Online Resources:

<http://canvas.csus.edu/>

This course is paired with Canvas, an online learning resource. Students are required to log onto <https://my.csus.edu/> (accessible from any computer with an internet connection and up-to-date web browser) **regularly** to access posted course materials, resources, announcements and grades. Course lectures are delivered online via Zoom video conferencing in a synchronous format (i.e., course lectures are held during the regularly scheduled class time). Virtual technical support is available through Information Resources & Technology (IRT) at:

<https://www.csus.edu/information-resources-technology/get-support-consultation/>.

Remote Learning Resources for students, including laptop checkout, laptop discount program, drive-in WiFi, and remote computer lab access, can be found at: <https://www.csus.edu/information-resources-technology/remote-learning/>.

Course Requirements/Components:

The student clinician will be responsible for:

- a. Examining the etiologies and characteristics of the disorders of fluency; the etiologies and characteristics for disorders of voice and resonance, including respiration and phonation; and the social aspects of communication (challenging behavior, ineffective social skills, lack of communication opportunities, etc.).
- b. Conducting, and evaluating intervention with two (2) clients for a total of four (4) hours/weekly, totaling approximately 30 client contact hours. This clinic begins week #3 (**week of 9/14/20**). All therapy sessions must be completed by Friday, **12/11/20**. If a client cancels, the session is generally not made up. If the Student Clinician, Clinical Instructor, or Clinic Coordinator cancels the session for any reason, it must be made up. All make-up sessions must be completed this same week.
- c. Interpreting results of therapy with the client and/or clients' family members/caretaker and working with them on carryover home assignments.
- d. Writing daily lesson plans using the standard Clinic Lesson Plan Template as directed by your Clinical Instructor. Measurable outcomes must be documented on a daily basis.
- e. Documenting progress in daily/weekly Lesson Plans.
Writing Initial and Final Reports of Therapy. **Two late submissions automatically drop your final Writing area clinical competency grade by one letter grade through reduction of points.** There are no exceptions to this. Remember, all final reports AND required paperwork must be completed, signed, distributed to the client, and filed on the last scheduled therapy day for each of your clients.
- f. As with other practicum experiences, once the student clinician has met with his/her clients, dropping clinical practicum classes by the student clinician is prohibited, except for medical reasons or extraordinary circumstances, as approved by the Department.
- g. Evaluating and reflecting on your own performance of recorded sessions of your therapy as required by your Clinical Instructor. Because of client confidentiality, you **MUST** follow the policy set forth in the Clinic Handbook on recording and viewing client therapy sessions. **There are no recorded therapy sessions during the Fall, 2020 semester** secondary to online only delivery of clinical services and telepractice format.
- h. Meeting with your Clinical Instructor on a once-weekly basis is mandatory. Your Clinical Instructor will be available to you at other times also, but the weekly meeting should center on specific questions/concerns you have about your clients' programs. Prepare for these weekly meetings: Have specific questions written and ready to discuss. If you are unable to keep your appointment, you must cancel prior to the meeting time and reschedule with your Clinical Instructor.
- i. Evaluating your clinical strengths and identifying areas in which you wish to develop. During meetings and evaluations, you will discuss your developing areas of strengths and areas you wish to strengthen. You will be asked to be self-evaluative, noting specifically what you need to do better and what you plan to do to strengthen these areas. Your Clinical Instructor will also commit to what s/he can do to help you in these areas. In keeping with ASHA's expectations, we will use formative assessment ("ongoing measurement during educational preparation for the purpose of improving student learning") to evaluate students' critical thinking, decision making, and problem-solving skills across oral and written components and in clinical competency.

Grading Policy:

A passing grade for clinic performance is based on the Final Clinical Competency Form. You should review this form BEFORE clinic starts so that you are aware of all items that will become part of your formative and summative assessment for this clinic. The Clinical Competency Form will be completed by your clinical instructor at midterm and at final, but it is the **final** Clinical Competency Report on which your clinic grade is based. The Clinical Competency Form is separated into four (4) general competency categories: Writing, Assessment, Treatment, and Professional Behavior. Each general competency area consists of numerous individual line items.

