# Index and its Supporting Documents in WPAF

- Index = Comprehensive list/record of accomplishments in each area of review since first appointment
- Most important and time-consuming part of WPAF
- Requires thoughtfulness and attention to detail
- "Table of Contents" guides reviewers through WPAF
- Index corresponds directly to materials included in Supporting Documents files

# Index Formatting

- Review Cycle AY headings listed in reverse chronological order, but document numbering begins with 1 and continuous through cycles
  - Save Index to edit next year (Auto-format numbering helpful)
  - Change/update Index numbering system and cycle order if different
- Index = 1 document with 4 Indices (one/area of review)
- Any materials referenced but not included in Index must be provided within 48 hours if requested by committee/reviewer at any point in review cycle.
- You may not change/add/delete any of the items listed in the Index because, as the official record of your achievements, it is a permanent part of the WPAF.
  - Index will be comprehensive and include each AY from time of appointment when go up for Full
  - PTR Index and Supporting Documents only need Teaching Effectiveness but can include other areas

# Index and Supporting Documents

- Insert accessible hyperlinks in Index rather than uploading in Supporting Documents when possible
  - Ensure hyperlink live and bold it
  - Linking directly to online document, video, etc. not website
- Place asterisks (\*) next to Index number that has corresponding supporting document
- Supporting Documents should be single/individual files rather than additional folders or one long pdf.
- Upload files as individual pdfs or other formats (jpeg, mp4, etc.) as appropriate
  - Remember reviewers may not have same software...avoid technical difficulties, opening large files, etc.
- Limit documents to max 30 pages

“The Index, as a whole, is not unlike the discography for a band. Each year of review is a new album that adds to your overall discography, and in the indices for that year you are listing out the names of the tracks that represent the significant work you accomplished over it.”

## Words of Wisdom

QUALITY

vs.

QUANTITY

- Include best materials grounded in evolving academic/disciplinary standards
- Quality vs. Quantity | Less is More Approach
  - Everything need not be included
  - Limit number materials that represent same achievement
  - Quality = 2 strong letters of support  $\neq$  20 hand-written thank you notes

**ALMOST DONE!**

*Just a few more  
steps...*

# "Closing" the File

- Electronically sign Attestation form signifying all contents correct and complete.
- Department chair sends Attestation via Adobe Sign approximately one week before closing date.
- E-Sign when WPAF ready to "submit" on or before closing date...everything uploaded and ready!
- Form routed back to chair for e-signature and uploading to folder
- Once signed and uploaded, college rescinds faculty and chair access signaling WPAF closure and submission to the next level of review.

APPENDIX

# Types of RTP Reviews

- **PERIODIC REVIEW** → Review of faculty performance that does not factor into retention or promotion. For probationary faculty, this is the “Informal Review” that occurs spring semester of their appointment year. For post-tenure faculty, this occurs every 5 years and is based on teaching effectiveness.
- **RETENTION REVIEW** → Evaluation of faculty performance to determine whether a successive faculty appointment will be offered for next AY.
- **TENURE and/or PROMOTION REVIEW** → After being retained for 5 productive and successful years, faculty undergo a “Performance Review” for a promotion from either Assistant to Associate professor or Associate to Full professor. Tenure and Promotion are distinct decisions. A faculty member may be promoted but not tenured.
