

Exam correction - template

Student name: _____

- 1) What question are you correcting? Exam # _____, Question # _____
 - 2) What concepts are being dealt with in the question? In other words, what type of problem is it?
 - 3) Where in your textbook (what page) and when in your lecture notes (what date) is this type of problem dealt with?
-

Part I: Working a similar problem to the one you got wrong

- 4) Write out a similar problem and all the work needed to answer it. [Continue on back as needed.]

Part II: Correcting the problem you got wrong

- 5) Write out the question that you got wrong and all the work needed to answer it. Be sure to include clarifying/explanatory comments. For multiple choice questions you should also state why your original choice was incorrect. [Continue on back as needed.]
