2. Click on "Host a Meeting" then a drop down will ask if you want "Video Off" or "Video On." If you want to have the webcam on as soon as it launches, please select "Video On."

3. Log in with your Sac State credentials and be sure to have your Duo authentication option available as it will ask you to sign in.

4. You will see this screen and notice a download file. Shown in the next picture.

5. You will see an install .exe file at the bottom left side of your browser, it should be marked with a orange box like the picture below. Click on that file to download zoom.

6. Once downloaded, it will ask to Open Zoom Meetings, please be sure to click that.
