

# Student Academic Success Day 2023

## Mega Success Motivational Workshop Sessions

11:00 – 11:50 am “A Decade of Degrees: Success with No End”

**Success through Artistry: Electrifying Your Dreams through the Arts (1st Floor, Redwood Room)** Experience artistry in action while finding your passion. Join this session to have your dreams take center stage.

**Success in Academics: Strategies to Reach Your Highest Achievements (2nd Floor, Cottonwood Suite)** Acquire tools to be academically sound and to reach your highest goals of educational attainment by accessing campus resources, services, and drawing on key networks of support.

**Success in Your Health: Living Well and Being Well (3rd Floor, Foothill Suite)** Find ways to live and be well through various wellness strategies and by living in the moment stress-free.

**Success in Your Wealth: Creating a Wealth Portfolio that Lasts a Life Time (2nd Floor, Forest Suite)** Do you want to be wealthy? Do you want to learn how to invest? Join this session to gain tools for financial literacy and long-term planning.

**Success in Career: Securing Your Passion and Realizing Your Dream (3rd Floor, Green and Gold Room)** Learn how to position yourself for career and life through skill for planning and tools for your job search and knowing where your passion lies. Join this session to be inspired for the career that awaits you.

**Success in Your Finances: Elevating Your Daily Pocket Book (1st Floor Hinde Auditorium)** Attend this session to gain practical tools on how to develop a budget and how to survive in an inflationary economy while being a college student.

**Success through Dream Building: Do You Have a Vision Board? (2<sup>nd</sup> Floor, Orchard Suite)** Every success starts with a goal and a plan. Join this session to develop your very own vision board that will guide the course of your life success.

**Success in Relationships: Optimizing your Interpersonal Relationships (3rd Floor, Pacific Suite)** Building community and being in union with others is key to life success. Relationships are enriching tools that foster personal well-being. Join this session to learn strategies for optimizing your relationships and taking them to the next level.

## 12:00 – 12:50 pm “Success with No End: Luncheon and Keynote Address”

The luncheon will include a keynote address, celebratory components, and will highlight the 10-year history of the DEGREES Project and its successes on campus
