under any of the following circumstances:

(1) If a person who is not the spouse of the person committing the act is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act. Notwithstanding the existence of a conservatorship pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving consent. This paragraph does not preclude the prosecution of a spouse committing the act from being prosecuted under any other paragraph of this subdivision or any other law.

(2) If it is accomplished against a person's will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another.

(3) If a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused.

(4) If a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph, "unconscious of the nature of the act" means incapable of resisting because the victim meets any one of the following conditions:

(A) Was unconscious or asleep.

(B) Was not aware, knowing, perceiving, or cognizant that the act occurred.

(C) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraud in fact.

(D) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.

(5) If a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by artifice, pretense, or concealment practiced by the accused, with intent to induce the belief.

(6) If the act is accomplished against the victim's will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, "threatening to retaliate" means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury, or death.

(7) Where the act is accomplished against the victim's will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official. As used in this paragraph, "public official"

²⁴ Note that these are not the definitions used to compile the statistics at the beginning of these document. The federal definitions of Rape, fondling, incest, statutory rape, domestic violence, dating violence, and stalking are used for the statistics, as required by federal law.

means a person employed by a governmental agency who has the authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official.

(b) For purposes of this section, the following definitions apply:

“Duress” means a direct or implied threat of force, violence, danger, or retribution sufficient to coerce a reasonable person of ordinary susceptibilities to perform an act which otherwise would not have been performed, or acquiesce in an act to which one otherwise would not have submitted. The total circumstances, including the age of the victim, and his or her relationship to the defendant, are factors to consider in appraising the existence of duress.

“Menace” means any threat, declaration, or act that shows an intention to inflict an injury upon another.

Sodomy (CA Penal Code Chapter 1 Section 286)

Sodomy is sexual conduct consisting of contact between the penis of one person and the anus of another person. Any sexual penetration, however slight, is sufficient to complete the crime of sodomy.

(2) Except as provided in Section 288, any person over 21 years of age who participates in an act of sodomy with another person who is under 16 years of age shall be guilty of a felony.

(c) (1) Any person who participates in an act of sodomy with another person who is under 14 years of age and more than 10 years younger than he or she shall be punished by imprisonment in the state prison for three, six, or eight years.

(2) (A) Any person who commits an act of sodomy when the act is accomplished against the victim’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person shall be punished by imprisonment in the state prison for three, six, or eight years.

(B) Any person who commits an act of sodomy with another person who is under 14 years of age when the act is accomplished against the victim’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person shall be punished by imprisonment in the state prison for 9, 11, or 13 years.

(C) Any person who commits an act of sodomy with another person who is a minor 14 years of age or older when the act is accomplished against the victim’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the victim or another person shall be punished by imprisonment in the state prison for 7, 9, or 11 years.

(3) Any person who commits an act of sodomy where the act is accomplished against the victim’s will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat, shall be punished by imprisonment in the state prison for three, six, or eight years.

(d) (1) Any person who, while voluntarily acting in concert with another person, either personally or aiding and abetting that other person, commits an act of sodomy when the act is accomplished

against the victim's will by means of force or fear of immediate and unlawful bodily injury on the victim or another person or where the act is accomplished against the victim's will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat, shall be punished by imprisonment in the state prison for five, seven, or nine years.

(2) Any person who, while voluntarily acting in concert with another person, either personally or aiding and abetting that other person, commits an act of sodomy upon a victim who is under 14 years of age, when the act is accomplished against the victim's will by means of force or fear of immediate and unlawful bodily injury on the victim or another person, shall be punished by imprisonment in the state prison for 10, 12, or 14 years.

(3) Any person who, while voluntarily acting in concert with another person, either personally or aiding and abetting that other person, commits an act of sodomy upon a victim who is a minor 14 years of age or older, when the act is accomplished against the victim's will by means of force or fear of immediate and unlawful bodily injury on the victim or another person, shall be punished by imprisonment in the state prison for 7, 9, or 11 years.

(e) Any person who participates in an act of sodomy with any person of any age while confined in any state prison, as defined in Section 4504, or in any local detention facility, as defined in Section 6031.4, shall be punished by imprisonment in the state prison, or in a county jail for not more than one year.

(f) Any person who commits an act of sodomy, and the victim is at the time unconscious of the nature of the act and this is known to the person committing the act, shall be punished by imprisonment in the state prison for three, six, or eight years. As used in this subdivision, "unconscious of the nature of the act" means incapable of resisting because the victim meets one of the following conditions:

(1) Was unconscious or asleep.

(2) Was not aware, knowing, perceiving, or cognizant that the act occurred.

(3) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraud in fact.

(4) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.

(g) Except as provided in subdivision (h), a person who commits an act of sodomy, and the victim is at the time incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act, shall be punished by imprisonment in the state prison for three, six, or eight years. Notwithstanding the existence of a conservatorship pursuant to the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving consent.

(h) Any person who commits an act of sodomy, and the victim is at the time incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act, and both the defendant

and the victim are at the time confined in a state hospital for the care and treatment of the mentally disordered or in any other public or private facility for the care and treatment of the mentally disordered approved by a county mental health director, shall be punished by imprisonment in the state prison, or in a county jail for not more than one year. Notwithstanding the existence of a conservatorship pursuant to the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving legal consent.

(i) Any person who commits an act of sodomy, where the victim is prevented from resisting by an intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused, shall be punished by imprisonment in the state prison for three, six, or eight years.

(j) Any person who commits an act of sodomy, where the victim submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by any artifice, pretense, or concealment practiced by the accused, with intent to induce the belief, shall be punished by imprisonment in the state prison for three, six, or eight years.

(k) Any person who commits an act of sodomy, where the act is accomplished against the victim's will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official, shall be punished by imprisonment in the state prison for three, six, or eight years.

As used in this subdivision, "public official" means a person employed by a governmental agency who has the authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official.

(l) As used in subdivisions (c) and (d), "threatening to retaliate" means a threat to kidnap or falsely imprison, or inflict extreme pain, serious bodily injury, or death.

Oral Copulation (CA Penal Code Chapter 1 Section 287)

(a) Oral copulation is the act of copulating the mouth of one person with the sexual organ or anus of another person.

(b) (1) Except as provided in Section 288, any person who participates in an act of oral copulation with another person who is under 18 years of age shall be punished by imprisonment in the state prison, or in a county jail for a period of not more than one year.