A passing grade for each clinic is a B- or higher. A passing grade is obtained by achieving a rating of 4.0 or better on the average combined score of the 4 general competency categories, provided that the student achieves; (a) an average rating of 4.0 or better for **each** of the 4 general competency categories **and** (b) a minimum score of 3.0 on **all** individual competency line items. **Therefore, any student receiving (a) a rating of 2.99 or less on any one (or more) specific line item or (b) a rating of 3.99 or less for a competency category will not pass the clinic, even if their average combined score of the 4 general competency categories is a B- or higher. In such cases, a grade of C+ will be given for the clinic.**

Letter grades will be based upon the following:

SCORE	GRADE	DESCRIPTION
4.65 - 5.00	A	<u>Exceeds Performance Expectations</u> (Minimum assistance required) <ul style="list-style-type: none"> • Clinical skill/behavior well-developed, consistently demonstrated, and effectively implemented • Demonstrates creative problem solving • Clinical Instructor consults and provides guidance on ideas initiated by student

Course Policies/Procedures:

Please refer to the Fall, 2020 Student Clinic Handbook for clinic policies and procedures, in addition to new policies around telepractice. Student clinicians are asked to pay particular information to the following:

ICR/FCR Reports:

1. Please follow the standardized ICR/FCR format provided in the handbook and provided in class as templates for this clinic. **Please note new telepractice protocol for the Fall, 2020 term.**
2. Please edit all submitted reports including mechanics (e.g., spelling, grammar) and formatting (e.g., margins, font, etc.).
3. Please comply with all HIPAA regulations (i.e., use of “the client,” client file #, and date of birth only).
4. For all edits, please use the software’s editing tool (e.g., “track changes” in Microsoft Word) or follow the assigned Clinical Instructor’s instructions. **There will be no email, password protected submissions of documentation. All submissions of documentation will be via Canvas.**

Therapy Observation Comments:

- (a) Be sure to **always** initial the Clinical Instructor’s comments once read.
- (b) Please be sure to answer any questions that are asked on the lined paper and feel free to ask questions for the Clinical Instructor.
- (c) Be sure to bring your assigned client folders to every weekly conference with the Clinical Instructor. **Please note that there is no access to client files/folders during the Fall, 2020 semester. Students should be prepared with their notes during weekly conferences.**

Weekly Conferences:

Student clinicians will meet with the assigned Clinical Instructor every week in group or individual format. This weekly meeting schedule will be created at the beginning of the semester. Please prepare for each weekly conference with the assigned Clinical Instructor. Student clinicians will receive ongoing written and verbal feedback from the assigned Clinical Instructor throughout the semester. Student clinicians are expected to integrate all clinical recommendations into the intervention. As a result, the midterm and final evaluation reports/conferences should be a reflection of the ongoing collaboration and discussions.

Recordings:

If a student clinician wishes to record a therapy session, the student should leave a post-it note on the assigned clinical instructor’s computer before the start of therapy. **Please note that there are no recording options during the Fall, 2020 semester secondary to the telepractice format and online only delivery.**

Confidentiality:

Please consult the **Fall, 2020** clinic handbook regarding client confidentiality and client confidentiality as it pertains to telepractice. Any violation of these policies will result in the student clinician receiving a failing grade in the clinic.

General Policies:

Absences: Student clinicians are expected to meet all clinic appointments. If a student clinician is ill and cannot attend clinic, please contact assigned clients and Clinical Instructor. Any sessions canceled by the student clinician must be offered as a make-up session during dead week (sessions canceled by clients do not necessarily need to be made up).

Dropping: As with other practicum experiences, once the student clinician has met with assigned clients, dropping clinical practicum classes by the student clinician is prohibited, except for medical reasons or extraordinary circumstances, as approved by the Department. See the department catalog for details.

Submission of Written Work: Documenting progress in daily/weekly Lesson Plans online via Canvas; Writing Initial and Final Reports of Therapy. Two late submissions automatically drop the final Writing area clinical competency grade by one letter grade through reduction of points. There are no exceptions to this. Remember, all final reports AND required paperwork must be completed, signed, distributed to the client, and filed on the last scheduled therapy day for each assigned client.

Attitudes & Technical Skills Required

You will find that the following attitude will significantly contribute to your success in this online class:

- A positive attitude towards technology
- An open mind towards online education
- Willingness to share your experiences with others
- Strong analytical and critical thinking skills for when you "get stuck"
- Resourcefulness - don't be afraid to click on links and explore and ask questions
- Time management

Online learning requires only basic technical skills:

- Be competent with file management (for example, creating a folder on your desktop, moving files from one location to another, finding a saved file)
- Possess internet navigation skills
- Update your Internet browser
- Send and receive email
- Create and save documents (Word, PowerPoint, Excel or HTML)
- Toggle between two open software applications on your computer
- Copy text from a word processing program and paste them into another program

Technical Assistance

Seek help when you can't access Canvas or class materials.

- For technical assistance, contact the IRT Help Desk. Visit AIRC 2005 during [open hours](#) to speak with the IRT Service Desk Team, or call (916)278-7337. [IRT website.](#)
- For assistance with course materials, contact your instructor

Spam and Phishing Scams

- Learn how to stay safe and protect yourself from hackers who may try to access your personal information: [Don't Fall for a Phishing Scam](#)
- Use anti-virus, anti-spyware, and anti-malware software. [Sac State's Software and Tools](#) available for download.
- Use pins and passwords to secure your computer and devices- don't share your password with anyone. Use strong passwords that include a combination of letters and numbers that no one can guess.

Canvas Student App

Canvas is fully functional on many types of smartphones and tablets. Compatible devices include platforms such as iPhone/iPad/iPod Touch, and Android. However, it is recommended that you do not solely rely on one of these devices to complete your online course work. Access to a computer is still needed for many online activities.

Visit the [Mobile section](#) of the [Canvas Guides](#) website for more information.

Additional Information

Commitment to Integrity:

As a student in this course (and at this university) you are expected to maintain high degrees of professionalism, commitment to active learning and participation in this class, as well as integrity in your behavior in and out of the classroom.

Sacramento State's Academic Honesty Policy & Procedures:

“The principles of truth and honesty are recognized as fundamental to a community of scholars and teachers. California State University, Sacramento expects that both faculty and students will honor these principles, and in so doing, will protect the integrity of academic work and student grades.” Read more about Sacramento State's Academic Honesty Policy & Procedures at the following website:

<http://www.csus.edu/umannual/student/stu-0100.htm>

Definitions: At Sacramento State, “cheating is the act of obtaining or attempting to obtain credit for academic work through the use of any dishonest, deceptive, or fraudulent means.” **Plagiarism** is a form of cheating. At Sacramento State, “plagiarism is the use of distinctive ideas or works belonging to another person without providing adequate acknowledgement of that person's contribution.” Source: Sacramento State University Library

Note: Any form of academic dishonesty, including cheating and plagiarism, shall be reported to the Office of Student Conduct, Division of Student Affairs.

Department Policy on Use of APA format

The Department of Communication Sciences and Disorders requires the use of the APA format and style. All students are required to reference the APA manual. All assignments are to be composed using APA format and style unless otherwise noted.

Understand When You May Drop This Course:

It is the student's responsibility to understand when he/she needs to consider disenrolling from a course. Refer to the Sacramento State Course Schedule for dates and deadlines for registration. After this period, a serious and compelling reason is required to drop from the course. Serious and compelling reasons include: (a) documented and significant change in work hours, leaving student unable to attend class, or (b) documented and severe physical/mental illness/injury to the student or student's family. Under emergency/special circumstances, students may petition for an incomplete grade. An incomplete will only be assigned if there is a compelling extenuating circumstance. All incomplete course assignments must be completed by the department's policy.

Inclusivity:

Students in this class are encouraged to be active participants in all aspects of the course, including but not limited to lectures, synchronous and asynchronous activities, discussion posts, etc. Each of us must show respect for each other, as our class represents a diversity of beliefs, backgrounds, and experiences. This enriches all of our learning experiences together. Our individual differences deepen our understanding of one another and the world around us, rather than divide us. In this class, people of all ethnicities, genders and gender identities, religions, ages, sexual orientations, disabilities, socioeconomic backgrounds, regions, and nationalities are strongly encouraged to share their rich array of perspectives and experiences. If you feel your differences may in some way isolate you from our classroom community, or if you have a specific need, please contact the instructor early in the semester. Your instructor will work with you to ensure that you become an active and engaged member of our class and community.

Equal Access:

California State University, Sacramento, Department of Communication Sciences and Disorders, seeks to provide equal access to its programs, services, and activities for people with disabilities. If you have a documented disability and verification from the Office of Services to Students with Disabilities (SSWD), and wish to discuss academic accommodations, please contact your instructor as soon as possible. It is the student's responsibility to provide documentation of disability to SSWD and meet with a SSWD counselor to request special accommodation before classes start. **Sacramento State Services to Students with Disabilities (SSWD)** offers a wide range of support services and accommodations for students in order to ensure students with disabilities have equal access and opportunity to pursue their educational goals. Working collaboratively with students, faculty, staff and administrators, SSWD provides consultation and serves as the information resource on disability related issues to the campus community.

SSWD is located in Lassen Hall 1008 and can be contacted by phone at (916) 278-6955 (Voice) or (916) 278-7239 (TDD only) or via email at sswd@csus.edu.

California State University (CSU) policy prohibits discrimination on the basis of age, disability (physical and mental), gender (or sex), gender identity (including transgender), gender expression, genetic information, marital status, medical condition, nationality, race or ethnicity (including color or ancestry), religion (or religious creed), sexual orientation, sex stereotype, and veteran or military status. California State University prohibits all forms of discrimination, harassment (including harassment, sexual misconduct, dating and domestic violence, and stalking) and retaliation. The University Policy Manual is available at <http://csus.edu/umannual/>.

Basic Needs Support

If you are experiencing challenges with food, housing, financial or other unique circumstances that are impacting your education, help is just a phone call or email away! The CARES office provides case management support for any enrolled student. Email the CARES office at cares@csus.edu to speak with a case manager about the resources available to you.
