

PAVE Excellence Awards

Partnerships to Advance the Value of Education or (PAVE) is the flagship K-12 tutoring and mentoring program in Student Academic Success and Educational Equity Programs (SASEEP), a Unit in the Division of Student Affairs at California State University, Sacramento. Devoted to improve the educational opportunities for K-12 scholars and help them achieve college, career and life success, the PAVE program works collaboratively with K-12 school districts and local education agencies to offer tutoring, mentoring, and college preparedness. The PAVE program's extensive partnership serves an important mechanism for achieving the university's goal as an Anchor University in the region. Each year, The **PAVE Excellence Awards** honors our partners, teachers and tutors for their unwavering commitment to improve the educational opportunities for K-12 scholars and help them achieve college, career and life success through a positive experiential learning experience.
