

California State University, Sacramento

Department of Communication Sciences and Disorders

UNDERGRADUATE SYLLABUS & COURSE OUTLINE

Semester/Year: Spring, 2022	Course: CSAD 127 Introduction to Medical Speech Pathology	Section: 01
Meeting Days: Monday/Wednesday	Meeting Times: 12:00PM – 1:15PM	Location: Hybrid Online Synchronous (lecture) FLS 1049 (exams)
Instructor: Dr. Aishah Y. Patterson, CCC-SLP	Email: patterson@csus.edu	Phone: 916-278-7341 <i>voicemail only</i>
Campus Office Location: Folsom Hall 2316 <i>Home Office – Spring, 2022</i>	Virtual Office Hours/Appointments: Mondays and Wednesdays 10:00AM – 11:30AM Virtual Office Hours: (please schedule appointment via email – patterson@csus.edu)	
This course is supported by an ISA for Spring, 2022	Instructional Student Assistant (ISA): TBD Email: TBD	

Catalogue Course Description:

CSAD 127 Introduction to Medical Speech Pathology **3 Units**

Prerequisite(s): [CSAD 123](#), [CSAD 125](#), [CSAD 126](#), [PSYC 2](#), [STAT 1](#), [CHDV 30](#), and [DEAF 51](#).

Term Typically Offered: Spring, Summer

Current concepts regarding anatomy and physiology, etiology, assessment, and treatment of craniofacial disorders, laryngectomy, tracheostomy and dysphagia.

Place of Course in Program:

CSAD 127 Introduction to Medical Speech Pathology is typically taken in the spring semester of year 4 of the B.S. degree program. Within the 2nd B.S. 4-semester degree program, CSAD 127 is taken in the summer of semester 3.

Sacramento State Baccalaureate Learning Goals for the 21st Century (BLG)	Addressed by this course (Y/N)
Competence in the Disciplines: <i>The ability to demonstrate the competencies and values listed below in at least one major field of study and to demonstrate informed understandings of other fields, drawing on the knowledge and skills of disciplines outside the major.</i>	Y
Knowledge of Human Cultures and the Physical and Natural World: <i>Through study in the sciences and mathematics, social sciences, humanities, histories, languages, and the arts. Focused by engagement with big questions, contemporary and enduring.</i>	Y
Intellectual and Practical Skills, including: <i>Inquiry and analysis, critical, philosophical, and creative thinking, written and oral communication, quantitative literacy, information literacy, teamwork and problem solving, practiced extensively, across the curriculum, in the context of progressively more challenging problems, projects, and standards for performance.</i>	Y
Personal and Social Responsibility, including: <i>Civic knowledge and engagement—local and global, intercultural knowledge and competence*, ethical reasoning and action, foundations and skills for lifelong learning anchored through active involvement with diverse communities and real-world challenges.</i>	Y
Integrative Learning** , including: <i>Synthesis and advanced accomplishment across general and specialized studies.</i>	Y

Course Learning Outcomes:

UNDERGRADUATE

Mastery of each student-learning outcome listed below is indicated by a grade of C or better on each component of the corresponding measures listed in the table. Students are required to track their progress toward meeting each learning outcome and must make an appointment with the instructor for any grade equal to or less than a C. The instructor will suggest strategies to help you establish competence and knowledge in these areas. Students should track their progress toward meeting each learning outcome by listing their grades on the table below over the course of the semester.

CSAD 127 SPECIFIC STUDENT LEARNING OUTCOMES:

1. Recognize the speech-language pathologist's roles, responsibilities and scope of practice within the medical setting.
2. Recognize and understand types of medical reporting, documentation and terminology.
3. Identify health care personnel specific to the medical setting.
4. Identify the anatomical, physiological, social, cultural and psychological correlates of neurologically based communication disorders that impact language, speech, cognition, voice and swallowing.
5. Explain assessment procedures (including imagine techniques, instrumentation and formal/informal assessments) and management options for patients with neurologically based communication disorders, dysphagia, head and neck cancer and genetic syndromes.
6. Identify anatomical structures specific to patient populations post-laryngectomy and prior to cleft lip and palate repair.
7. Identify and differentiate various alaryngeal speech options post-laryngectomy.
8. Interpret evidence-based practices specific to the assessment and management of patients in medical settings.
9. Recognize ethical violations in medical speech pathology and understand presented solutions.
10. Discuss surgical, prosthetic and speech therapy options used to treat cleft lip and palate.

