CSAD 242A.

Methods: Language Disorders I & Professional Writing - Field of Speech-Language Pathology & Audiology. 2 Units

Prerequisite(s): Admission to Graduate Program

Corequisite(s): [CSAD 243A](#)

Term Typically Offered: Fall, Spring

Methods, materials and procedures in language disorders with emphasis on working with children and adults with peripheral hearing loss or central auditory processing disorders (CAPD). Includes staffing and discussion of cases in the current caseload. Focus on professional writing in the field of Speech-Language Pathology through the development of treatment plan proposals, critical responses, and clinic reports.

Place of Course in Program

This course is generally taken by students in the first semester of the graduate program and is the methods class that accompanies the clinical course taken in the same semester. **This course meets the University Graduate Writing Intensive requirement and is placed in the first semester of the clinical sequence.**

Sacramento State Graduate Learning Goals (GLG)	Addressed by this course (Y/N)
Disciplinary knowledge: <i>Master, integrate, and apply disciplinary knowledge and skills to current, practical, and important contexts and situations.</i>	Y
Communication: <i>Communicate key knowledge with clarity and purpose both within the discipline and in broader contexts.</i>	Y
Critical thinking/analysis: <i>Demonstrate the ability to be creative, analytical, and critical thinkers.</i>	Y
Information literacy: <i>Demonstrate the ability to obtain, assess, and analyze information from a myriad of sources.</i>	Y
Professionalism: <i>Demonstrate an understanding of professional integrity.</i>	Y
Intercultural/Global Perspectives: <i>Demonstrate relevant knowledge and application of intercultural and/or global perspectives.</i>	Y

Course Learning Outcomes:

Mastery of each student-learning outcome listed below is indicated by a grade of B or better on each component of the corresponding measures listed in the table. Students are required to track their progress towards meeting each learning outcome and must make an appointment with the instructor for any grade equal to or less than a B. The instructor will suggest strategies to help you establish competence and knowledge in these areas.

Students should track their progress towards meeting each learning outcome by listing their grades on the table below over the course of the semester. The instructor will use a variety of activities and strategies that implement both quantitative and qualitative assessment measures to ensure maximizing students' opportunities to learn and to integrate information presented in this course. The quantitative and qualitative data from these measures will be triangulated to evaluate students' mastery of each learning outcome.

CSAD 242A SPECIFIC STUDENT LEARNING OUTCOMES:

Upon completion of this course the student will be able to:

Reading and Writing Outcomes:

1. Understand the major professional conventions, practices, and methods of inquiry of the field of Speech-Language Pathology. Discuss context of writing conventions.
2. Produce written work that adheres to the appropriate format and is coherent and appropriate for the defined audience. Demonstrate appropriate writing style by selecting the appropriate tone, sentence length, phrasing and use of professional terminology.
3. Write goals and objectives that address the area of need/baseline and are S.M.A.R.T (specific, measurable, attainable, results-oriented and timely.) Clearly document the progress a client has made or lack thereof and include a discussion of the barriers to greater success/progress in the Final Case Report.
4. Practice reading and writing as a learning process **that involves peer and instructor feedback, revision, critical reflection, and self-editing.** Assess his/her own writing and develop strategies for addressing weaknesses.

This course meets the University Graduate Writing Intensive (GWI) requirement with a total of 20 pages (10,000 words) of writing across genres and with opportunity for peer and instructor feedback followed by revision.

Clinical Methods Outcomes:

5. Discuss principles of assessment for clients associated with the Language I Clinic (auditory processing disorders, aural rehabilitation, phonological disorders, and child language delays/disorders) including standardized and unstandardized assessment and language sample analysis. Discuss interviewing procedures differentially for pediatric and adult clients.
6. Apply principles of ethics and confidentiality (HIPAA) in the clinical and classroom setting. Demonstrate professionalism in receiving and applying constructive feedback and in problem-solving with peers.
7. Compare, contrast, and evaluate different approaches for the treatment of child language, auditory processing and speech sound disorders with a focus on the most recent available scientific evidence. Apply these approaches to individual or hypothetical clients.
8. Evaluate assessment and treatment ideas presented by the instructor and by classmates for clients with a variety of child language, auditory processing and speech sound disorders. Discuss reinforcement principles, generalization, and communication with clients and families.

This course meets KASA standards IV-B (human communication processes), IV-C (communication disorders), IV-D (assessment & intervention), IV-E (ethics), IV-F (research), IV-G (contemporary professional issues) and V-A (oral and written communication).

