Culture Comparison Assignment

Homework: Fill out culture comparison assignment worksheet for 2 different cultures (30 points). Data may be gathered from numerous sources: assigned reading, literature review, interviews with family and friends, acquaintances, individuals who work in schools from that culture etc. On the final page include a discussion of implications for school psychologists and a reference list. Be prepared to discuss your findings in class.
DUE: February 9, 2009 (Analysis DUE February 16, 2009)

Name _____

	Culture 1:	Culture 2:
Communication Style