Course Learning Outcome	Components Indicating Competence	Grades Received
1 – 3	Exam 1; Assignment 1	
4 – 5	Exams 1, 2, 3 and 4; Assignments 1, 2, 3, 4 and 5; Class participation	
6	Exams 3 and 4; Assignment 5; Class Participation	
7	Exam 3; Assignment 5; Class participation	
8	Exams 1, 2, 3, and 4; Assignments 1, 2, 3, 4 and 5; Class participation	

Textbooks and Materials:

Johnson, A. F. (2017). *Medical speech-language pathology: A practitioner's guide* (3rd ed.). New York, NY: Thieme Publishers ISBN: 9781604063967

The course textbook is available online through the CSUS Library (eBook Central Academic Complete): <https://ebookcentral.proquest.com/lib/csus/detail.action?docID=4718698>

Supplemental Readings:

Supplemental readings and audio/video materials assigned or otherwise referred to during the course, will be made available online via Canvas for student access.

Online Resources:

<http://canvas.csus.edu/>

This course is paired with Canvas, an online learning resource. Students are required to log onto <https://my.csus.edu/> (accessible from any computer with an internet connection and up-to-date web browser) **regularly** to access posted course materials, resources, announcements and grades. **Course lectures are delivered online via Zoom video conferencing in a synchronous format (i.e., course lectures are held during the regularly scheduled class time). Course exams are administered in-person.** Virtual technical support is available through Information Resources & Technology (IRT) at:

<https://www.csus.edu/information-resources-technology/get-support-consultation/>.

Are You Ready for Remote Learning?

Remote Learning Resources for students, including laptop checkout, laptop discount program, drive-in Wi-Fi, and remote computer lab access, can be found at: <https://www.csus.edu/information-resources-technology/remote-learning/>.

Course Requirements/Components:

Participation in this course will minimally require the completion of four (4) multiple-choice/short answer exams (worth 50 points each) and five (5) written assignments (worth 20 points each). There will be 33 points distributed throughout the semester for discussion/participation (*announced and unannounced*).

Grading Policy:

There are 333 points available for the course. There is **no** extra credit anticipated for this course. An exception will be made in the event that a guest lecture or relevant learning experience **cannot** be scheduled during the regular class period. Under such circumstances, the extra credit option (paired with an alternative, asynchronous assignment) will become available, with additional credit **not** exceeding 5 points.

Students should secure a **Scantron 883-E/ES** for each exam. Please keep scantrons in good condition, otherwise the mechanical reader will be unable to score them (i.e., if previously wet, wrinkled, folded, tattered, etc.). Scantrons are available in the Hornet Bookstore or at The Store, inside of the Student Union.

Course exams will be administered in-person in FLS 1049 on: 2/21/22, 3/28/22, 4/25/22, and 5/18/22.

Source	Points	Percentage of Grade
Exams (4)	200	60%
Written Assignments (5)	100	30%
Discussion/Participation	33	10%
Total	333	100%

Letter grades are assigned according to the following points:

Points	Percent	Letter
333 – 309	100 – 93%	A
308 – 299	92 – 90%	A-
298 – 289	89 – 87%	B+
288 – 275	86 – 83%	B
274 – 265	82 – 80%	B-
264 – 255	79 – 77%	C+
254 – 242	76 – 73%	C
241 – 232	72 – 70%	C-
231 – 222	69 – 67%	D+
221 – 209	66 – 63%	D
208 – 199	62 – 60%	D-
≤ 198	≤ 59%	F

Course Policies/Procedures:

CSAD 127 (Section 01) meets on Mondays and Wednesdays from 12:00pm – 1:15pm online, synchronously via Zoom. Online meetings will consist of lectures, small and large group discussions, in and out of class assignments and invited speakers (to be arranged/announced). Course lectures are synchronous with Cloud recording. Access to cloud recordings are limited to students enrolled in the course. **Course exams, including the Final Exam, will be administered in-person (FLS 1049).**

If the faculty member is not available during the semester, students will be contacted and advised how the course will proceed. This may include a change in instructor or modality.

