

National Transfer Student Week

October 21st-25th 2024

This week, we celebrate YOU!

Our incredible transfer students who bring strength, diversity, and fresh perspectives to our Sacramento State family. Your journey is unique, and your presence makes our campus community stronger and more vibrant. We know transferring is no small feat. It takes courage, resilience, and determination, and you've already proven you have all of that in abundance. You belong here, and your path is something to be proud of.

At Sac State, *Our Hive is truly Our Home* because of students like you who make it so special. Take a moment to reflect on how far you've come and look ahead to the bright future you're creating. You are an essential part of our community, and we're so excited to see all that you will continue to achieve.

NTSW 2024 has been thoughtfully designed just for YOU, thanks to the Transfer Resource Center and our dedicated Transfer Champion Sponsors:
