

Alpha Theta Chapter Membership Application
Alpha Kappa Delta
The International Sociology Honor Society

Congratulations! You have been invited to join Alpha Kappa Delta, the International Sociology Honor Society through your local chapter of AKD. Membership is limited to undergraduate and graduate students in sociology (majors, minors, or those in a program sociological in nature) who have maintained a record of high academic achievement, and sociology faculty members. The criteria are described below.

Membership in Alpha Kappa Delta is an earned honor. Once you join, you become a lifetime member. Your membership may be used on your resume, applications for graduate school, and job applications.

Alpha Kappa Delta Society was founded in 1920 in the Sociology Department of the University of Southern California by Dr. E.S. Bogardus. The name, Alpha Kappa Delta, represents the first three letters of three Greek words: *anthropon* (mankind), *katamanthanein* (to investigate thoroughly or to conduct research) and *diakonesein* (for the purpose of service). The name, freely interpreted, signifies social research for the purpose of service. There are more than 700 chapters of the Society and more than 145,000 lifetime members. We hope to include you among the members.

The membership fee is \$50.00. This one-time fee provides you with lifetime membership, a membership certificate, a membership card, and one free year of online access to *Sociological Inquiry*, the official journal of the Society. When you are inducted into Alpha Kappa Delta, you are eligible to purchase and wear the Society's honor cord, lapel pin, and other paraphernalia.

To join Alpha Kappa Delta, please fill out the attached form and return it, and your payment, to your chapter representative. Please see www.alphakappadelta.org for more information. Again, congratulations!