Virtual Office Hours:

Virtual office hours are established weekly on Mondays and Wednesdays from 10:00am – 11:30am, beginning on the first day of classes (1/24/22) and running until the last day of classes (5/11/22). On the rare occasion that regular office hours need to be cancelled or rescheduled, an announcement will be posted on Canvas. Students are requested to email the professor to schedule a time during virtual office hours. If students are **unable** to attend regularly scheduled office hours, they are welcome to email the professor to schedule a separate appointment time. The professor will respond to the email to confirm the appointment day and time. If the student is unable to keep the scheduled appointment time, a courtesy email is requested to cancel and/or reschedule the appointment. There will be **no** in-person meetings or appointments during the Spring, 2022 term.

Student Responsibilities:

- **Attendance:** Virtual classroom attendance is **mandatory** and necessary to do well in this course. Students are expected to log-in to class sessions on time and remain for the entire class period. Should events require an absence, it is the student's responsibility to view the missed class session recorded to the Cloud. **Students are required to attend the course section for which they are registered.** This includes accessing and viewing recorded class sessions and taking exams.

- **Professionalism:** Classroom participation during lectures and discussions should be conducted in a professional manner. At a minimum, students must maintain a level of respectful, courteous behavior expected of a professional in the field of speech-language pathology. Cell phone and electronic device use for non-academic purposes is **not permitted** during the class period.

- **Zoom Netiquette:** Students are invited to post questions during the lecture in the chat box. The chat box during lectures and discussions are intended to facilitate group understanding of course content and address requests for clarification during the lecture. **Students should refrain from using the chat box for side conversations that are disrespectful or distracting to the group.** Please keep microphones muted when not speaking to reduce background noise. Please see more about Videoconferencing Tips and Professionalism here:

<https://www.maryville.edu/wp-content/uploads/2020/03/Zoom-etiquette-and-tips-for-students.pdf>

- **Participation:** Class participation is **mandatory** and necessary to do well in this course. Students are expected to actively participate in all small and large group discussions. Discussions are designed to facilitate acquisition of course content. Students will practice diagnostic and therapeutic techniques, observe and analyze audio/video patient samples, and interact with guest speakers (speaker schedule to be arranged).

Health & Safety Information:

If you are sick, stay home and do not attend class. Notify your instructor. Please self-diagnose if you are experiencing any COVID-like symptoms (e.g., fever, cough, sore throat, muscle aches, loss of smell or taste, nausea, diarrhea, or headache) or have had exposure to someone who has tested positive for COVID.

The CSU implemented a COVID-19 vaccination requirement in Fall, 2021. The CSU implemented a COVID-19 Booster shot by February 28, 2022 (or six months after receiving the final dose of the initial vaccination).

Vaccinations are available by appointment only (free of charge) at The WELL, Terrace Suite. Please see the link below for current vaccination and booster administration schedules. Students will need to certify their vaccine status. Students wishing to report medical or religious exemptions must submit to Student Health and Counseling Services and the Office of Equal Opportunity, respectively.

<https://www.csus.edu/student-affairs/emergency-student-information/>

<https://www.csus.edu/student-affairs/emergency-student-information/covid-testing-vaccinations.html>

<https://www.csus.edu/return-to-campus/vaccination-faq.html>

Campus health and safety protocols regarding COVID-19 will be updated to match county, state, or CSU system standards. Please comply with campus requirements/protocols for vaccine certification and testing, indoor masking, physical distancing, COVID-19 symptom screening, contact tracing, and other safety measures to minimize the spread of COVID-19.

If you are attending an in-person class (or hybrid class with virtual lectures and in-person exams):

- You must certify with the University that you are fully vaccinated or have an approved medical or religious exemption.
- Masks are required for everyone, including the instructor, until the indoor mask mandate ends. According to the university, refusal to wear a mask is disruptive to the learning environment, and the [Disruptive Student Behavior Policy](#) will apply.
- If you have any [COVID-19-related symptoms](#) or you are unvaccinated and have come into close contact with someone who has a confirmed positive COVID-19 test, please contact the Student Health Center or your medical provider. If you have symptoms, do not come to class until you have tested negative or have received clearance from the Student Health Center.
- Illness due to COVID-19 or exposure to a confirmed positive individual that requires quarantine or isolation is a qualifying emergency and late work, make-up assignments, and virtual attendance will be allowed in consultation with me.

