* Course substitutions will be limited to Field Schools/Study Abroad and/or based on career focus with <u>ADVANCE</u> approval from the Major Advisor and Department Chair. If approved, Major Advisor will submit an official "Major Course Substitution Form via OnBase."

* For GE Requirements Advising - drop in or schedule an appointment at the <u>SS&IS Student Success Center</u>. Check for hours and appointments online

Notes:

- All courses except general electives must be completed with a grade of "C-" or better.
- Availability of anthropology courses varies each semester. Consult semester schedules online and with your Anthropology Advisor.

- You can overlap between GE and major coursework approved for fulfilling both areas. Not all anthropology courses serve toward the major. For example: Anth 13, 16, 101, 102, etc. Consult with your major advisor if unsure.
