

CSU-ERFSA Special Dues Program

To celebrate the (hopefully) end of the worst of the pandemic, CSU- ERFSA is offering a half-price membership sale for new members. The sale applies to members who join CSU-ERFSA from July 1, 2022 to December 31, 2022.

To be eligible for this discount, you must mail the application below including your check as payment.

You will receive an annual dues renewal notice in 2023 during the month you originally joined CSU-ERFSA.

At that time, you will be given several easy options to renew your membership at the full rate:

- Monthly dues deductions from your CalPERS warrant
- Payment via credit card online
- Check payable to CSU-ERFSA

Membership dues are calculated as a percentage of your gross monthly retirement benefit. For your dues amount, please locate your gross monthly retirement benefit in the chart below and corresponding **discounted** membership rate:

Less than \$3000	\$30/yr
\$3001-\$3600	\$36/yr
\$3601-\$4300	\$42/yr
\$4301-\$5300	\$48/yr
\$5301-\$6300	\$54/yr