If you wish to confer privately with me about your vaccination, exposure, or positive test status, you should first affirm that you are voluntarily disclosing your medical information. Any information you share with me will be treated securely and only be shared with the Student Health Center to follow established safety protocols.

Students entering, working or volunteering in the Maryjane Rees Language, Speech & Hearing Center may be required to adhere to **different** mask requirements. Please follow updated mask procedures upon entry. Adhering to the Center's policies is a skill that students must develop and maintain.

Student Health and Counseling Services:

Your physical and mental health are important to your success as a college student. Student Health and Counseling Services (SHCS) in The WELL offers medical, counseling, and wellness services to help you get and stay health during your time at Sacramento State University. The SHCS offers:

- Primary Care medical services, including sexual and reproductive healthcare, transgender care, and immunizations
- Urgent care for acute illness, injuries and urgent counseling needs
- Pharmacy for prescription and over-the-counter products
- Mental health counseling, including individual sessions, group counseling, support groups, mindfulness training, and peer counseling
- Athletic training for sports injury rehabilitation
- Wellness services, including nutrition counseling, peer led health education and wellness workshops, and free safer sex supplies
- Violence and sexual assault support services

Most services are covered by the Health Services fee and available at no additional cost.

Work Habits:

• The penalty for **late** assignments is a 1-point deduction per day. Assignments are supplied with a grading rubric. Assignments (worth 20 points each) that are submitted more than 20 days late will receive 0 points. It is the student's responsibility to **double check** their online submission of assignments. Uploads that are empty, the wrong document, or otherwise unretrievable, will receive 0 points.

- There are **no planned make-up exams** for this course. Legitimate, **documented emergencies** (e.g., medical emergency or family death) are acceptable exceptions. Exams must be made up within the time frame specified by the professor. The student is responsible for arranging (with the professor's approval of a date) a time to take the make-up exam at the CSUS Testing Center. The Testing Center charges a \$6.00 fee to proctor make-up exams. For those students with the professor's approval to schedule a make-up exam, additional information and online registration are available at the link below.

All accommodated and make-up exams will be proctored by the CSUS Testing Center.

<https://www.csus.edu/student-affairs/centers-programs/testing-center/services.html#make-up-exams>

TENTATIVE Course Schedule/Outline:

CSAD 127 Introduction to Medical Speech Pathology (Section 01)

*Note: the course schedule is subject to slight adjustments (e.g., to accommodate guest speaker availability, providing approved extra time for assignments, etc.) however **exam dates** remain as posted (except in the event of a university-wide change in instruction modality).

Date	Topic/Class Content	Readings	Assignments/Activities	Week
1/24/22 Mon	Introduction Course Overview		Please Review Course Syllabus <i>course policies and procedures, exam and assignment dates, and grading</i>	1
1/26/22 Wed	Medical Speech-Language Pathology Overview	Johnson – Chapter 1 ASHA Roles and Responsibilities <i>available via Canvas</i>		
1/31/22 Mon	Medical Speech Pathology <i>Scope of practice, health care personnel, settings, rounds, and states of illness</i>	Golper – Chapter 1 <i>available via Canvas</i>		2
2/2/22 Wed	Brain Imaging of Communication Function: Basic Clinician Guide <i>Angiography, CT, MRI, fMRI, PET, SPECT, NIRS, EEG and MEG</i>	Johnson – Chapter 3		
2/7/22 Mon	Intro to Aphasia <i>A&P, causes, types</i>	compiled aphasia reading <i>available via Canvas</i>	Assignment 1 - Neuroimaging Due 2/7/22 <i>Online submission by 12:00pm</i>	3

