### Housing Room and Board - Cost and Fee FAQs

What is the monthly cost of on-campus housing?	Unlike off-campus apartments, we do not have a monthly housing cost. <u>Students are charged per semester</u> for rent and board (like their tuition and fees for the University). Prior to each term, we will post room and board costs (before Financial Aid disbursement). The Spring semester does cost more than the Fall semester, based on the occupancy dates within the license agreement.
What are the different payments and due dates then?	We automatically divide each semester into 4 installment payments that are due throughout the semester. The first due date is always the first Friday of classes. For those that sign a 9-month addendum (living with us during Winter Break), they will have an extra installment payment for winter break charges.
What does my \$250 pre-payment go towards?	For students living with us for the Academic Year, the \$250 pre-payment (collected during the application process) applies towards your Fall rent (the first installment). Therefore, the first installment is \$250 less than the other installments. In the Spring, you will not have a pre-payment.
What is the \$20 Installment Service Fee?	A \$20 Installment Service Fee will be assessed if all installments for the semester are not paid (\$0 balance) by the first Friday of classes for the term. This is a processing fee.
Does Housing charge late fees?	Yes. A \$25 late fee will be assessed for each missed due date.
Are there additional charges if you move-in early or move-out late?	A daily rate is charged for all approved Early Arrivals or Late Departures for each semester. This daily rate depends on your Room Type.