64-66	D
60-63	D-
<60	F

Course Policies and Procedures:

Clinical and Professional Writing: Grading Contract

You are guaranteed a passing score (B) in this graduate writing course if you:

1. Attend class regularly—submitting **quality** notes for **each** missed class
2. Meet all due dates and writing content criteria for all major assignments
3. Participate in all in-class exercises and activities
4. Give thoughtful peer feedback
5. Sustain effort and investment on each draft of all papers
6. Make substantive revisions when the assignment is to revise—extending or changing the thinking or organization—not just editing or touching up
7. Copy-edit all final revisions of assignments until they conform to the conventions of clinical and/or academic writing
8. Attend conferences with the teacher to discuss drafts as needed

Thus, you earn the grade of B entirely on the basis of what you do—on your conscientious effort and participation. The grade of B does not derive from my judgment about the quality of your writing. Grades higher than B, however, do rest on my judgment of writing quality. To earn higher grades, you must produce writing—particularly for your clinical case reports—that I judge to be exceptionally high quality.

Attendance

Attendance is mandatory as many course learning objectives are met through in-class activities and discussion. Please make every effort to attend each class section. If you miss a class section, you are responsible for submitting notes on the topic of the day, including a summary of the reading(s), material covered, copies of in-class activities, reflection, etc. Notes should be submitted by email to tonia.davis@csus.edu within one week of the missed class. The reason for missing class is irrelevant; you are adults and I trust your judgement. However, I need you to demonstrate that you are meeting the learning objectives. Failure to submit quality notes will result in a decrease of ½ letter grade per missed class.

Participation

You are responsible for your own education. **It is not enough to sit back and passively observe.** You are expected to participate in each and every class, either in small group or large group discussion. I encourage you to use this course as an opportunity to problem-solve, think critically, and make mistakes. Making mistakes shows me that you are being brave: you are stepping out of your comfort zone. Making new and different mistakes shows me that you are reflecting, responding, and thinking critically. **Be brave: use this course as an opportunity to grow.**

Audio-Recording

Recording (audio or visual) is absolutely not allowed at any time during this course due to the discussion of client confidential information. Any student found to be recording during class time will be immediately referred to the Office of Student Conduct.

Late Assignments

All assignments will be turned in via [Canvas](#) or Microsoft Teams. Assignments will be accepted late with a penalty of two points per day late (10%). Assignments will not be accepted after 10 days (score of 0). Although writing revisions will be allowed in all cases, students are expected to turn in their highest quality writing so that revisions are meaningful and substantive, not catching up. All sections of reports should be completed.

Office Hours Policies

Office hours will take place both in person in my office at FLS 2404D. Office hours follow a “drop in” format. If you need an office hours appointment outside of these times, please email the instructor at tonia.davis@csus.edu to set up a time. I am happy to host office hours on Zoom via appointment – please email the instructor.

Letters of Reference

I feel strongly that students should have the opportunity to apply for scholarships to offset the cost of graduate education. To that end, I will accept requests for letters of recommendation for scholarships with no designated “please request by” date. Please understand that if you request a letter with short notice, I may not be able to provide you with such a letter. However, please **do** ask for a letter, and I will write one if I can.

Commitment to a Safe Learning Environment

I am committed to each student’s success in learning within a caring, responsive, and safe environment that is free of discrimination, violence, and bullying. Our program works to ensure that all students have the opportunity and support to develop to their fullest potential and share a personal and meaningful bond with peers and faculty within the program. Please don’t be a bystander to acts of harassment, discrimination, or hatred.

Land Acknowledgment

We are mindful in acknowledging that the land that Sacramento State is located on, was and continues to be occupied by the indigenous people of this area, the Miwok, Maidu, and Nisenan.

ASHA Code of Ethics Statement

As a graduate clinician, I expect you to follow the Sacramento State Commitment to Integrity (see [Additional Information](#)) as well as the American Speech Language Hearing Association (ASHA) Code of Ethics.

The four Principles of Ethics form the underlying philosophical basis for the Code of Ethics and are reflected in the following areas:

- (I) responsibility to persons served professionally and to research participants, both human and animal;*
- (II) responsibility for one's professional competence;*
- (III) responsibility to the public; and*
- (IV) responsibility for professional relationships.¹*

Inclusion and Access

If you identify ways in which this course does not meet your accessibility needs or ways in which course access can be improved for others, I encourage you to speak up when you see room for improvement. For formal accommodations, students should seek support through Services for Students with Disabilities (see [Additional Information](#) below).

Additional Information

Commitment to Integrity:

As a student in this course (and at this university) you are expected to maintain high degrees of professionalism, commitment to active learning and participation in this class and also integrity in your behavior in and out of the classroom.

