

Student Affairs IT Standard Equipment Cost

We've broken down the common equipment requests into "Combos" below. If you are interested in adding, removing, or modifying the combo, please let us know. However, you may still refer to the tables below to gauge the prices and identify what is within your budget.

Note: These prices are obtained from campus-approved vendors & are compatible with standard equipment.

Note: Prices are meant to be used as reference and not taken as final.