2/9/22 Wed	Aphasia Assessment and Management	Johnson – Chapter 5	<i>Activity: Communication Partner Training in Aphasia</i>	3
2/14/22 Mon	Aphasia - Clinical Cases and Video Samples			4
2/16/22 Wed	Intro to Dementia <i>A&P, causes, types</i>	compiled dementia reading <i>available via Canvas</i>		
2/21/22 Mon	EXAM 1 Covers weeks 1 – 4 <i>(topics: 1/24/22 – 2/14/22)</i>	In-Person Exam FLS Hall – 1049	Students will need: Scantron 883-E/ES and #2 pencil	5
2/23/22 Wed	Dementia Assessment and Management Clinical Cases and Video Samples	Johnson – Chapter 6		
2/28/22 Mon	Intro to Traumatic Brain Injury <i>A&P, causes, types</i>	compiled TBI reading <i>available via Canvas</i>		6
3/2/22 Wed	Traumatic Brain Injury Assessment and Management	Johnson – Chapter 7		
3/7/22 Mon	TBI - Clinical Cases and Video Samples			7
3/9/22 Wed	Intro to Motor Speech Disorders <i>A&P, causes, types</i>	compiled motor speech reading <i>available via Canvas</i>	Assignment 2 – TBI Case Hx Due 3/9/22 <i>Online submission by 12:00pm</i>	
3/14/22 Mon	Motor Speech Disorders Assessment and Management	Johnson – Chapter 9		8
3/16/22 Wed	Motor Speech - Clinical Cases and Video Samples	<i>Reading: Differential Diagnosis of the Dysarthrias</i> <i>available via Canvas</i>		

3/21/22 Mon	<i>Spring Recess</i>	<i>No Class Session</i>		9
3/23/22 Wed	<i>Spring Recess</i>	<i>No Class Session</i>		
3/28/22 Mon	EXAM 2 Covers weeks 4 – 8 (topics: 2/16/22 – 3/16/22)	In-Person Exam FLS Hall – 1049	Students will need: Scantron 883-E/ES and #2 pencil	10
3/30/22 Wed	Intro to Dysphagia <i>A&P, causes, types</i> Assessment and Management	compiled dysphagia reading <i>available via Canvas</i> Johnson – Chapter 10		
4/4/22 Mon	Dysphagia Assessment and Management cont.	Johnson – Chapter 10 cont.	<i>Activity: Tx of Dysphagia in Adults</i>	11
4/6/22 Wed	Dysphagia - Clinical Cases and Video Samples			
4/11/22 Mon	MBS (Videofluoroscopy) vs Fiberoptic Endoscopic Eval of Swallowing – FEES (Videoendoscopy)	Johnson – Chapter 11 pediatric swallowing resource <i>available via Canvas</i>	Special Topic: Pediatric Feeding & Swallowing	12
4/13/22 Wed	Neurogenic Voice Disorders <i>Spasmodic Dysphonia,</i> <i>Myasthenia Gravis and</i> <i>Paradoxical VF Motion</i>	Johnson – Chapter 12		
4/18/22 Mon	Neurogenic Voice - Clinical Cases and Video Samples		Assignment 3 – Pediatric Feeding/Swallowing Due 4/18/22 <i>Online submission by 12:00pm</i>	13
4/20/22 Wed	Head and Neck Cancer <i>Laryngectomy and Alaryngeal</i> <i>Speech (artificial larynx,</i> <i>esophageal speech</i> <i>and tracheoesophageal voice</i> <i>prosthesis – TEP)</i>	compiled oncology reading <i>available via Canvas</i> Johnson – Chapter 13		

4/25/22 Mon	EXAM 3 – 4/25/22 Covers weeks 10 – 13 (topics: 3/30/22 – 4/18/22)	In-Person Exam FLS Hall – 1049	Students will need: Scantron 883-E/ES and #2 pencil	14
4/27/22 Wed	Laryngectomy - Clinical Cases and Video Samples			
5/2/22 Mon	A&P: Facial, Oral and Velopharyngeal Structures	Kumer – Chapter 1 pp. 2 – 27 available via Canvas	Assignment 4 - HNC Due 5/2/22 Online submission by 12:00pm	15
5/4/22 Wed	Clefts of the Lip and Palate	Kumer – Chapter 2 pp. 39 – 63 available via Canvas Johnson – Chapter 14		
5/9/22 Mon	Cleft Lip/Palate Clinical Cases and Video Samples		Assignment 5 - Cleft Due 5/9/22 Online submission by 12:00pm	16
5/11/22 Wed	Ethics in the Medical Setting	Johnson – Chapter 21		
FINAL EXAM 5/18/22 Wed	Final Exam (Exam 4) <i>*per university exam schedule</i> Covers weeks 13 – 16 (topics: 4/20/22 – 5/11/22)	In-Person Exam FLS Hall – 1049 Wednesday – 5/18/22 10:15am – 12:15pm	Students will need: Scantron 883-E/ES and #2 pencil