Sac State's Academic Honesty Policy & Procedures:

“The principles of truth and honesty are recognized as fundamental to a community of scholars and teachers. California State University, Sacramento expects that both faculty and students will honor these principles, and in so doing, will protect the integrity of academic work and student grades.” Read more about Sac State's Academic Honesty Policy & Procedures at the following website: <http://www.csus.edu/umannual/student/stu-0100.htm>

Definitions: At Sac State, “cheating is the act of obtaining or attempting to obtain credit for academic work through the use of any dishonest, deceptive, or fraudulent means.”

Plagiarism is a form of cheating. At Sac State, “plagiarism is the use of distinctive ideas or works belonging to another person without providing adequate acknowledgement of that person's contribution.” The use of artificial intelligence, **including ChatGPT**, without attribution is considered plagiarism.

Note: Any form of academic dishonesty, including cheating and plagiarism, shall be reported to the [Office of Student Conduct](#).

Department Policy on Use of APA format

The Department of Communication Sciences and Disorders requires the use of the APA format and style. All students are required to reference the APA manual. All assignments are to be composed using APA format and style unless otherwise noted.

Understand When You May Drop This Course:

It is the student's responsibility to understand when he/she need to consider disenrolling from a course. Refer to the Sac State Course Schedule for dates and deadlines for registration. After this period, a serious and compelling reason is required to drop from the course. Serious and compelling reasons include: (a) documented and significant change in work hours, leaving student unable to attend class, or (b) documented and severe physical/mental illness/injury to the student or student's family. Under emergency/special circumstances, students may petition for an incomplete grade. An incomplete will only be assigned if there is a compelling extenuating circumstance. All incomplete course assignments must be completed by the department's policy.

Inclusivity:

Students in this class are encouraged to be active participants in all aspects of the course, including but not limited to lectures, synchronous and asynchronous activities, discussion posts, etc. Each of us must show respect for each other, as our class represents a diversity of beliefs, backgrounds, and experiences. This enriches all of our learning experiences together. Our individual differences deepen our understanding of one another and the world around us, rather than divide us. In this class, people of all ethnicities, genders and gender identities, religions, ages, sexual orientations, disabilities, socioeconomic backgrounds, regions, and nationalities are strongly encouraged to share their rich array of perspectives and experiences. If you feel your differences may in some way isolate you from our classroom community, or if you have a specific need, please contact the instructor early in the semester. Your instructor will work with you to ensure that you become an active and engaged member of our class and community.

Equal Access:

California State University-Sacramento, Department of Communication Sciences and Disorders, seeks to provide equal access to its programs, services, and activities for people with disabilities. If you have a documented disability and verification from the Disability Access Center (DAC), and wish to discuss academic accommodations, please contact your instructor as soon as possible. It is the student's responsibility to provide documentation of disability to DAC and meet with a DAC counselor to request special accommodation before classes start. **Sacramento State Disability Access Center (DAC)** offers a wide range of support services and accommodations for students in order to ensure students with disabilities have equal access and opportunity to pursue their educational goals. Working collaboratively with students, faculty, staff and administrators, DAC provides consultation and serves as the information resource on disability related issues to the campus community. DAC is located in Lassen Hall 1008 and can be contacted by phone at (916) 278-6955 (Voice) or (916) 278-7239 (TDD only) or via email at dac@csus.edu.

Religious Observance Policy:

No student should ever have to choose between important religious observances and academic commitments. Students who wish to participate in religious observances that conflict with other obligations should proactively make arrangements with their instructors and coaches to do so. Instructors are encouraged to accommodate students' planned absence for religious observances with respect to tests, examinations, graded assignments, deadlines, or class participation.

Title IX

The University requires faculty and staff to report any personal disclosures of sexual misconduct including rape, dating/domestic violence and stalking to the Title IX Coordinator. Students who do not wish to report their experience to me or the Title IX Coordinator may speak to someone confidentially by contacting Student Health and Counseling Services.

Sac State is committed to supporting students and fostering a campus environment free of sexual misconduct and gender-based discrimination. If a student chooses to disclose to a faculty or staff member an experience related to sexual misconduct which includes rape, relationship violence, or stalking, all faculty and staff are obligated to report this disclosure to the university's Title IX Coordinator. Sac State's Title IX Coordinator is William "Skip" Bishop. Please email equalopportunity@csus.edu or (916) 278-5770. Upon receipt of the report, the Title IX Coordinator will contact you to inform you of your rights and options as a survivor and connect you with support resources, including resolution options for holding accountable the person who harmed you. Students who elect not to discuss their experience with the Title IX Coordinator can speak confidentially to the following confidential resources:
