An aerial photograph of a river valley, likely the Sacramento River valley, showing a winding river through a lush green landscape with rolling hills and some agricultural fields. The image is in grayscale and serves as a background for the text.

**Sacramento State acknowledges, with respect, the land our campus is on today was, and continues to be, the homelands of the Indigenous people of this area, the Nisenan, specifically the Nissim-Pawenan, and Miwok. The larger Sacramento area and its rivers serve as a gathering place for many local tribes from the surrounding valley and foothills including the Southern Maidu, Patwin and Wintun.**

**Sacramento State recognizes these lands and riverways as unceded traditional territories of these Native peoples. We further recognize these California Native nations and respect their sovereignty. By offering this land acknowledgement, we affirm the University's commitment to build relationships and foster a university environment of success to better serve Native nations and communities**

# What is the Seal of *Excelencia*?

A national certification for institutions that strive to go beyond enrollment to intentionally **SERVE Latine students**; it is administered by *Excelencia* in Education.

# What is the Seal of *Excelexencia*?

Sacramento State was awarded the Seal of *Excelexencia* in 2020

- institutions must apply for recertification every three (3) years

Our recertification was awarded in 2023

# SEAL CERTIFIED INSTITUTIONS

# SEAL OF *EXCELENCIA* FRAMEWORK

To support and reinforce institutional capacity to intentionally serve, *Excelencia* developed a framework that integrates essential components of transformation into a comprehensive institutional strategy for serving students.” The Seal of *Excelencia* framework has three core components:

1. **Data** among enrollment, retention, transfer in and out, financial support, representation, and degree completion of Latine students
2. Intentional implementation of evidence-based **practices**, programs, and policies
3. Goals to 2026 (for recertification purposes\_
4. Demonstrated intentional alignment of **leadership** practices with Latine student success initiatives

# Defining Servingness

- Servingness is a concept that Garcia, Núñez, and Sansone (2019) argue is a "multidimensional and conceptual way to understand what it means to move from *enrolling* Latine students to *serving* them".
- Servingness is difficult to define, why?
  - HSI designation based solely on an institution reaching a specific enrollment of Latinx undergraduate students with little guidance on serving the needs of the students
  - Diversity within and across HSIs

# Multidimensional Conceptual Framework of *Servingness*

- Servingness “manifests in multiple ways and should be conceptualized along multiple dimensions.” These dimensions include
  - External Influences
  - Structures for Serving
  - White Supremacy
- These all lead to various outcomes for students, including
  - Academic Outcomes
  - Nonacademic Outcomes
  - Experiences within Structures

## External Influences on Serving

Federal legislation  
 State legislation  
 Local legislation  
 Institutional governing boards  
 State governing boards  
 Advocacy groups  
 Community leaders  
 Alumni

## White supremacy

## Structures for Serving

Mission and values statements  
 Diversity plans  
 HSI grants  
 Institutional advancement activities  
 Engagement with the Latinx community  
 Compositional diversity: faculty, staff, administration, graduate students  
 Culturally relevant curriculum & pedagogy  
 Programs & services for minoritized students  
 Leadership & decision making practices  
 Incentive structures  
 External boundary management

## Validating Experiences Within the Structures

Interactions with same-race/ethnicity peers  
 Cultural validation on campus  
 Spanish-speaking peers, faculty, & staff  
 Mentoring & support groups

## Racialized Experiences Within the Structures

Discrimination  
 Harassment  
 Microaggressions

## Academic Outcomes

GPA  
 Course completion  
 6-year graduation  
 College completion  
 Transfer  
 STEM degree completion  
 Post-bac enrollment  
 Labor market outcomes

## Nonacademic Outcomes

Academic self-concept  
 Social agency  
 Racial identity  
 Leadership identity  
 Critical consciousness  
 Social justice orientation  
 Civic engagement  
 Graduate school aspirations

# Indicators of Student Success

- Traditional Indicators of Servingness:
  - Academic Success
    - Persistence and retention
    - Course completion
    - Degree completion
    - Transfer rates
- Nonacademic Outcomes
  - Leadership identity
  - Social agency
  - Racial and ethnic identity
  - Self-concept
  - Social justice orientation
  - Graduate school aspirations
  - Critical consciousness
  - Civic engagement

# HSI Collaborative

The HSI *Collaborative* at Sacramento State will work to support Sacramento State in examining current practices and processes aimed at serving Latine students and community. Through this work, the *Collaborative* will work to curate a collective understanding of Sacramento State initiatives aimed to support our Latine student holistic success and to define the metrics by which we can measure our success at serving the Latine student population. The *Collaborative* will work to develop recommendations that are rooted in what it means in both purpose and practice to holistically serve the Latine community at Sacramento State and expand on our initiatives targeted to support Latine undergraduate students' holistic success.

# Moving Forward

- Additional support for the Serna Center (e.g., activities, staff hiring and professional development, campus space)
- Examination of Sac State mission and vision statements
  - How can these statements better uplift our Minority Serving Institution Identity (MSI), HSI, AANAPISI identities?
- Integration of MSI Identity into Strategic Plan
  - Within the current strategic plan there is *no* mention of MSI, HSI, AANAPISI

# FACULTY & CURRICULUM DEVELOPMENT

GOAL	INSTITUTIONAL STRATEGY
<ul style="list-style-type: none"><li>• Restructure curriculum through an anti-racist and inclusive framework that centers the experiences of Latine populations</li></ul>	<ul style="list-style-type: none"><li>• Continued development and implementation of programs focused on curriculum development</li><li>• Hiring practices</li><li>• Faculty Retention</li></ul>

# Moving Forward

- Examine the data
  - What are the hiring, retention, and promotion trends of our Latine faculty, staff, and administrators at Sac State?
  - What support programs are our Latine faculty, staff, and administrators engaged in? What might their needs be?
- Continue to support and further develop learning and professional development activities
  - CTL professional learning communities (e.g., Inclusive Practices, Culturally Responsive Teaching at HSIs in STEM)
  - Using the HSI identity to advance research
  - Sac State Inclusive Leadership Academy
- Continue to support and further develop hiring and retention activities
  - Demystifying the Tenure-Track Learning Community
  - Diversity Hiring Fellows Program

# Moving Forward

- Promote and support Latine faculty and Latine staff to engage in professional development activities through Latine serving national organizations (e.g., *Excelencia*, American Association of Hispanics in Higher Education, Hispanic Association of Colleges and Universities)
- Review policies related to hiring practices of faculty, staff, and administration
  - **Currently under review with Faculty Senate**
- Require *all* search committees to have an Affirmative Action/Equal Opportunity Representative (AA/EOR) as *voting* member
- *Uplift* our HSI and AANAPISI identity in our “About Sac State” portion within vacancy announcements
  - **Completed summer 2023**

# WORKFORCE & POST-COMPLETION

GOAL	INSTITUTIONAL STRATEGY
<ul style="list-style-type: none"><li>• Place career development as a focus of the student experience from enrollment to graduation</li><li>• Ensure Latine students are workforce ready and possess the necessary career skills</li></ul>	<ul style="list-style-type: none"><li>• Introduce career planning and financial wellness early on</li><li>• Scale-up services focused on career and integrate career/financial wellness counseling</li><li>• Partnerships with Parent Institute for Quality Education (PIQE)</li></ul>

# Moving Forward

- Intentionally engage in recruitment and new student orientation activities to provide career development and financial wellness information
- Collaborate with faculty and department leadership to integrate career and financial wellness activities into student programming and classroom activities
  - Providing grant funding to support this work (DHSI Funding: Degrees with a Purpose)
- Hire staff and students to support career and financial wellness counseling

# COMPONENT #4: LEADERSHIP

The application asked for information about the institution's leadership in relation to three areas:

- **Communications**

- How does Sac State *intentionally* engage with Latine student groups and Latine faculty to *intentionally* serve Latine/o/a students
- How does Sac State communicate that we serve Latine students?

- **Institutional Culture**

- How does Sac State *ensure* Latine representation in leadership that mirrors the Latine student population?
  - Leadership is defined as President Cabinet, Deans, Association deans, Faculty Senate, and Student Government

- **Financial Investment**

- Highlight three financial investments to achieve your 2026 goals to *intentionally* serve Latine students
  - Leveraging Strategic Investment Grants
  - Increasing salaries and benefits of our faculty and staff
  - Funding for technology

# *Excelencia* in Education: Moving Forward

*Excelencia* is committed to partnering with institutions to share and learn strategies that align data, practice, and leadership to accelerate Latino student success as a community of common cause. Further, we recognize that developing the ability to serve Latino students enhances the capacity of institutions to serve all students.

*Excelencia's* accountability structure provides

- access to cohort-based learning opportunities that align institutional efforts and establish evidence-based practices to authentically and intentionally serve their students and help deconstruct the “S” in Hispanic Serving Institutions.
- support from *Excelencia's* staff to advance Sac State's journey of transformation.
- access to *Excelencia's* digital job board to publicize employment opportunities at your institution.

# A Conversation with President Wood

1. How does the Seal propel Sac State toward more intentional servingness of Latine students?
2. Why is working with other Seal of *Excelencia* institutions important?
3. What does it mean to accelerate Latine student success at Sac State while serving all students?
4. What are some ways that you think we can continue to move forward in evaluating our efforts toward intentionally serving Latine students?
5. How does the Seal of *Excelencia* help to guide HSI efforts including grant initiatives and curricular efforts?