Online Learning

For additional information, please review the [CSAD Handbooks](https://www.csus.edu/college/health-human-services/communication-sciences-disorders/csad-handbooks.html) website

<https://www.csus.edu/college/health-human-services/communication-sciences-disorders/csad-handbooks.html>

Zoom/Online Instruction: Privacy, Relevant Rights & Responsibilities:

Any time that a class session is recorded during the COVID-19-related Remote Instruction Period, students will be notified. If students do not want their likeness during class participation included in the recorded class session, they may elect to not participate via video recordings. Recordings will be available for viewing during the Remote Instruction Period subject to the following:

Only students enrolled in the subject class during the Remote Instruction Period may view the recording.

- Students may not post or use the recordings in any other setting (e.g., social media) for any purpose. Students who violate this will be subject to student discipline, up to and including expulsion.
- Federal and California law as well as University policies protecting intellectual property rights and use of instructional materials (including any recordings of class sessions) remain in effect during the Remote Instruction Period.

- If faculty have any plan to use the recording for a different class in the future, the faculty member will need written FERPA consent from those students in the current class who are identifiable in any of the recordings. A FERPA consent form signed by all students in the course will also be needed if the recordings are made available to others beyond the classroom on a nonsecure digital platform.

Attitudes & Technical Skills Required:

You will find that the following attitude will significantly contribute to your success in this online class:

- A positive attitude towards technology
- An open mind towards online education
- Willingness to share your experiences with others
- Strong analytical and critical thinking skills for when you "get stuck"
- Resourcefulness - don't be afraid to click on links and explore and ask questions
- Time management

Online learning requires only basic technical skills:

- Be competent with file management (for example, creating a folder on your desktop, moving files from one location to another, finding a saved file)
- Possess internet navigation skills
- Update your Internet browser
- Send and receive email
- Create and save documents (Word, PowerPoint, Excel or HTML)
- Toggle between two open software applications on your computer
- Copy text from a word processing program and paste them into another program

Technical Assistance:

Seek help when you can't access Canvas or class materials.

- For technical assistance, contact the IRT Help Desk. Visit AIRC 2005 during [open hours](#) to speak with the IRT Service Desk Team, or call (916)278-7337. [IRT website.](#)
- For assistance with course materials, contact your instructor

Spam and Phishing Scams:

- Learn how to stay safe and protect yourself from hackers who may try to access your personal information: [Don't Fall for a Phishing Scam](#)
- Use anti-virus, anti-spyware, and anti-malware software. [Sac State's Software and Tools](#) available for download.
- Use pins and passwords to secure your computer and devices- don't share your password with anyone. Use strong passwords that include a combination of letters and numbers that no one can guess.

Canvas Student App:

Canvas is fully functional on many types of smartphones and tablets. Compatible devices include platforms such as iPhone/iPad/iPod Touch, and Android. However, it is recommended that you do not solely rely on one of these devices to complete your online course work. Access to a computer is still needed for many online activities.

Visit the [Mobile section](#) of the [Canvas Guides](#) website for more information.

Additional Information

Commitment to Integrity:

As a student in this course (and at this university) you are expected to maintain high degrees of professionalism, commitment to active learning and participation in this class, as well as integrity in your behavior in and out of the classroom.

