Hi, everyone! I'm a first-gen student in my senior year at Sacramento State! If all goes well this semester and next semester, then I'll be graduating in the Spring with a degree in Fashion and Merchandising. Apart from attending class, my hobbies include playing video games, watching anime, listening to music, and being a total foodie.

I declared Fashion and Merchandise Management as my major because of Taylor Anderson who taught FASH 30 when she changed my whole perspective on fashion as an industry and a lifestyle. I'm looking forward to working with all of you and don't hesitate to contact me if you have any questions about the Fashion department!
