- Activities Coordinator/Social Media Manager - Mandie

Chem Club Information

- Chem Club is ASC (American Society of Chemistry) club
 - Members can sign up to be ASC member for free
 - Research opportunities for undergraduates and graduates
- Social Club
 - Do study nights
 - Fun activities (bowling, hikes, etc.)
- Outreach
 - Homecoming
 - Setting booth up at Alumni Center
 - Need volunteers
 - Making slime and doing a few experiments
 - Mole Day 10/23
 - Setting up tables
 - Giving away cupcakes that are decorated to be like moles
 - Doing periodic table bingo
 - Science Night
 - At Elementary School
 - Do experiments and teach about sciences with little kids
 - To encourage and inspire young people to explore sciences

Homecoming 10/19

- Doing slime with kids
- Jade will send a Google Form with information through email and Discord

PPE Sale

- Beginning of each semester
 - Sells donated lab coats, goggles, and 15 pairs of gloves
- This semester's sale ended in three days
 - Earned about \$2000
- Need volunteers to sign up for next semester
- Money from sales go towards food each meeting and activities

Discussion:

- Clem Club meetings are every other week on Thursday @5 PM
 - Email reminders about meeting will be sent
- If any member wants to do an activity (tour, picnic, escape rooms, etc.), you can bring up to the officers
 - Officers (mainly Mandie) will plan it
 - Can contact Mandie through the Chem Club's Instagram
 - Can contact any of the officers through Discord as well
 - ➔ Officers in the Discord server will have their usernames in green.
 - For tours, if people can drive/carpool, would be appreciated
 - Chem Club will pay for most activities
 - ➔ More expensive ones (ex. Escape rooms), Chem Club will ask you to pay for half of it or so
- For more information about working in stock rooms, ask Jade

Time Adjourned: 5:53 PM