Sacramento State's Academic Honesty Policy & Procedures:

“The principles of truth and honesty are recognized as fundamental to a community of scholars and teachers. California State University, Sacramento expects that both faculty and students will honor these principles, and in so doing, will protect the integrity of academic work and student grades.” Read more about Sacramento State's Academic Honesty Policy & Procedures at the following website: <https://www.csus.edu/umannual/student/stu-100.htm>

Definitions: At Sacramento State, “cheating is the act of obtaining or attempting to obtain credit for academic work through the use of any dishonest, deceptive, or fraudulent means.” Plagiarism is a form of cheating. At Sacramento State, “plagiarism is the use of distinctive ideas or works belonging to another person without providing adequate acknowledgement of that person's contribution.” Source: Sacramento State University Library

Note: Any form of academic dishonesty, including cheating and plagiarism, shall be reported to the Office of Student Conduct, Division of Student Affairs.

Department Policy on Use of APA Format:

The Department of Communication Sciences and Disorders requires the use of the APA format and style. All students are required to reference the APA manual. All assignments are to be composed using APA format and style unless otherwise noted.

Understand When You May Drop This Course:

It is the student's responsibility to understand when he/she need to consider disenrolling from a course. Refer to the Sacramento State Course Schedule for dates and deadlines for registration. After this period, a serious and compelling reason is required to drop from the course. Serious and compelling reasons include: (a) documented and significant change in work hours, leaving student unable to attend class, or (b) documented and severe physical/mental illness/injury to the student or student's family. Under emergency/special circumstances, students may petition for an incomplete grade. An incomplete will only be assigned if there is a compelling extenuating circumstance. All incomplete course assignments must be completed by the department's policy.

Inclusivity:

Students in this class are encouraged to be active participants in all aspects of the course, including but not limited to lectures, synchronous and asynchronous activities, discussion posts, etc. Each of us must show respect for each other, as our class represents a diversity of beliefs, backgrounds, and experiences. This enriches all of our learning experiences together. Our individual differences deepen our understanding of one another and the world around us, rather than divide us. In this class, people of all ethnicities, genders and gender identities, religions, ages, sexual orientations, disabilities, socioeconomic backgrounds, regions, and nationalities are strongly encouraged to share their rich array of perspectives and experiences. If you feel your differences may in some way isolate you from our classroom community, or if you have a specific need, please contact the instructor early in the semester. Your instructor will work with you to ensure that you become an active and engaged member of our class and community.

Equal Access:

California State University, Sacramento, Department of Communication Sciences and Disorders, seeks to provide equal access to its programs, services, and activities for people with disabilities. If you have a documented disability and verification from the Office of Services to Students with Disabilities (SSWD), and wish to discuss academic accommodations, please contact your instructor as soon as possible. It is the student's responsibility to provide documentation of disability to SSWD and meet with a SSWD counselor to request special accommodation before classes start. **Sacramento State Services to Students with Disabilities (SSWD)** offers a wide range of support services and accommodations for students in order to ensure students with disabilities have equal access and opportunity to pursue their educational goals. Working collaboratively with students, faculty, staff and administrators, SSWD provides consultation and serves as the information resource on disability related issues to the campus community.

Sacramento State is committed to ensuring an accessible learning environment where course or instructional content are usable by all students and faculty. If you believe that you require disability-related academic adjustments for this class, please immediately contact Services for Students with Disabilities (SSWD) to discuss eligibility. A current accommodation letter from SSWD is required before any modifications, above and beyond what is otherwise available for all other students in this class will be provided.

SSWD is located in Lassen Hall 1008 and can be contacted by phone at (916) 278-6955 (Voice) or (916) 278-7239 (TDD only) or via email at sswd@csus.edu.

California State University (CSU) policy prohibits discrimination on the basis of age, disability (physical and mental), gender (or sex), gender identity (including transgender), gender expression, genetic information, marital status, medical condition, nationality, race or ethnicity (including color or ancestry), religion (or religious creed), sexual orientation, sex stereotype, and veteran or military status. California State University prohibits all forms of discrimination, harassment (including harassment, sexual misconduct, dating and domestic violence, and stalking) and retaliation. The University Policy Manual is available at <http://csus.edu/umannual/>.

Basic Needs Support:

If you are experiencing challenges with food, housing, financial or other unique circumstances that are impacting your education, help is just a phone call or email away. The CARES office provides case management support for any enrolled student. Email the CARES office at cares@csus.edu to speak with a case manager about the resources available to you. Check out the [CARES website](#).

Title IX:

The University requires faculty and staff to report any personal disclosures of sexual misconduct including rape, dating/domestic violence and stalking to the Title IX Coordinator. Students who do not wish to report their experience to their professor or the Title IX Coordinator may speak to someone confidentially by contacting Student Health and Counseling Services.

Sac State is committed to supporting students and fostering a campus environment free of sexual misconduct and gender-based discrimination. If a student chooses to disclose to a faculty or staff member an experience related to sexual misconduct which includes rape, relationship violence, or stalking, all faculty and staff are obligated to report this disclosure to the university's Title IX Coordinator. Sac State's Title IX Coordinator is Mary Lee Vance.

Please email equalopportunity@csus.edu or (916) 278-5770. Upon receipt of the report, the Title IX Coordinator will contact you to inform you of your rights and options as a survivor and connect you with support resources, including resolution options for holding accountable the person who harmed you. Students who elect not to

discuss their experience with the Title IX Coordinator can speak confidentially to the following confidential resources:

Student Health & Counseling Services at The WELL On Campus

Phone Number: 916-278-6461 Website: www.csus.edu/shcs

Campus Confidential Advocate – Laura Swartzen Email: weave@csus.edu

On Campus Phone Number: 916-278-5850 (during business hours)

WEAVE 24/7 Hotline: 916-920-2952

Knowledge and Skills Acquisition (KASA) For Certification in Speech-Language Pathology

CSAD 127 Introduction to Medical Speech Pathology

Standard IV-C: Speech, Language, Hearing, Communication, and Swallowing Disorders and Differences

- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: phonology, articulation disorders (including the etiologies, characteristics, and anatomical physiological, acoustic, psychological, developmental, linguistic, and cultural correlates.)
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: voice and resonance disorders (including the etiologies, characteristics, and anatomical physiological, acoustic, psychological, developmental, linguistic, and cultural correlates.)
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: swallowing disorders (oral, pharyngeal, esophageal, and related functions, including oral function for feeding; orofacial myofunction,) including the etiologies, characteristics, and anatomical physiological, acoustic, psychological, developmental, linguistic, and cultural correlates.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: cognitive aspects of communication (e.g., attention, memory, sequencing, problem solving, and executive functioning), including the etiologies, characteristics, and anatomical physiological, acoustic, psychological, developmental, linguistic, and cultural correlates.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: communication modalities, including the etiologies, characteristics, and anatomical physiological, acoustic, psychological, developmental, linguistic, and cultural correlates.

Standard IV-D: Prevention, Assessment, and Intervention

- The student will demonstrate the ability to analyze, synthesize, and evaluate knowledge re: the principles and methods of prevention, assessment, and intervention regarding articulation.
- The student will demonstrate the ability to analyze, synthesize, and evaluate knowledge re: the principles and methods of prevention, assessment, and intervention regarding voice and resonance.
- The student will demonstrate the ability to analyze, synthesize, and evaluate knowledge re: the principles and methods of prevention, assessment, and intervention regarding swallowing (oral, pharyngeal, esophageal, and related functions, including oral function for feeding; orofacial myofunction).
- The student will demonstrate the ability to analyze, synthesize, and evaluate knowledge re: the principles and methods of prevention, assessment, and intervention regarding cognitive aspects of communication (e.g., attention, memory, sequencing, problem solving, and executive functioning).
- The student will demonstrate the ability to analyze, synthesize, and evaluate knowledge re: the principles and methods of assessment and intervention regarding communication modalities.

Standard IV-E, IV-G, IV-H: Contemporary Professional Issues

- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: standards of ethical conduct.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: contemporary professional issues and advocacy.

Standard IV-F: Research

- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: processes used in research and integration of research principles into evidence-based clinical practice.

Standard IV-B: Basic Human Communication Processes

- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: biological bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: neurological bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: acoustic bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: psychological bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: developmental/lifespan bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: linguistic bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: cultural bases of human communication differences.

Standard IV-B: Swallowing Processes

- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: biological bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: neurological bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: psychological bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: developmental/lifespan bases of human communication.
- The student will demonstrate the ability to analyze, synthesize and evaluate knowledge re: cultural bases of human communication differences.
